The Reconstruction in Europe After World War II Carlo Maria Olmo,1993 Gale Researcher Guide for: Reconstruction after World War II John Matthew Barlow,2018-09-28 Gale Researcher Guide for Reconstruction after World War II is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research *Trauma, Experience and Narrative in Europe after World War II* Ville Kivimäki,Peter Leese,2021-12-03 This book promotes a historically and culturally sensitive understanding of trauma during and after World War II Focusing especially on Eastern and Central Europe its contributors take a fresh look at the experiences of violence and loss in 1939-45 and their long term effects in different cultures and societies The chapters analyze traumatic experiences among soldiers and civilians alike and expand the study of traumatic violence beyond psychiatric discourses and treatments While acknowledging the problems of applying a present day medical concept to the past this book makes a case for a cultural social and historical study of trauma Moving the focus of historical trauma studies from World War I to World War II and from Western Europe to the east it breaks new ground and helps to explain the troublesome politics of memory and trauma in post 1945 Europe all the way to the present day This book is an outcome of a workshop project Historical Trauma Studies funded by the Joint Committee for the Nordic Research Councils in the Humanities and Social Sciences NOS HS in 2018-20 Chapters 4, 5 and 6 are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) *Jewish Displaced Persons in Italy 1943-1951* Chiara Renzo,2023-08-04 This book focuses on the experiences of thousands of Jewish displaced persons (DPs) who lived in refugee camps in Italy between the liberation of the southern regions in 1943 and the early 1950s waiting for their resettlement outside of Europe It explores the Jewish DPs daily life in the refugee camps and what this experience of displacement meant to them This book sheds light on the dilemmas the Jewish DPs faced when reconstructing their lives in the refugee camps after the Holocaust and how this challenging process was deeply influenced by their interaction with the humanitarian and political actors involved in their rescue rehabilitation and resettlement Relating to the peculiar context of post fascist Italy and the broader picture of the postwar refugee crisis this book reveals overlooked aspects that contributed to the making of an incredibly diverse and lively community in transit able to elaborate new paradigms of home belonging and family **Rebuilding Europe's Bombed Cities** Jeffry M. Diefendorf,2015-12-30 An exploration of Europe's urban reconstruction after World War II this volume contains 12 essays based on new research which examine the significant architectural continuities in pre war and post war building They highlight the unusual character of rebuilding in several case studies **Industrial Policy in Europe after 1945** C. Grabas,A. Nützenadel,2014-03-31 Bringing together renowned scholars in the field with younger researchers this interdisciplinary study of the history of post war industrial policy in Europe investigates transfers across borders and locates industrial policy in the context of the Cold

War from a global perspective Splitting Europe Jens Stilhoff Sørensen, 2022-02-04 Europe today is deeply divided Thirty years after the end of the Cold War and the celebratory moment when the wall came down we are faced with a new Cold War Russia Western relations are arguably more dangerous than ever since the Cuban missile crisis Diplomatic relations are frozen sanctions installed the old arms control treaties abandoned and new nuclear weapons and carriers developed EU Europe itself is divided It is not just Brexit marking the first real break away from the Union but also clashes within From the yellow vests clashes with police in the heart of Paris to so called populist movements on the rise in the periphery and across the continent The Visegrad countries Hungary Poland Slovakia Czech Republic are regularly at odds with the EU core Brussels and the France Germany axis to a degree where the idea of sanctions is invoked The Western security framework and NATO itself appears to break down with Turkey the NATO member with the organisations second largest military numerically now purchasing Russian weapon systems and seeking strategic relations in Eurasia How did it come to this and what happened with the post Cold War dream And what has happened to the post world war visions of European integration and security order What are the critical processes and events that have led us unto this path This book aims to address and explore these historical problems The Judgment of the Nuremberg Trials: A Re-Examination Pasquale De

Marco, 2025-07-15 This groundbreaking book offers a comprehensive analysis of the Nuremberg Trials a pivotal moment in history that reshaped international law and justice Through meticulous research and analysis the author provides a deep understanding of the trials significance and their lasting impact on the world stage Within the pages of this book readers will delve into the intricate details of the trials witnessing the unfolding drama of justice as prosecutors and defense attorneys presented their cases The author delves into the historical context that led to the trials exploring the rise of Nazism and the atrocities committed during World War II The Nuremberg Trials were not just a quest for justice they were a testament to the resilience of the human spirit a beacon of hope in a world scarred by unspeakable suffering The trials served as a stark reminder of the fragility of peace and the urgent need for mechanisms to prevent future atrocities As the trials progressed the world watched with bated breath witnessing the unveiling of horrors that surpassed imagination The testimonies of survivors the meticulous presentation of evidence and the impassioned pleas of prosecutors and defense attorneys painted a vivid picture of the horrors that had transpired This book offers a comprehensive examination of the Nuremberg Trials exploring their legal historical and ethical implications It is an essential read for anyone seeking a deeper understanding of this pivotal moment in history and its enduring legacy If you like this book write a review **Europe's Postwar Recovery**

