Confession Patrick W. Carey,2018-09-05 Confession is a history of penance as a virtue and a sacrament in the United States from about 1634 when Catholicism arrived in Maryland to 2015 fifty years after the major theological and disciplinary changes initiated by the Second Vatican Council Patrick W Carey argues that the Catholic theology and practice of penance so much opposed by the inheritors of the Protestant Reformation kept alive the biblical penitential language in the United States at least until the mid 1960s when Catholic penitential discipline changed During the nineteenth and early twentieth centuries American Catholics created institutions that emphasized in opposition to Protestant culture confession to a priest as the normal and almost exclusive means of obtaining forgiveness Preaching teaching catechesis and parish revival type missions stressed sacramental confession and the practice became a widespread routine in American Catholic life After the Second Vatican Council the practice of sacramental confession declined suddenly The post Vatican II history of penance influenced by the Council s reforms and by changing American moral and cultural values reveals a major shift in penitential theology moving from an emphasis on confession to emphasis on reconciliation Catholics make up about a quarter of the American population and thus changes in the practice of penance had an impact on the wider society In the fifty years since the Council penitential language has been overshadowed increasingly by the language of conflict and controversy In today s social and political climate Confession may help Americans understand how far their society has departed from the penitential language of the earlier American tradition and consider the advantages and disadvantages of such a departure

Communion helping priests catechists and religious educators to discover how today's children might fit into this sacred narrative Treating practical matters of all types Guide for Celebrating First Communion will walk readers through everything from the sublime meaning of Communion in the Catholic Church to the ordinary concerns of photography And of course the dress

**Christian-Muslim Dialogue In Northern Nigeria** Thaddeus Byimui Umaru, 2013-08 Religion as a powerful impulse in human existence plays a paradoxical role in society as it both contributes significantly in shaping the spiritual socio political and economic lives of millions of people and also acts as a source of conflict The sad experience of interreligious conflict in Northern Nigeria challenges the claim of Islam and Christianity to be religions of peace However understood as closely intertwined with culture and custom of a people religion can be central in the establishment of peace and conflict resolution in and between communities This text using the model of dialogue Nostra Aetate explores and presents the socio political and theological resources available in Northern Nigeria the locality for a consistent peace building process

**Probation and the Policing of the Private Sphere in Britain, 1907-1962** Louise Settle, 2021-12-16 In 1907 the Probation of Offenders Act introduced a system which allowed offenders to be rehabilitated at home under supervision rather than being sent to prison This book explores how the probation system was used to regulate the private lives emotions and behaviours of people in Britain between 1907 and 1962 Access to the private sphere both physically and psychologically meant that the probation system was particularly well suited to offences related to intimate and personal relations With each chapter focusing on a particular type of offence including wife assault attempted suicide male sexual offences and female prostitution Settle shows how experiences of the probationers were shaped by the everyday practices of probation and assesses the extent to which probation was successful in rehabilitating offenders and protecting the public Also examining the role of probation officers in marriage reconciliation the book explores how ideas about gender and domesticity were crucial to both the process of rehabilitation and the endeavour to make the home a safe environment in which these domestic ideals could come into fruition Probation and Policing of the Private Sphere in Britain enriches our understanding of the role of the state in policing monitoring and promoting the well being of its citizens and explores the nuances of probation's dual purpose as a form of social control as well as a social work service designed to help the most vulnerable in society
