Position of Power Warren Mcfadden, 2023-12-07 1 Stop begging and pleading and being needy Because it's not going to do any good The more you beg and plead and do all that nice shit and jump through all these monkey ass hoops for this person It only makes you look stupid And needy and desperate because they don't care They are not there They checked out the relationship a long time ago and are looking for your replacement The best thing for you to do now is to give up and stop trying That's the first thing you can do to start regaining your power back stop all that silly ass shit 2 Become independent Show your ex that you can live life without them and you will regain your power back because this is how it works The more you don't need that person the more that person wants you It's backwards its nature it is set up that way The more you don't want something the more you get it Kind of like rich people they get richer because they are already rich they are not working for money But what I'm trying to tell you is this when you don't need them and you are self reliant and you are

independent and you don't need them for absolutely nothing they'll want you. This will work in your business or job whatever area of your life. When you don't need it there it is. Really this is how you operate from a position of power always remember people want what they can't have.

Delivered from a Hot Mess 2too Heather Marie, 2018-10-08 Hey This is me Heather Marie sharing the mistakes I've made in my life. The ups and the downs the laughter and the frowns. This is my second edition of my memoirs. When you read the first you too will see how far God has brought me. I'm not where I want to be but I'm on my way and having a personal relationship with God always saves the day. Everyone needs to get to know God for themselves and not for anyone else. We came in this world by ourselves and we're leaving the same way. Why not get closer to the One who created you today. With God by your side there's nothing you can't do. Put God first and He'll show you. I'm no prophet evangelist or preacher but if you want to give me a title I'll be a teacher. And my class is Building your relationship with God 101. If reading my struggles brings anyone closer to our Creator I will do cartwheels and jump for joy sooner than later. I can't thank you enough for taking the time out of your busy day to read what I have to say. Blessings coming your way.
