**Sea Never Dries** John Coomson,2012 Nature can never be understood unless nature explains itself One cannot see unless it is revealed unto the one to see and to carefully observe whatever one sees before one can understand the mysteries of nature Efua Nyame Tsease sat to lament on her life from the beginning to date Both her parents had died before Efua grew up She was brought up by her aunt and she didn t know anything until one of her cousins told her one evening when Efua was about fifteen years old Efua Nyame Tsease had married twice and she had lost both two wealthy and respectable

men to death Out of the two marriages she had had several miscarriages and she had lost six children through stillbirths and deaths a few hours or days after birth Why shouldn t death count me next to the passing out of souls Suicide must always be a forbidden seed It can never be a blessing to anyone     The Survey ,1909     *The Charity Organisation Review* ,1908
