ancestors immigrate from where did they leave why did they leave and how did they get here These are questions we all hope
to find the answers This book is designed to give the researcher the tools needed to research their Polish ancestors and find
possible answers to the origins of their Polish heritage The author Stephen Szabados uses his own genealogical experience to
outline a simple process that will identify where your ancestors were born and where to find their Polish records The book
lists many sources of information that will add to your family history identify where your ancestors were born and where to
find their Polish records Traditional sources are covered but it also discusses many new and exciting sources for Polish
records that have been implemented by genealogy societies in Poland The book includes many sample documents and tips
that should prove useful for both the beginner and the veteran genealogist The information in this book covers the most up to
date collection of sources for Polish genealogy and should prove to be invaluable when doing Polish research **Microsoft**
