on and bust loose **The Journey to Your Ultimate Self** Rabbi Shmuel Reichman, 2022-01-17 Everyone will agree that a story needs an ending unless a story goes somewhere it's pointless. The purpose of a set up is to lead toward a conclusion toward a destination. A story without an ending without a purpose is not a story worth telling. The same is true for our lives: we need a destination. We are all part of a larger story but we're also writing our own individual stories. Hashem created us in this world with unlimited potential but that was only the set up, the beginning of our story. Without a purposeful destination, a clear goal and a deeper understanding of who we are and who we are meant to be, the set up lacks true meaning. We need to make this a meaningful journey, a story of growth, creativity, and contribution. This book is written to help you along your personal journey to help you become the ultimate version of yourself. As you learn through this sefer, plant the ideas within your mind and soul and bring them to life. Make your life a meaningful journey, an extraordinary story. **Taking the Face Off** G. Allen Grootboom, 2012-02-03 One of the challenges man faces is to be who they are at all times. In this challenge, man is continuously involved in processes of change because of life impacts. These impacts allow man to evolve towards becoming a better person. In striving to become better human beings, man plays out roles. But what role is man playing? How did it come that you are playing that particular role? Who are you? In the search of the SELF, you unknowingly and knowingly wear a mask. As you evolve, these masks become who you are. The real self gradually becomes so hidden behind these masks that you are unable to find the true self. It is at this point that you have to learn how to take your face off to unmask. The journey through this book is about that journey back to the self and complete life's circle. **Grow Thyself** Haseeb T Hasan, 2025-02-27 GROW THYSELF Comes with a personalized AI Coach.
