Reclamations Of Shakespeare Dqr Studies:

Reclamations of Shakespeare A. J. Hoenselaars, 1994 **Shakespeare's Late Plays** Jennifer Richards, 2019-08-07 This new collection reflects a resurgence of interest in Shakespeare's plays performed between 1608 and 1613: Pericles, Cymbeline, The Winter's Tale, The Tempest, All is True, Henry VIII, The Two Noble Kinsmen, and Cardenio. It offers a broad range of new historicist approaches touching upon key topics in current Shakespearean studies such as kinship relations, manliness, magic, medico-politics, nationalism, rhetoric, schism, sexuality, and staging conventions. The plays are explored both individually and within generic, thematic, and chronological groups. Each author combines new research with their experience of teaching the plays, offering innovative approaches to some well-known works as well as encouraging readers to explore less familiar dramas such as Pericles, Cymbeline, All is True, and The Two Noble Kinsmen. The volume is unusual in its coverage of the lost late play Cardenio and considers its significance for our conception of the lateness of these plays. This book will fill a large gap in the market for a broad-ranging critical introduction to this important and increasingly popular area in Shakespeare's work and is suitable as a textbook for undergraduate, graduate, and more general readers. **Novel Shakespeares** Julie Sanders, 2001 Much recent contemporary fiction by women has appropriated and adapted themes and plot structures found in Shakespearean drama. This is an innovative study of these texts. It considers novels by authors set in locations covering the globe. **Disguise on the Early Modern English Stage** Professor Peter Hyland, 2013-05-28 Disguise devices figure in many early modern English plays, and an examination of them clearly affords an important reflection on the growth of early theatre as well as on important aspects of the developing nation. In this study, Peter Hyland considers a range of practical issues related to the performance of disguise. He goes on to examine various conceptual issues that provide a background to theatrical disguise: the relation of self and other, the meaning of mask and performance. He looks at many disguise plays under three broad headings. He considers moral issues, the almost universal association of disguise with evil, social issues, sumptuary legislation, clothing, and the theatre, and constructions of class, gender, and national or racial identity, and aesthetic issues, disguise as an emblem of theatre, and the significance of disguise for the dramatic artist. The study serves to examine the significant ways in which disguise devices have been used in early modern drama in England.

Early Modern Drama and the Eastern European Elsewhere Monica Matei-Chesnoiu, 2009 This study explores how Eastern European spaces and meanings are constituted in specific cultural contexts in early modern English drama. Focusing on the ways in which these texts integrate the articulation of Eastern European space and geography into a variety of interpretative conventions, the book develops ways of thinking critically and reflexively about the production of knowledge and identity in Shakespeare and his contemporaries through representations of space in drama. **Shakespeare's Drama of Exile** J. Kingsley-Smith, 2003-11-05 Exile defines the Shakespearean canon from *The Two Gentlemen of Verona* to *The Two Noble Kinsmen*. This book traces the influences on the drama of exile, examining the legal context of banishment pursued

