**Handbook of Evidence-Based Substance Abuse Treatment in Criminal Justice Settings** Carl Leukefeld,Thomas P. Gullotta,John Gregrich,2011-08-28 Get high Become addicted Commit crimes Get arrested and be sent to jail Get released Repeat It s a cycle often destined to persist in large part because the critical step that is often missing in the process which is treatment geared toward ensuring that addicts are able to reenter society without the constant threat of imminent relapse The Handbook of Evidence Based Substance Abuse Treatment in Criminal Justice Setting probes the efficacy of corrections based drug interventions particularly behavioral treatment With straightforward interpretation of data that reveals what works what doesn t and what needs further study this volume navigates readers through the criminal justice system the history of drug treatment for offenders and the practical problems of program design and implementation Probation and parole issues as well as concerns specific to special populations such as women juvenile offenders and inmates living with HIV AIDS are also examined in detail The Handbook s wide ranging coverage includes Biology and genetics of the addicted brain Case management for substance abusing offenders Integrated treatment for drug abuse and mental illness Evidence based responses to impaired driving Monitoring technology and alternatives to incarceration The use of pharmacotherapy in rehabilitation This must have reference work is a comprehensive and timely resource for clinicians researchers and graduate students across a variety of disciplines including clinical psychology criminology and criminal justice counseling and educational policy makers National Institute of Justice, Issues and Practices, Police-Corrections Partnerships, Etc., March 1999 ,1999

**Community Corrections in America** Arthur J. Lurigio,1997 **Reforming Probation and Parole in the 21st Century** Joan Petersilia,2002 *Federal Probation* ,1996

*Probation and Parole Directory* ,1995 Toward a drugs and crime research agenda for the 21st century ,2003 For criminal justice practitioners who deal with drugs and crime day in and day out the reality of the drugs crime nexus is indisputable In a manual designed to help police chiefs and sheriffs control drug abuse the International Association of Chiefs of Police IACP stated unequivocally its belief in a significant though complex relationship between drug abusers and criminal offenders Change one group IACP proposed and you change the other If there is a reduction in the number of people who abuse drugs in your community there will be a reduction in the commission of certain types of crime in your community

*Smart Decarceration* Matthew Epperson,Carrie Pettus-Davis,2017 Smart Decarceration is a forward thinking practical volume that provides concrete strategies for an era of decarceration This timely work consists of chapters written from multiple perspectives and disciplines including scholars practitioners and persons with incarceration histories The text

grapples with tough questions and builds a foundation for the decarceration field      *Punishment in America* Cyndi Banks, 2005-04-19 From the Salem witch trials to death row this work is a gripping analysis of the evolution of punishment practices policies and problems in America From Puritan ducking stools to boot camps and supermax prisons Punishment in America investigates the evolution of punishment in the United States Intriguing inquiries into penitentiaries parole capital punishment and other sanctions reveal how the rationales behind them retribution rehabilitation and deterrence reflect changes in society culture and values Reaching beyond the typical focus on prisons and incarceration to extralegal lynchings and vigilante operations and the treatment of the poor and the mentally challenged this remarkable review also explores the impact of stricter laws on pedophiles and drug offenders and the effect of three strikes legislation and truth in sentencing This thought provoking work will help readers understand the conflicting roles that punishment has played in delivering justice and promoting rehabilitation      *Cases and Materials on the Law of Sentencing, Corrections, and Prisoners' Rights* Lynn S. Branham, Sheldon Krantz, 1997      **Community-based Corrections** Paul F. Cromwell, Rolando V. Del Carmen, Leanne Fiftal Alarid, 2005 This best selling text focuses on forms of correctional punishments and treatment programs that are based in the community for convicted offenders Although some offenders need to be incarcerated in prison for public safety reasons this text argues that the vast majority of offenders can be effectively supervised in the community using a wide array of programs that meet the level of risk and needs that each individual poses Programs that are discussed include probation parole electronic monitoring house arrest day treatment centers bootcamps restitution and fines With a balanced approach this text reflects a strong emphasis on practical and legal matters related to alternatives to prison and jail This Sixth Edition features a new five part organization a line by line update a new citation style APA and a wide array of ancillaries      *Resolved, that the Federal Government Should Substantially Change Rules And/or Statutes Governing Criminal Procedure in Federal Courts in One Or More of the Following Areas* George Walser, 1994      *Police-corrections Partnerships* Dale G. Parent, Brad Snyder, 1999 Collaborative efforts between police and corrections personnel are gaining steam as we move toward the new millenium This report examines this trend in criminal justice and provides a look at initial elements jurisdictions should consider when moving toward this kind of partnership The principle of this partnership is to join valuable resources and share important crime fighting information so goals common to each agency can be achieved The report uses case studies of current applications throughout the USA to examine the advantages and difficulties encountered in implementing such partnerships For example this exchange of information between police and corrections allow police officers to be better prepared in detecting violation of parolees      **Controversial Issues in Criminology** John R. Fuller, Eric W. Hickey, 1999 Should prostitution be legalized Are stalking laws effective Is medical treatment a useful way to deal with criminal offenders Are restorative justice processes too lenient toward offenders These are some of the most hotly debated questions in the field of criminology often sparking discomfort and anger among those who wish to know more about

these issues Now Controversial Issues in Criminology attempts to provide factual information and a much needed forum for discussion utilizing a unique debate format to discuss controversial issues in the field of criminology KEY TOPICS Topics addressed in this book were chosen with a conscious effort to include those that are the most controversial The contributing authors each solicited because of their expertise in this area come from a variety of backgrounds academic disciplines and perspectives In addition to such hot topics as prostitution stalking and the rehabilitation of criminals the book also covers issues such as the supersizing of murder government research on terrorism stricter law enforcement for techno crimes and the role of community corrections Law enforcement officers corrections officers educators students of law enforcement and anyone interested in issues of criminal justice and the correctional process *Journal of Contemporary Criminal Justice*, 1993 *Minnesota Law Review*, 2015-05 *Corrections in America* Harry E. Allen, Clifford E. Simonsen, 1995 Contains review questions statistical tables graphs Criminal Justice Newsletter, 1993 Probation, Parole, and Community Corrections Dean J. Champion, 1999 Appropriate for Probation and Parole course at the sophomore junior undergraduate level Suggesting that all components of the criminal and juvenile justice systems are interrelated to varying degrees this thorough study describes the objectives of probation and parole for criminally convicted adults and juveniles and whether these objectives are achieved Helping students deepen their understanding of these philosophies through an examination of the history of parole and probation in the United States it describes probation and parole programs considers various classes of offenders and highlights several problems associated with the selection and training of probation and parole officers including their relationships with offender clients It remains the only major text of its kind to combine the standard topics in probation and parole with full coverage of recent trends in community corrections Exceptionally well organized it emphasizes a legalistic approach noting key legal cases where appropriate and including our most recent U S Supreme Court decisions