Barry Eichengreen, 1995-12-07 Western Europe's recovery from World War II was nothing short of miraculous From the chaos of the war and the crisis of 1947 Europe moved directly to the most rapid quarter century of economic growth in her history The contributors to this volume seek to identify the sources of this singularly successful recovery That all European countries shared in the miracle suggests that its roots may lie at the international level The chapters therefore focus on the

role played by international institutions the International Monetary Fund the World Bank the European Coal and Steel Community the European Payments Union the General Agreement on Tariffs and Trade and weigh the relative importance of domestic and international factors in Europe's postwar recovery This book will be of interest to students of modern European history and to economists interested in economic growth European economic integration and reform of the Bretton Woods institutions

Assessing and Restoring Natural Resources In Post-Conflict Peacebuilding David Jensen, Stephen Lonergan, 2013-02-15 When a country emerges from violent conflict the management of the environment and natural resources has important implications for short term peacebuilding and long term stability particularly if natural resources were a factor in the conflict play a major role in the national economy or broadly support livelihoods Only recently however have the assessment harnessing and restoration of the natural resource base become essential components of postconflict peacebuilding This book by thirty five authors examines the experiences of more than twenty countries and territories in assessing post conflict environmental damage and natural resource degradation and their implications for human health livelihoods and security The book also illustrates how an understanding of both the risks and opportunities associated with natural resources can help decision makers manage natural resources in ways that create jobs sustain livelihoods and contribute to economic recovery and reconciliation without creating new grievances or significant environmental degradation Finally the book offers lessons from the remediation of environmental hot spots restoration of damaged ecosystems and reconstruction of the environmental services and infrastructure necessary for a sustainable peace Assessing and Restoring Natural Resources in Post Conflict Peacebuilding is part of a global initiative to identify and analyze lessons in post conflict peacebuilding and natural resource management The project has generated six books of case studies and analyses with contributions by practitioners policy makers and researchers Other books address highvalue resources land water livelihoods and governance

A Modern History of European Cities Rosemary Wakeman, 2020-01-23 Rosemary Wakeman s original survey text comprehensively explores modern European urban history from 1815 to the present day It provides a journey to cities and towns across the continent in search of the patterns of development that have shaped the urban landscape as indelibly European The focus is on the built environment the social and cultural transformations that mark the patterns of continuity and change and the transition to modern urban society Including over 60 images that serve to illuminate the analysis the book examines whether there is a European city and if so what are its characteristics Wakeman offers an interdisciplinary approach that incorporates concepts from cultural and postcolonial studies as well as urban geography and provides full coverage of urban society not only in western Europe but also in eastern and southern Europe using various cities and city types to inform the discussion The book provides detailed coverage of the often neglected urbanization post 1945 which allows us to more clearly understand the modernizing arc Europe has followed over the last two centuries

The Czech And Slovak Republics Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak

Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

Conflict and Post-Conflict Governance in the Middle East and Africa Moosa A. Elayah, Laurent A. Lambert, 2023-03-12 This book explores the challenges of the governance and public policy in the midst and after conflicts revolutions and civil wars in the Middle East and Africa As anywhere else the task of rebuilding peace and institutionalizing stability in countries experiencing a conflict or just emerging from it is daunting uncertain and context specific Yet focusing on the Middle East and Africa is of particular relevance as these two regions feature the highest numbers of inter and intra state conflicts on the one hand and the central states are more often contested than in the rest of world regions The first half of the book proposes different cases addressing the fundamental challenge of inclusion and cohesion as well as the recurring issue of exclusion in conflict affected situations with four different cultural and institutional settings The second half of the book offers more theoretical insights and proposed pathways to develop more inclusive and peaceful governance settings in Africa the Middle East and beyond This edited book has been designed to be a helpful contribution to the analysis of conflict and post conflict governance and peacebuilding To do so it deploys different lenses of social sciences especially public policy and international relations but also benefits from social psychology political anthropology and other disciplines that enable a more comprehensive understanding of the multifaceted complex and dynamic issues at play

Transnationalism and the German City J. Diefendorf, J. Ward, 2014-04-24 Too often scholars treat transnationalism as a conflict in which the local regional and national give way to globalized identity As these varied studies of German cities show though the urban environment is actually a site of trans localism that is not merely oppositional but that adapts itself dialectically to the forces of globalization

Rebuilding Britain's Blitzed Cities Catherine Flinn, 2018-12-27 Many British cities were devastated by bombing during the Second World War and faced stark economic dilemmas concerning reconstruction planning and implementation after 1945 How did politicians civil servants and local authorities manage to produce the cities we live in today Rebuilding Britain's Blitzed Cities examines the underlying processes and pressures especially financial and bureaucratic which shaped postwar urbanism in Britain Catherine Flinn integrates architectural planning with in depth economic and political analyses of Britain's blitzed cities for the first time She examines early reconstruction arrangements the postwar economic apparatus and the challenges of postwar physical planning across the country while providing insightful case studies from the cities of Hull Exeter and Liverpool By addressing the ideology versus the reality of reconstruction in postwar Britain Rebuilding Britain's Blitzed Cities highlights the importance of economic and political factors for understanding the British postwar built environment
