Reconstructing The State Personal Networks And Elite Identity In Soviet Russia

Timothy J. Colton, Stephen Holmes

Reconstructing The State Personal Networks And Elite Identity In Soviet Russia:

Reconstructing the State Gerald Easter, 2000-01-13 Using archival sources this book presents an explanation for the rise and subsequent collapse of the Soviet state Reconstructing the State Gerald Easter (Politologe), 2000 **Clientelism and Nationality in an Early Soviet Fiefdom** Timothy Blauvelt, 2021-05-30 Based on extensive original research this book tells the astonishing story of early Soviet Abkhazia and of its leader the charismatic Bolshevik revolutionary Nestor Lakoba A tiny republic on the Black Sea coast of the USSR Abkhazia became a vacation retreat for Party leaders and a major producer of tobacco Nestor Lakoba became the unquestioned boss of Abkhazia constructing a powerful local ethnic machine that became an influential component of Soviet patronage politics provoking along the way accusations of nepotism corruption blood feuds embezzlement racketeering and extrajudicial murder on a scale that shocked even hardened Communist Party investigators Lakoba and his group faced a series of trials investigatory commissions and tribunals over allegations of malfeasance yet they were repeatedly able to convince their powerful patrons of their irreplaceability until at last they were destroyed through a public show trial during the peak of the Stalinist Terror Through the prism of tiny Abkhazia this book provides invaluable insights into the nature of the early Soviet system and the governance of Soviet national republics

Rethinking the Russian Revolution as Historical Divide Matthias Neumann, Andy Willimott, 2017-11-22 The Russian Revolution of 1917 has often been presented as a complete break with the past with everything which had gone before swept away and all aspects of politics economy and society reformed and made new Recently however historians have increasingly come to question this view discovering that Tsarist Russia was much more entangled in the processes of modernisation and that the new regime contained much more continuity than has previously been acknowledged This book presents new research findings on a range of different aspects of Russian society both showing how there was much change before 1917 and much continuity afterwards and also going beyond this to show that the new Soviet regime established in the 1920s with its vision of the New Soviet Person was in fact based on a complicated mixture of new Soviet thinking and ideas developed before 1917 by a variety of non Bolshevik movements *Russia* Neil Robinson, 2003-09-02 Over the last hundred years Russia has undergone a succession of failed projects of state construction from Tzarist modernisation to Soviet state socialism to liberal democratic market capitalism This new book introduces these vastly different projects and explains their failure in order to illuminate the common problems of balancing social and economic transformation with political stability that Russia's rulers have faced during the twentieth century *Russia A State of Uncertainty* traces Russia's complex historical development in the last century as well as its recent political troubles and economic misfortunes and its place in the contemporary international system Providing up to date information on Russian political developments including the elections of 1999 and 2000 Robinson assesses the chances of future projects of political and economic reconstruction Written in a clear and accessible way this book will be an invaluable text for students learning about Russia for the first time as well

as anyone interested in the state and history of Russia *Stalin* Kevin McDermott,2006-01-23 Stalin s massive impact on Soviet history is often explained in terms of his inherent evil personality defects and power lust While not rejecting these notions Kevin McDermott argues that Stalin s thoughts and actions are best contextualised in the inter relationship between war and revolution in the first half of the twentieth century The author presents the case for taking the Soviet dictator seriously as a Marxist revolutionary whose fundamental beliefs and modus operandi were forged in the cauldron of civil and international wars ideologically driven class wars and revolutionary upheavals associated with the age of catastrophe 1914 45 Only by so doing can the complex motivations for such cataclysmic events as the Great Terror be adequately addressed Incorporating recently declassified materials from the former Soviet Party archives this new appraisal of Stalin also provides a critical review of the latest western and Russian historiography It is essential reading for anyone studying the debates on one of the leading figures of Soviet history *Soviet Karelia* Nick Baron,2012-10-12 In 1920 Lenin authorised a plan to transform Karelia a Russian territory adjacent to Finland into a showcase Soviet autonomous region to show what could be achieved by socialist nationalities policy and economic planning and to encourage other countries to follow this example However Stalin s accession to power brought a change of policy towards the periphery the encouragement of local autonomy which had been a key part of Karelia s model development was reversed the state border was sealed to the outside world and large parts of the republic s territory were given over to Gulag labour camps controlled by the NKVD the precursor of the KGB This book traces the evolution of Soviet Karelia in the early Soviet period discussing amongst other things how political relations between Moscow and the regional leadership changed over time the nature of its spatial economic and demographic development and the origins of the massive repressions launched in 1937 against the local population **State-Building in Kazakhstan** Dina Sharipova,2018-07-05 This book challenges the conventional wisdom that informal institutions networks clientelism and connections have to disappear in modern societies due to liberalization of the economy rapid urbanization and industrialization The case of Kazakhstan shows that informal reciprocal institutions continue to play an important role in people s everyday lives Liberalization of the economy and state retrenchment from the social sphere decreased the provision of public goods and social support to the population in the post independence period Limited access to state benefits has in turn stimulated people s engagement in informal reciprocal relations The author investigates informal channels and mechanisms people use to gain access to quality public goods education housing and healthcare Comparing the Soviet and post Soviet periods the author shows that people are more likely to rely on family networks and clientelist relations rather than on help from the state to obtain scarce resources The book provides an important contribution to the literature on informal institutions and explains the relationship between a formal welfare state and informal reciprocity Russian Politics from Lenin to Putin S. Fortescue,2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and post Soviet Russian politics Those themes include the personal versus the institutional in the political process

legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow s architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

