Rebels Cold War Culture And The Birth Of Identity

Artemy M. Kalinovsky, Craig Daigle

Rebels Cold War Culture And The Birth Of Identity:

Southern Literature, Cold War Culture, and the Making of Modern America Jordan J. Dominy, 2020-01-27 During the Cold War national discourse strove for unity through patriotism and political moderation to face a common enemy Some authors and intellectuals supported that narrative by casting America s complicated history with race and poverty as moral rather than merely political problems *Southern Literature Cold War Culture and the Making of Modern America* examines southern literature and the culture within the United States from the period just before the Cold War through the civil rights movement to show how this literature won a significant place in Cold War culture and shaped the nation through the time of Hillbilly Elegy Tackling cultural issues in the country through subtext and metaphor the works of authors like William Faulkner Lillian Smith Robert Penn Warren Eudora Welty Ralph Ellison Alice Walker and Walker Percy redefined South as much more than a geographical identity within an empire The South has become a racially coded sociopolitical and cultural identity associated with white populist conservatism that breaks geographical boundaries and as it has in the past continues to have a disproportionate influence on the nation s future and values **Rebels** Leerom Medovoi, 2005-11-23 A cultural history of the political legitimization of youth rebellion during the Cold War era

Jazz and Postwar French Identity Elizabeth Vihlen McGregor, 2016-06-23 In the context of a shifting domestic and international status quo that was evolving in the decades following World War II French audiences used jazz as a means of negotiating a wide range of issues that were pressing to them and to their fellow citizens Despite the fact that jazz was fundamentally linked to the multicultural through its origins in the hands of African American musicians happenings within the French jazz public reflected much about France s postwar society In the minds of many jazz was connected to youth culture but instead of challenging traditional gender expectations the music tended to reinforce long held stereotypes French critics musicians and fans contended with the reality of American superpower strength and often strove to elevate their own country s stature in relation to the United States by finding fault with American consumer society and foreign policy aims Jazz audiences used this music to condemn American racism and to support the American civil rights movement expressing strong reservations about the American way of life French musicians lobbied to create professional opportunities for themselves and some went so far as to create a union that endorsed preferential treatment for French nationals As France became more ethnically and religiously diverse due immigration from Africa Asia and the Caribbean French jazz critics and fans noted the insidious appearance of racism in their own country and had to contend with how their own citizens would address the changing demographics of the nation even if they continued to insist that racism was more prevalent in the United States As independence movements brought an end to the French empire jazz enthusiasts from both former colonies and France had to reenvision their relationship to jazz and to the music s international audiences In these postwar decades the French were working to preserve a distinct national identity in the face of weakened global authority most forcefully represented by decolonization and American hegemony

Through this originally African American music French listeners commentators and musicians participated in a process that both challenged and reinforced ideas about their own culture and nation America in the World Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field

The Cambridge History of the Cold War: Volume 3, Endings Melvyn P. Leffler, Odd Arne Westad, 2012-01-26 Volume III of The Cambridge History of the Cold War examines the evolution of the conflict from the Helsinki Conference of 1975 until the Soviet collapse in 1991 A team of leading scholars analyzes the economic social cultural religious technological and geopolitical factors that ended the Cold War and discusses the personalities and policies of key leaders such as Brezhnev Reagan Gorbachev Thatcher Kohl and Deng Xiaoping The authors show how events throughout the world shaped the evolution of Soviet American relations and they explore the legacies of the superpower confrontation in a comparative and transnational perspective Individual chapters examine how the Cold War affected and was affected by environmental issues economic trends patterns of consumption human rights and non governmental organizations The volume represents the new international history at its best emphasizing broad social economic demographic and strategic developments while keeping politics and human agency in focus

Cold War Captives Susan Lisa Carruthers, 2009 Susan Carruthers offers a provocative history of early Cold War America in which she recreates a time when World War III seemed imminent She shows how central to American opinion at the time was a fascination with captivity escape Captivity became a way to understand everything

The Routledge Handbook of the Cold War Artemy M. Kalinovsky, Craig Daigle, 2014-06-05 This new Handbook offers a wide ranging overview of current scholarship on the Cold War with essays from many leading scholars The field of Cold War history has consistently been one of the most vibrant in the field of international studies Recent scholarship has added to our understanding of familiar Cold War events such as the Korean War the Cuban Missile Crisis and superpower détente and shed new light on the importance of ideology race modernization and transnational movements The Routledge Handbook of the Cold War draws on the wealth of new Cold War scholarship bringing together essays on a diverse range of topics such as geopolitics military power and technology and strategy The chapters also address the importance of non state actors such as scientists human rights activists and the Catholic Church and examine the importance of development foreign aid and overseas assistance The volume is organised into nine parts Part I The Early Cold War Part II Cracks in the Bloc Part III Decolonization Imperialism and its Consequences Part IV The Cold War in the Third World Part V The Era of Détente Part VI Human Rights and Non State Actors Part VII Nuclear Weapons Technology and Intelligence Part VIII Psychological Warfare Propaganda and Cold War Culture Part IX The

