## **Red Highway:**

*Red Highway* Loren D. Estleman, 2016-05-17 During the Great Depression a ruthless killer breaks out of prison to reclaim his status as Public Enemy Number One in this chilling action packed novel Before Dillinger before Bonnie and Clyde there was Virgil Ballard the most ruthless killer the United States has ever seen Ballard gets his start in the early 1920s hijacking liquor trucks and selling the bootlegged hooch He has a youthful face and the eyes of a killer and it isn't long before he baptizes himself in another man's blood The state gives him a life sentence but no jail can hold Ballard When he busts out of prison he knows he has a date with death but how many coppers can he take out along the way Inspired by the author's love of 1930s gangster movies Loren D Estleman's debut thriller surges with the narrative energy and crackling dialogue that would become hallmarks of his numerous acclaimed and award winning hard boiled crime novels **The Red Highway**

Rose Aguilar, 2016-01-08 Tired of speaking to like minded people San Francisco blogger and radio journalist Rose Aguilar quit her job bought a Toyota van picked up her boyfriend and took off on a six month road trip through southern and mountain states There she interviewed a wide array of people who rarely if ever appear in the national media They include a former Republican evangelical pastor who now preaches inclusion in Tulsa anti war pro choice and green Republicans and a Montana hunter planning to leave his job as a conservationist to fight for gay rights This political travelogue challenges stereotypes and goes far beyond the sound bites and statistics to reveal what red state voters really care about and what they expect from their political leaders As Aguilar writes in the first chapter We breathe the same air we live under the same political system we've probably seen the same television and news shows and most of us grew up going to public schools yet because we might vote differently once every four years we find ourselves stereotyped in the national media and separated by red and blue borders *Red Highways* is a riveting examination of what matters most in the heartland what makes it tick and what issues get its citizens to vote **Blue Bug, Red Road** Gaines