against Catholics gypsies and vagabonds in early modern England the self consciousness of exile as an amatory trope and the discourses by which exile could be reshaped into comedy or tragedy Across genres Shakespeare's plays reveal a fascination with exile as the source of linguistic crisis shaped by the utterance of that word Banished Shakespeare's Visual Theatre Frederick Kiefer, 2003-09-25 In this study of Shakespeare's visual culture Frederick Kiefer looks at the personified characters created by Shakespeare in his plays his walking talking abstractions These include Rumour in 2 Henry IV Time in The Winter's Tale Spring and Winter in Love's Labour's Lost Revenge in Titus Andronicus and the deities in the late plays All these personae take physical form on the stage the actors performing the roles wear distinctive attire and carry appropriate props The book seeks to reconstruct the appearance of Shakespeare's personified characters to explain the symbolism of their costumes and props and to assess the significance of these symbolic characters for the plays in which they appear To accomplish this reconstruction Kiefer brings together a wealth of visual and literary evidence including engravings woodcuts paintings drawings tapestries emblems civic pageants masques poetry and plays The book contains over forty illustrations of personified characters in Shakespeare's time Shakespeare on screen : Macbeth Sarah HATCHUEL, Nathalie VIENNE-GUERRIN, Victoria BLADEN, 2013-12-20 This addition to the Shakespeare on Screen series reveals the remarkable presence of Macbeth in the global Shakespearean screenscape What is it about Macbeth that is capable of extending beyond Scottish contexts and speaking globally locally and globally Does the extensive adaptive reframing of Macbeth suggest the paradoxical irrelevance of the original play After examining the evident topic of the supernatural elements the witches and the ghost in the films the essays move from a revisitation of the well known American screen versions to an analysis of more recent Anglophone productions and to world cinema Asia France South Africa India Japan etc Questions of lineage and progeny are broached then extended into the wider issues of gender Finally ballet remediations filmic appropriations citations and mises en abyme of Macbeth are examined and the book ends with an analysis of a Macbeth script that never reached the screen Ce nouvel ouvrage de la série Shakespeare l'écran révèle la présence remarquable de Macbeth dans le paysage filmique shakespearien l'échelle mondiale Comment expliquer qu'une pièce dont l'intrigue est ancrée dans une nation l'écossais ait pu être absorbée par des cultures aussi diverses Les multiples adaptations de Macbeth suggèrent elles de manière paradoxale une moindre pertinence de la pièce originelle Après avoir exploré la représentation des éléments surnaturels les sorcières et le fantôme le volume revisite les films américains canoniques les productions anglophones plus récentes et les versions d'autres aires culturelles Asie France Afrique du Sud Inde Japon etc Les questions de lignée et de descendance sont abordées puis prolongées dans des articles sur la représentation du genre Les versions dans lesquelles les appropriations les citations et les mises en abyme de Macbeth sont ensuite analysées et ce parcours mène un étrange objet un scénario non film **A Companion to Shakespeare's Works, Volume IV** Richard Dutton, Jean E. Howard, 2003-06-02 This text on Shakespeare's problem plays poems and late plays contains essays on Troilus and Cressida Measure for Measure and All's Well That Ends

Well In addition it includes 12 essays on his poetry one of the topics being the reception history of the sonnets **The Opera and Shakespeare** Holger Klein, Christopher Norman Smith, 1994 A collection of essays by international Shakespeare scholars Cahiers Élisabéthains ,1995 tudes sur la pr renaissance et la renaissance anglaises *Shakespeare and Higher Education* Sharon A. Beehler, Holger Klein, 2002 This yearbook contains essays by international scholars which deal with the relationship of Shakespeare and higher education Topics include teaching Shakespeare in the multicultural classroom using performance pedagogy and teaching Shakespeare to foreign language students *Shakespeare Quarterly* ,1998 MLA International Bibliography of Books and Articles on the Modern Languages and Literatures ,1994 *Victorian Keats and Romantic Carlyle* ,2022-02-22 Both John Keats and Thomas Carlyle were born in 1795 but one rarely thinks of them together When one does curious speculations result It is difficult to think of Carlyle as a young Romantic or of Keats as a Victorian Sage but had Carlyle died prematurely and had Keats lived to a ripe old age we might now be considering a Romantic Carlyle and a Victorian Keats Such a juxtaposition leads one to consider the use and abuse the fusions and confusions of period terms in literary history and in criticism Does Carlyle represent Romanticism as typically as Keats Does Keats s work give us any cause to believe that he might have developed into a Victorian poet Do the terms Romanticism and Victorian have any useful literary historical and literary critical value What are the marks of the transition from one to the other Or is the existence of such a transition an illusion In this volume some essays consider aspects of Keats or of Carlyle independently or together or focus on contemporaries of one or other or of both and explore the effect of their literary and ideological relationships and the often indefinable sense that we all have of different styles manners and periods as well as the awareness that we might all be equally deceived about such distinctive boundaries and definitions *Cruauté et amitié d'après Montaigne et Shakespeare* Jean-François Chappuit, 2001 **Shakespeare-Jahrbuch** ,1995 *Whitaker's Books in Print* ,1998

Literatur in Wissenschaft und Unterricht Paul Gerhard Buchloh, 1994 *James S. Coleman African Studies Center Newsletter* ,1996
