Reclaiming Our Lives After Breast And Gynecologic Cancer:

Reclaiming Our Lives After Breast and Gynecologic Cancer Kristine L. Falco, 1998 Written by a clinician who specializes in medical psychology and who herself has had breast cancer twice this is an unusually aware and supportive book that recognizes and addresses cancer's assault on one's senses of self femininity and womanhood It speaks with equal resonance to women with or worried about cancer and to those who love them as well as to the professionals in mental physical and spiritual health who work with them Kristine Falco leavens the hard parts with her unshakable assurance that the experience of cancer can lead to a choiceful redecided life based on new and amended definitions of womanhood and humanness She shares her understanding of the physiology of gynecologic and breast cancers and knowledgeably confronts the differential challenges of surviving both the diagnosis and the treatments The Praeger Handbook on Women's Cancers Michele A. Paludi, 2014-05-28 Written by experts in psycho oncology this book synthesizes the findings of the latest research on women's cancers to empower women to make informed choices about treatment options Each year hundreds of thousands of women are diagnosed with cancer in the United States alone The total number affected is larger still comprising siblings parents partners and children of these women In this single volume work an international team of experts address the physical medical and psychological matters that are triggered by a diagnosis of having a form of women's cancer breast cervical endometrial gestational ovarian uterine vaginal and vulvar being some of the more common The handbook examines and explains each type of women's cancer covering the specifics of incidence diagnosis treatment options and more providing an up to date guide for women and their families to assist in making informed choices about their treatment options The book includes personal accounts from women who survived cancers and beat their emotional challenges addresses myths versus realities regarding women's cancers and covers relevant related topics such as race sexual orientation religion and cancer coping Special attention is given to the impact of women's cancers on relationships intimacy and body image as well as psychological factors such as anxiety depression and fear Handbook of Counseling Women Mary Kopala, Merle A. Keitel, 2003 This volume of Handbook of Counseling Women brings together in one place the historical context and current theories of research on and the issues involved in the practice of counselling women Topics covered include the development during adulthood balancing work and family pregnancy childbirth and postpartum and women in intimate relationships

Intimacy After Breast Cancer Gina M. Maisano, 2012-04-23 Congratulations You survived breast cancer This should be a time to celebrate so why do you feel so empty and alone Medical professionals prepare you for surgery and other treatments but do not always address your emotional and sexual health In Intimacy After Breast Cancer breast cancer survivor Gina Maisano honestly discusses the sensitive issues of self esteem body image and sexuality to help you become the total woman you still are Part One begins by examining the emotions experienced by breast cancer survivors including anxiety and fear of recurrence It then offers guidance on regaining the confidence to start living again The mental and
