Red Grooms and the Heroism of Modern Life Red Grooms,Joyce Henri Robinson,1998-01-01 Red Grooms is a cross between Marcel Duchamp and P T Barnum Working in a brash freewheeling style Grooms has explored the raucous spectacle of life around him since his career began in the 1950s This catalogue which accompanied an exhibition of the same name at the Palmer Museum of Art brings together forty of his works to demonstrate that even his most whimsical creations have serious implications Many of the mixed media constructions in *Red Grooms and the Heroism of Modern Life* reflect upon America s love affair with sports business and celebrity The mixture of parody and homage in Grooms s portraits of such stars as Pablo Picasso and Fats Domino charges all his depictions of American popular culture from bulky football players and haggard shoppers to a brightly colored Ferris wheel In her essay for this catalogue Joyce Henri Robinson contends that Grooms should be should be considered a contemporary counterpart to Charles Baudelaire s Parisian flaneur Much like this famed character she observes Grooms approaches the world around him as a spectacle filled with novel forms of heroism In this regard the key work in the catalogue is an installation centered upon a full scale version of a New York City bus Grooms s *Bus* tempers revelation of the gritty realities of urban life with humor and flashes of poetry **New York Magazine**

The Human Comedy Isabelle Dervaux,2002 **Red Grooms** Bartholomew F. Bland,2008 Red Grooms dazzling installation was created as a working gift shop for the Hudson River Museum in 1979 After extensive conservation this beloved Westchester landmark has been reinstalled in its own gallery The Bookstore incorporates many of the themes that run through Grooms best work the marriage of art and commerce the clash of high and low colorful New York characters and an inviting three dimensional space that envelops and transports the viewer The Bookstore deftly joins two favorite haunts of New York City booklover the lively oldest secondhand bookshop in NYC the Isaac Mendoza Book Company and the Pierpont Morgan Library into a work of art In terms of materials The Bookstore was one of a limited number of

pieces in which Grooms incorporated vinyl figures The figures are painted from the inside a technique inspired by medieval glass painting techniques and then are stuffed and sewn Tens of thousands of visitors passed through The Bookstore and embraced by its environment it inevitably began to suffer ravages caused by its popularity Plans were developed to restore the work and Grooms enthusiastically approved the conservation efforts and changes which include altering the position of the two entrances to fit new gallery space the creation of a central island that incorporated the original vinyl patrons and the design of a painted floor Grooms remains cautious of making too many changes to a piece that reflects a vision of New York in the 1970s already passing into history An artist can overwork a thing you can ruin the delicacy of a past moment very easily I think it s better to keep it like it was primitive in that way