Stalinism Alter L. Litvin, John L. H. Keep, 2005 This volume the fruit of co operation between a British and Russian historian seeks to review comparatively the progress made in recent years largely thanks to the opening of the Russian archives in enlarging our understanding of Stalin and Putin's Russia Stephen K. Wegren, 2018-11-16 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis of contemporary Russia Leading scholars explore the daunting domestic and international problems Russia confronts considering a comprehensive array of economic political foreign policy and social issues Putin s approach for dealing with his country s challenges emphasizes recentralization of power and a strong state He has returned to power for a fourth term amidst unresolved policy issues both domestically and from the international community Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia **The Palgrave Handbook of Political Elites** Heinrich Best, John Higley, 2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field s richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam s landmark *Comparative Study of Political Elites* this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses Putin s attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin s federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region s territorial extent and its resources institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin s regime It shows how regional governors responded not by attempting to deflect the reforms with outright

resistance but by mimicking Putin's centralisation of power at the regional level. In turn this facilitated the homogenisation of regional political regimes and regional mergers. The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues.

The Return of Ideology

Cheng Chen, 2016-07-06 As Russia and China leave communism behind they struggle to forge a new political ideology for a new era.

Stalinist Society Mark Edele, 2011-02-17 Stalinist Society offers a fresh analytical overview of the complex social formation ruled over by Stalin and his henchmen from the late 1920s to the early 1950s. Drawing on declassified archival materials, interviews with former Soviet citizens, old and new memoirs and personal diaries as well as the best of sixty years of scholarship, this book offers a non-reductionist account of social upheaval and social cohesion in a society marred by violence. Combining the perspectives from above and from below, the book integrates recent writing on everyday life, culture and entertainment, ideology and politics, terror and welfare, consumption and economics. Utilizing the latest archival research on the evolution of Soviet society during and after World War II, this study also integrates the entire history of Stalinism from the late 1920s to the dictator's death in 1953. Breaking radically with current scholarly consensus, Mark Edele shows that it was not ideology, terror or state control which held this society together, but the harsh realities of making a living in a chaotic economy which the rulers claimed to plan and control but which in fact they could only manage haphazardly.

The State After Communism Timothy J. Colton, Stephen Holmes, 2006 The Soviet dictatorship was a strong state committed to dominating and transforming society in the name of a utopian ideology. When the communist regime crumbled and the post-Soviet countries committed to democracy, most observers took for granted that their state structures would be effective agents of the popular will. Russia's experience demonstrates that this assumption was overly optimistic. This book, based on a major collaborative research project with American and Russian scholars, shows that state capacity, strength and coherence were highly problematic after communism, which had major consequences for particular functions of government and for the entire process of regime change. Eleven respected contributors examine governance in post-Soviet Russia in comparative context, investigating the roots, characteristics and consequences of the crisis as a whole and its manifestations in the specific realms of tax collection, statistics, federalism, social policy, regulation of the banks, currency exchange, energy policy and parliamentary oversight of the bureaucracy.

Economies of Favour After Socialism David Henig, Nicolette Makovsky, 2017 A volume on the economics of favours and how they function as socially efficacious actions in post-socialist regions including central-eastern and south-eastern Europe, the former Soviet Union, Mongolia and post-Maoist China.

Russia and the Russians Geoffrey A. Hosking, 2001 Chronicles the history of the Russian Empire from the Mongol Invasion through the Bolshevik Revolution to the aftereffects of the Cold War.

Elections and Democracy after Communism? E. Herron, 2009-05-25 This book uses elections as a vehicle to explain the unanticipated outcomes of post-Soviet politics. It assesses how the behavior of voters, candidates and government officials is influenced by the Soviet legacy.

and rational calculations of self interest and is the first to address elections across post Soviet space The Policy-Making Process and Social Learning in Russia Marina Khmel'nitskaya, 2016-04-29 Centering its study around three explanatory variables actors institutions and ideas this book argues that Russia's hybrid institutional environment reduces the competition of policy ideas both at the stage of policy elaboration by the community of state and non state policy experts and also at the stage of policy adoption by parliament

Thank you unconditionally much for downloading **Reconstructing The State Personal Networks And Elite Identity In Soviet Russia**. Most likely you have knowledge that, people have look numerous period for their favorite books in the manner of this Reconstructing The State Personal Networks And Elite Identity In Soviet Russia, but end in the works in harmful downloads.

Reconstructing The State Personal Networks And Elite Identity In Soviet Russia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reconstructing The State Personal Networks And Elite Identity In Soviet Russia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books

can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reconstructing The State Personal Networks And Elite Identity In Soviet Russia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reconstructing The State Personal Networks And Elite Identity In Soviet Russia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reconstructing The State Personal Networks And Elite Identity In Soviet Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reconstructing The State Personal Networks And Elite Identity In Soviet Russia is one of the best book in our library for free trial. We provide copy of Reconstructing The State Personal Networks And Elite Identity In Soviet Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reconstructing The State Personal Networks And Elite Identity In Soviet Russia. Where to download Reconstructing The State Personal Networks And Elite Identity In Soviet Russia online for free? Are you looking for Reconstructing The State Personal Networks And Elite Identity In Soviet Russia PDF? This is definitely going to save you time and cash in something you should think about.
