## Red Horses:

**Zechariah's Hope Paperback** David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool **Colloquial Panjabi** Mangat Rai Bhardwaj,2013-05-13 Colloquial Panjabi is easy to use and completely clearer Specially written by experienced teachers for self study or class use the course offers you a step by step approach to written and spoken Panjabi No prior knowledge of the language is required What makes Colloquial Panjabi your best choice in personal language learning interactive lots of dialogues and exercises for regular practice clear concise grammar notes practical useful vocabulary and pronunciation guide complete including answer key and special reference section By the end of this rewarding course you will be able to communicate confidently and effectively in a broad range of situations Minor Prophets, Volume 2 James E. Smith, Ph.D.,2019-03-02 Introductions to the Old Testament books of Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi are followed by verse by verse comments on the text *El Islam está en la Profecía Bíblica* Leslie Dutcher,2024-06-10 Este libro explica cómo el Islam ha sido identificado en la profecía Bíblica Se explica el simbolismo profético en los libros de Daniel y Apocalipsis incluyendo el verdadero significado de los cuatro jinetes El significado de los símbolos se entiende ahora porque estamos viviendo en el tiempo del fin Daniel 12 9 Y él dijo Anda Daniel por tu camino porque las palabras están cerradas y selladas hasta el tiempo del fin NKJV Tommy C. SEAY,2009-11-01 **Sacred Books of the East** F. Max Muller,2001-10-26 This is a subset of the Sacred Books of the East Series which includes translations of all the most important works of the seven non Christian religions which have exercised a profound influence on the civilizations of the continent of Asia **Apocalypse Explained** Emanuel Swedenborg,2013-11-19 This writing was left unpublished at Swedenborg's death although it had apparently been carefully prepared for publication Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture Not only is every phrase in the Apocalypse as far as covered separately explained but thousands of passages gathered from all parts of the Word are quoted and expounded These expositions close with the tenth verse of the nineteenth chapter Towards the end extended doctrinal discussions are introduced Both for its exposition of passages of Scripture and for its doctrinal statements this is an exceedingly important and valuable work It is especially instructive in its expositions of the Psalms the Prophets and the Gospels **The Holy**
