Hart, Book Creations Inc, 1994 When an outlaw gang led by the renegade Comanche Red Moon kidnaps the 19 year old daughter of Lieutenant Whitcomb Sam Cody and his fellow Rangers pursue the outlaws into the Badlands of West Texas Another strong adventure in an exciting series of the Texas Rangers filled with action and the color of the Old West

Apache Moon Bren Yarbrough Bruhn, 2014-06-04 New Mexico in the 1700 s is a dangerous place Warring tribes of Native Americans struggle to keep their homeland which is fast becoming the domain of Spanish invaders En route to the home of her betrothed Magdalena Lena de Marquez finds her trepidation of marriage to a childhood friend she barely remembers should be far from her greatest fear Just miles from her destination her traveling party is attacked leaving Lena and an infant child the only survivors of the brutal massacre Fearing death or worse little does she know that her journey into the bitter heart of her enemies has just begun

Red Moon Rising K. A. Holt, 2017-02-21 When space farmer Rae is kidnapped by the native inhabitants of her moon she is trained to become a warrior But can she attack her own people

The Red Moon Kuwana Haulsey, 2002-01-29 The moon was red on the night my mother died Fat fairly bursting as I remember it rode so low in the sky that it grazed the backs of the leopards who hissed and spat and cursed it for interrupting the hunt It caressed the thorny tips of the acacia trees bending them seeming to crush them with light In The Red Moon newcomer Kuwana Haulsey has crafted a strikingly beautiful coming of age story set amid the turbulent history of modern Kenya The novel centers on Nasarian the daughter of a successful Samburu herdsman and his Somali fourth wife On the verge of adulthood Nasarian finds herself trapped between the demands of her traditional tribal life and her desire to live abroad as a writer When her parents die suddenly Nasarian s plan to escape her sheltered world is undermined by her scornful brother Lolorok Disgusted by Nasarian s refusal to be circumcised and thus initiated into the traditional role of wife and mother Lolorok allows his sister to be inherited by a distant cousin Nasarian is convinced that no matter how hard she fights she will never be allowed to call her life her own She is dogged by the memory of her father who was caught in the midst of a brutal war branded with the name Mau Mau imprisoned as a terrorist She is haunted by the spirit of her mother captured in a bloody raid and destined like Nasarian to be an outcast Nasarian runs away sparking a sweeping journey of discovery that evokes fifty years and three generations of her family history Weaving ancient myth and folklore into the tapestry of Nasarian s personal quest The Red Moon chronicles the yearning of a brave young woman while simultaneously depicting a nation s equally fierce search for a truthful and lasting spiritual independence Stunning in its revelations The Red Moon portrays incisively a way of life rarely glimpsed by those who have not experienced its richness and survived its terror With an intensity rare in modern fiction The Red Moon takes readers into the heart of an incredibly courageous young woman

Red Moon David Michaels, Brenton Daniel, 2007-09 July 13 1969 Three days before Apollo 11 lifts off from Cape Canaveral the Soviet Union launches Luna 15 a rocket carrying the lunar lander Firebird They later claim it was a failed

robotic probe concealing a final attempt at beating America in the moon race and sealing the fate of its lone occupant Grigor Belinsky a cosmonaut blackmailed into flying the one way mission July 2019 A multinational mission lands on the moon s Sea of Crises American astronaut Janet Luckman leads a team in search of the Mother Lode lunar ice laced with Helium 3 a desperately needed energy source The future of humanity rides on Luckman s success Luckman discovers the Firebird and recovers its flight log but the body of its mystery cosmonaut Belinsky is missing Facing a 51 hour deadline the dangerous lunar environment and a traitorous crew member bent on murder she struggles to find the Mother Lode and uncover Belinsky s fate A firestorm erupts on Earth as both American and Russian authorities attempt to hide the truth about Firebird As renowned scientist Milo Jefferson investigates the Firebird mystery in Moscow he finds himself in a hall of mirrors created by the sinister genius leading Russia s new Tsarist government Mikhail Rabikoff Rabikoff knows that the revelation of Belinsky s fate could topple his regime and will risk the fate of humanity in his attempt to elude Jefferson s inquiries and destroy the truth

Kraft tells this story drawing on the words and actions of those who participated in the events at this critical time The history that culminated in the end of a lifeway begins with the arrival of Algonquin speaking peoples in North America proceeds through the emergence of the Cheyennes and Arapahos on the Central Plains and ends with the incursion of white people seeking land and gold Beginning in the earliest days of the Southern Cheyennes Kraft brings the voices of the past to bear on the events leading to the brutal murder of people and its disastrous aftermath Through their testimony and their deeds as reported by contemporaries major and supporting players give us a broad and nuanced view of the discovery of gold on Cheyenne and Arapaho land in the 1850s followed by the land theft condoned by the U S government The peace treaties and perfidy the unfolding massacre and the investigations that followed the devastating end of the Indians already circumscribed freedom all are revealed through the eyes of government officials newspapers and the military Cheyennes and Arapahos who sought peace with or who fought Anglo Americans whites and Indians who intermarried and their offspring and whites who dared to question what they considered heinous actions As instructive as it is harrowing the history recounted here lives on in the telling along with a way of life destroyed in all but cultural memory To that memory this book gives eloquent resonating voice *School of the Moon* Stuart McHardy,2020-03-12

Behind the tales of cateran raiding in the Scottish Highlands was an age old practice beloved of the clan warriors Trained in the ways of the School of the Moon they liked little better than raiding other clans to lift their cattle and disappear into the wild mountains under the cover of darkness If pursued and battle became necessary that was no problem to the clansmen This traditional practice of the Scottish Highland warriors originating at least as far back as the Iron Age has left us many grand stories apocryphal and historical Through investigating these stories Stuart McHardy came across material some of it as yet unpublished which leads to a startling new interpretation of what was going on in the Scottish Highlands in the years after Culloden The British government called it cattle thieving but the men who returned to the ways of the School of the Moon were the last Jacobites fighting on in a doomed guerrilla campaign against an army that had a garrison in every glen and town in Scotland **Orphan's Triumph**
