Recits De Resurrection Des Morts Dans Le Nouveau Testament:

Les Recits de Resurrection Des Morts Dans Le Nouveau Testament Gérard Rochais, 2005-11-03 The New Testament narratives reporting the resuscitation of dead persons by Jesus and Peter are discussed in detail in this monograph and their theology is examined The author compares the NT stories with the resuscitation episodes in the OT and also with the broader category of NT miracle stories This enables him to identify the features peculiar to the NT resuscitation accounts Dr Rochais analysis using redaction critical methods demonstrates different stages in the formulation of the narratives and attempts to identify the events or purposes underlying them He makes reference to the development of Christology and the evolution of belief in the resurrection of the dead within the primitive church as well as to the theological positions of each of the evangelists His analysis leads the author to the hypothesis that neither Jesus nor Peter in fact brought the dead to life Dr Rochais asks what were the implications of these stories for the earliest generations of Christians and what is their significance for Christians today

Judaism in Late Antiquity 4. Death, Life-After-Death, Resurrection and The World-to-Come in the Judaisms of Antiquity Alan Avery-Peck, Jacob Neusner, 2015-11-02 Thirteen foremost scholars describe the views of death life after death resurrection and the world to come set forth in the literary evidence for late antique Judaism The volume covers the view of Scripture as a whole as against other Israelite writings distinct parts of Scripture such as Psalms and the Wisdom literature apocalyptic and the non apocalyptic pseudepigraphic literature Philo Josephus the Dead Sea Scrolls earliest Christianity the Gospels in particular the Rabbinic sources the Palestinian Targums to the Pentateuch and out of material culture the inscriptional evidence The result is both to highlight the range of available perspectives on this important issue and to illuminate a central problem in the study of Judaism in late antiquity phrased neatly as One Judaism or many Here we place on display indicative components of Judaism in their full diversity leaving it for readers to determine whether the notion of a single coherent religion falls under the weight of a mass of documentary contradictions or whether an inner harmony shines forth from a repertoire of largely shared and only superficially diverse data

The Strange Gospel James L. Resseguie, 2021-10-18 In this literary analysis of the Gospel of John Resseguie examines rhetoric setting character and plot to uncover the Gospel's unique point of view He shows the usefulness of the concepts of defamiliarization and point of view for understanding how the narrator makes the familiar seem strange A material familiar point of view that is voiced by the dominant culture is compared with a defamiliarized strange point of view that is expressed by Jesus and the disenfranchised Through close readings of narrative texts the author develops and elaborates the theological perspective of John which emerges in the clash of differing points of view The introduction defines objective and subjective point of view and shows the value of the works of Boris Uspensky and Susan Sniader Lanser for understanding the Gospel of John In chapter one irony misunderstandings and double entendres are shown to be important

rhetorical tools in the Gospel's attempt to make the familiar seem strange Chapter two discusses point of view as it is expressed in architectural settings sheepfold garden courtyard praetorium well temple and tomb and in topographical settings sea mountain Chapter three highlights the distinct points of view of Jesus Nicodemus religious authorities the world the royal official the man at the pool the man born blind Mary Magdalene Simon Peter the beloved disciple and Judas Chapter four discusses the point of view that emerges from an analysis of the plot The final chapter is a summary of the narrative's singular point of view This work is a suitable introduction to a literary analysis of the Gospel of John It makes an important contribution to narrative criticism on the Fourth Gospel in particular and to our understanding of defamiliarization and point of view in general The book confronts head on habitualized and familiar ways of thinking in the ancient world and today

Paroimia and Parrësia in the Gospel of John Thomas Tops, 2022-02-07 The language of the Gospel of John is known for its complexity On the basis of the modern standards of transparency and logic previous scholars have depicted this language as obscure confusing and mysterious Thomas Tops goes beyond these oversimplifications by providing an in depth historical study of John's characterisation of Jesus language with the terms paroimia and parrêsia By providing original insights in these terms the author offers a new perspective on the functioning of Johannine language As the Johannine Jesus teaches both through paroimia and parrêsia his language conceals and reveals at the same time His criticism is veiled and calls on its addressees to search for the hidden meanings of his words Veiled speech allows the Johannine Jesus to criticise his opponents and openly reveal his messianic identity to those who cannot accept the truth in any other way *Her Testimony is True* Robert Maccini, 1996-05-01 In *Her Testimony is True* the Gospel of John is analysed as a rhetorical work that uses the metaphor of a trial in order to persuade readers that the Messiah is Jesus John's presentation of women as witnesses in that trial is examined within the framework of Jewish law and custom regarding women as witnesses Maccini concludes that the role of the women as witnesses follows no stereotypical pattern that the women as witnesses like the men are treated as individuals not as a class and that in no case do any of the women bear witness in a way that breaches Jewish law and the custom of the contemporary culture

Resurrection in the New Testament Jan Lambrecht, 2002 *Resurrection in the New Testament* is a Festschrift offered to J Lambrecht on the occasion of his seventy fifth birthday Among the many scholarly interests of Professor Lambrecht the theme of the resurrection seemed best suited to honour his academic achievement The 27 contributions cover many of the books of the New Testament The first two articles in this volume discuss influences on the New Testament treatment of resurrection from the Greco Roman Dieter Zeller and Jewish Daniel J Harrington backgrounds H J de Jonge considers visionary experiences of the Old Testament as an interpretive clue for understanding New Testament references to appearances The articles by Martin Rese Benoit Standaert Otfried Hofius and Gergely Juhasz deal with interpretive questions that range through several books of the New Testament and to varying degrees again bring into discussion previously debated issues From this point with the exception of the final two the articles

Jairus's Daughter and the Haemorrhaging Woman Arie W. Zwiep, 2019-06-05. In this work Arie W. Zwiep examines the gospel stories of the raising of Jairus's daughter and the healing of the haemorrhaging woman (Mark 5:21-43; Matt 9:18-26; Luke 8:40-56) from a plurality of sometimes conflicting interpretive strategies to demonstrate the need and fruitfulness of a multi-perspectival exegetical approach. Among the various diachronic and synchronic methods that are being applied in this study are philological criticism, form criticism, and structural analysis, tradition and redaction criticism, orality studies, and performance criticism, narrative analysis, textual criticism, and the study of intertextuality. Such a comprehensive approach, it is argued, leads to an increased knowledge and a deepened understanding of the ancient texts in question and to a sharpened awareness of the applicability of current scholarly research instruments to unlock documents from the past.

Signs and Shadows Francis J. Moloney, 2004-08-09. Moloney offers a close reading of the crucial middle section of the Gospel of John, taking the reader on a journey as Jesus's ministry unfolds. Among events dealt with are Jesus's walk on the Sea of Galilee, the description of the Good Shepherd, and the resurrection of Lazarus. The present volume represents the continuation of Moloney's ongoing narrative commentary on the Gospel, a sequel to his earlier *Belief in the Word*, which focused on chapters 1-4.
