 Auratorsthose who can read peoples auras She meets Max who mentors her as she is swiftly thrust into membership within a  
 secret historical medical society originating back to ancient Greece and her world quickly wobbles between reality and the  
 supernatural driving her to the brink of insanity In discovering her powerful bloodline she also learns the prophecy marking  
 her to protect the world from the Caduceus an equally ancient society intent on world destruction Conflicted between her  
 professional oath to do no harm and her prophesied calling to protect the innocent Megan cannot deny an inherent and  
 swiftly growing urge to do the unimaginable Barely juggling her new Aurator life work and family Megan tries to confide in  
 her rock solid husband only to discover that he too has secrets of his own leaving Megan to question if her marriage and  
 family will ever be the same This fast paced drama will leave readers begging the question what next      **Journey to Victory**

D.J. Meyer, 2010-09-16 Journey to Victory is a uniquely compiled story as it incorporates the author's education and experience along with learned facts together in this compelling piece of literature. Journey to Victory opens when the main character Naomi makes her way to the store where her best friend Sandy is a cashier. Naomi collapses and is rushed to the emergency room of the local hospital to determine the cause. In the confusion, no one close to Naomi is told up front what is already known, and an important clue goes unnoticed for some time. Joshua Cantor, Naomi's boyfriend, has been planning a day to remember which would be complete when Naomi agrees to become his fiancée. His plans go awry when he is told to come to the hospital quickly for Naomi wants only to talk to him. After pushing through a barrage of questions and staff-enforced barriers, Josh finds Naomi in a sea of white with cords and tubes protruding out from Naomi and from under the covers. Josh slowly begins to put the pieces together when Naomi demands the privacy to talk to him alone. Each person in this drama carries unique qualities and characteristics which help to define who they are individually. Naomi, for example, is normally a sweet, joyful person who tilts her head when waiting for answers and is often bothered with and by her hair. However, you will be surprised at her bold, don't ask attitude when she is under stress or fearful. You will get to KNOW each person well as you read further and further into the story line. There are several strong threads that weave this 16-chapter story into its beautiful masterpiece. First, it displays the many intense emotional, mental, physical, and spiritual highs and lows that any person who faces crisis will move through. I use the experiences from personal trauma, loss, and other life-altering events, as well as the concepts I learned from a book I once read during my years of formal education. It taught of the 5 stages of grief I too went through: the stages of denial, anger, bargaining, depression, and finally acceptance. This will weave an emotional corridor toward Naomi's healing. The story proceeds to blossom as Josh and Sandy, as well as some others, stand side by side with her in realizations, meditations, and encounters, and often the distractions, plummets, and spiritual charges that flood her stormy life into victory. These people could not take away Naomi's pain, sleepless nights, and memories. However, they could sit with her, walk beside her, and support her. They would let her know, beyond the shadow of doubt, that she is not alone and she is well-loved. Best of all, it reflects what TRUE, unaltered, agape love is when her boyfriend never gives up, never fades away, and never calls it quits. Secondly, the reader will sense their own immediate presence with Naomi as she sits in the police station waiting to identify the criminal. Booklovers will shiver when they suddenly feel the same sensations that Naomi experiences in the sanctuary of an empty church. To those who are walking through their own valley, you may adopt some of Naomi's questions, realizations, and meditations along the way. Naomi will fill each heart with the pain of fear, the joys of the momentary relief, and the sadness of setback. Often the reader will feel as though they are right there taking each step toward victory. Next, I have interlaced the truths found in the Holy Word of God within every occasion in the pages of this gripping story. The truth that God is in control. The realization that NO ONE is too bad or lost to receive the saving grace of God. And equally important, the steps to salvation are found carefully placed within the chapters. While this Christian fiction

drama holds the attention of those who walk with Jesus Christ it compels everyone to contemplate the gospel found within You will meet Stacy whom Naomi disciples She cares for someone else      **The Silent Loss** Cindy Kludt Spock, 2008-05 In every soul there is a story to be told and for me poetry is my way of expressing my feelings my ambitions and my outlook on life and all of its so-called mysteries There can be no better way to express one's emotions I believe except through poetry This then is my life long feelings and experiences brought forth in prose      Running With Dillinger Edward Butts, 2008-02-12 This book picks up where The Desperate Ones Canada's Forgotten Outlaws left off Here are more remarkable true stories about Canadian crimes and criminals most of them tales that have been buried for years The stories begin in colonial Newfoundland with robbery and murder committed by the notorious Power Gang As readers travel across the country and through time they will meet the last two men to be hanged in Prince Edward Island smugglers who made Lake Champlain a battleground a counterfeiter whose bills were so good they fooled even bank managers and teenage girls who committed murder in their escape from jail They will meet the bandits who plundered banks and trains in Eastern Canada and the West and even the United States Among them were Sam Behan a robber whose harrowing testimony about the brutal conditions in the Kingston Penitentiary may have brought about his untimely death in The Hole and John Red Hamilton the Canadian born member of the legendary Dillinger gang