End of the Cold War This new Handbook will be of great interest to all students of Cold War history international history foreign policy security studies and IR in general

Research Guide to American Literature John Cusatis,2010 Covers American literature during the postwar period

The Rebel Café Stephen R. Duncan,2018-11-01 An account of how the subterranean nightspots in 1950s New York and San Francisco became social cultural and political hothouses for left wing bohemians The art and antics of rebellious figures in 1950s American nightlife from the Beat Generation to eccentric jazz musicians and comedians have long fascinated fans and scholars alike In The Rebel Caf Stephen R Duncan flips the frame focusing on the New York and San Francisco bars nightclubs and coffeehouses from which these cultural icons emerged Duncan shows that the sexy smoky sites of bohemian Greenwich Village and North Beach offered not just entertainment but doorways to a new sociopolitical consciousness This book is a collective biography of the places that harbored beatniks blabbermouths hipsters playboys and partisans who altered the shape of postwar liberal politics and culture Touching on literary figures from Norman Mailer and Amiri Baraka to Susan Sontag as well as performers ranging from Dave Brubeck to Maya Angelou to Lenny Bruce The Rebel Caf profiles hot spots such as the Village Vanguard the hungry i the Black Cat Cafe and the White Horse Tavern Ultimately the book provides a deeper view of 1950s America not simply as the black and white precursor to the Technicolor flamboyance of the sixties but as a rich period of artistic expression and identity formation that blended cultural production and politics What emerges in these pages is nothing less than a comprehensive psycho social geography of an underground counter culture of black and white jazz musicians leftists poets artists beatniks gays and lesbians and other people of the demi monde

All About Jazz

The United States and Germany in the Era of the Cold War, 1945-1990 Detlef Junker,Philipp Gassert,Wilfried Mausbach,David B. Morris,2004-05-17 Publisher Description

Thinking While Black: Translating the Politics and Popular Culture of a Rebel Generation Daniel McNeil,2022-09-27 This uniquely interdisciplinary study of Black cultural critics Armond White and Paul Gilroy spans continents and decades of rebellion and revolution Drawing on an eclectic mix of archival research politics film theory and pop culture Daniel McNeil examines two of the most celebrated and controversial Black thinkers working today Thinking While Black takes us on a transatlantic journey through the radical movements that rocked against racism in 1970s Detroit and Birmingham the rhythms of everyday life in 1980s London and New York and the hype and hostility generated by Oscar winning films like 12 Years a Slave The lives and careers of White and Gilroy along with creative contemporaries of the post civil rights era such as Bob Marley Toni Morrison Stuart Hall and Pauline Kael should matter to anyone who craves deeper and fresher thinking about cultural industries racism nationalism belonging and identity

Canada's 1960s Bryan D. Palmer,2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada s 1960s examines the legacy of this rebellious decade s impact on contemporary notions of Canadian identity

Teenage Time Pamela Thurschwell,2025-07-24 Adolescence has been codified as an unpredictable experimental and liminal time Teenage Time

reads this phase as queer in its framing and disruption of developmental narratives of modernity showing that the identity of the teenager as it has been culturally perceived in different epochs developing since the 1940s has shaped the temporal imaginary of the 20th and 21st century From the conception of the teenager after the Second World War through notions of rebellion and consumption peaking in the 1980s and 1990s to representations of their precarious futures amidst the political social economic and environmental uncertainties of today Pamela Thurschwell exposes British and American representations of the adolescent as both destructive and recursive in their disturbance of narrative and teleology in literature film and sub cultural history Calling on theories of queer temporality time studies psychoanalysis and Marxist accounts of modernity this book traces how the teenager is out of time and time travelling commodified anarchic futureless precarious with an uneven distribution of time in relation to race and how they confront dystopias in Young Adult catastrophe literature Covering a wide range of works this book features contemporary and YA fiction such as *The Member of the Wedding* *American Pastoral* *Sula* *The Hate U Give* *The Fault in Our Stars* *How I Live Now* *Never Let Me Go* *The Hunger Games* and *They Both Die at the End* and films including *Donnie Darko* *The Breakfast Club* *Back to the Future* *Say Anything* and *Ghost World* Original and conceptually sophisticated Thurschwell demonstrates how adolescence is formed in dialogue with a crisis in and of historical time revealing the promise and destruction of the modern teenager

Turkey in the Cold War C. Örnek Konu,Ç. Üngör Sunar,2013-07-12 This volume examines the cultural and ideological dimensions of the Cold War in Turkey Departing from the conventional focus on diplomacy and military the collection focuses on Cold War s impact on Turkish society and intellectuals It includes chapters on media and propaganda literature sports as well as foreign aid and assistance

Divided, But Not Disconnected Tobias Hochscherf,Christoph Laucht,Andrew Plowman,2010-12-01 The Allied agreement after the Second World War did not only partition Germany it divided the nation along the fault lines of a new bipolar world order This inner border made Germany a unique place to experience the Cold War and the German question in this post 1945 variant remained inextricably entwined with the vicissitudes of the Cold War until its end This volume explores how social and cultural practices in both German states between 1949 and 1989 were shaped by the existence of this inner border putting them on opposing sides of the ideological divide between the Western and Eastern blocs as well as stabilizing relations between them This volume s interdisciplinary approach addresses important intersections between history politics and culture offering an important new appraisal of the German experiences of the Cold War

Cold War Cultures Annette Vowinckel,Marcus M. Payk,Thomas Lindenberger,2012 The Cold War was not only about the imperial ambitions of the super powers their military strategies and antagonistic ideologies It was also about conflicting worldviews and their correlates in the daily life of the societies involved The term Cold War Culture is often used in a broad sense to describe media influences social practices and symbolic representations as they shape and are shaped by international relations Yet it remains in question whether or to what extent the Cold War Culture model can be applied to European societies both in the East and the

West While every European country had to adapt to the constraints imposed by the Cold War individual development was affected by specific conditions as detailed in these chapters This volume offers an important contribution to the international debate on this issue of the Cold War impact on everyday life by providing a better understanding of its history and legacy in Eastern and Western Europe Westernwear Sonya Abrego,2022-11-03 During the prosperous forward thinking era after the Second World War a growing number of men women and children across the United States were wearing fashions that evoked the Old West Westernwear Postwar American Fashion and Culture examines why a sartorial style with origins in 19th century agrarian traditions continued to be worn at a time when American culture sought balance between technocratic confidence in science and technology on one side and fear and anxiety over global annihilation on the other By analysing well known and rarely considered western manufacturers Westernwear revises the common perception that fashionable innovation came from the East coast and places western youth cultures squarely back in the picture The book connects the history of American working class dress with broader fashionable trends and discusses how and why Native American designs and representations of Native American people were incorporated broadly and inconsistently into the western visual vocabulary Setting westernwear firmly in context Sonya Abrego addresses the incorporation of this iconic style into postwar wardrobes and popular culture and charts the evolution of westernwear into a modern fashion phenomenon **Vladimir Nabokov in Context** David Bethea,Siggy Frank,2018-05-24 Vladimir Nabokov bilingual writer of dazzling masterpieces is a phenomenon that both resists and requires contextualization This book challenges the myth of Nabokov as a sole genius who worked in isolation from his surroundings as it seeks to anchor his work firmly within the historical cultural intellectual and political contexts of the turbulent twentieth century Vladimir Nabokov in Context maps the ever changing sites people cultures and ideologies of his itinerant life which shaped the production and reception of his work Concise and lively essays by leading scholars reveal a complex relationship of mutual influence between Nabokov s work and his environment Appealing to a wide community of literary scholars this timely companion to Nabokov s writing offers new insights and approaches to one of the most important and yet most elusive writers of modern literature *Culture from the Slums* Jeff Hayton,2022-03-10 Culture from the Slums explores the history of punk rock in East and West Germany during the 1970s and 1980s These decades witnessed an explosion of alternative culture across divided Germany and punk was a critical constituent of this movement For young Germans at the time punk appealed to those gravitating towards cultural experimentation rooted in notions of authenticity endeavors considered to be more real and genuine Adopting musical subculture from abroad and rearticulating the genre locally punk gave individuals uncomfortable with their societies the opportunity to create alternative worlds Examining how youths mobilized music to build alternative communities and identities during the Cold War Culture from the Slums details how punk became the site of historical change during this era in the West concerning national identity commercialism and politicization while in the East over repression resistance and

collaboration But on either side of the Iron Curtain punks struggles for individuality and independence forced their societies to come to terms with their political social and aesthetic challenges confrontations which pluralized both states a surprising similarity connecting democratic capitalist West Germany with socialist authoritarian East Germany In this manner Culture from the Slums suggests that the ideas practices and communities which youths called into being transformed both German societies along more diverse and ultimately democratic lines Using a wealth of previously untapped archival documentation this study reorients German and European history during this period by integrating alternative culture and music subculture into broader narratives of postwar inquiry and explains how punk rock shaped divided Germany in the 1970s and 1980s

Youth, Identity, and Re-Fashioning Popular Music in Israel Oded Heilbrunner, Ari Katorza, 2024-08-06 The book *Youth Identity and Re Fashioning Popular Music in Israel 1950s 1980s* aims to refresh the understanding of the relationship between social power relations youth culture and popular music in Israel The authors discuss various perspectives regarding the axis of youth popular culture and music and present additional options for the discourse on these topics in Israel Among its many new findings the study discusses new insights relating to the increasing openness of Israeli culture to globalization the decline of the collective culture of the Sabra the rise of individual culture liberalism and neoliberalism the decay of Israeli consensus and the melting pot idea and practices In addition the authors examine various perspectives on how Israeli culture and music have changed over the years and reacted to historical alterations It reviews the tensions between modernism and postmodernism localism and globalism teenagers and their parents culture ethnicity and class hegemonic negotiations and marginal subcultures This book uses historical methodology combined with the assistance of cultural theories historical surveys and first hand documents
