January Moon Jerome A. Greene,2020-04-16 Historian Jerome A Greene is renowned for his memorable chronicles of egregious events involving American Indians and the U S military including Sand Creek Washita and Wounded Knee Now in January Moon Greene draws from extensive research and fieldwork to explore a signal and appallingly brutal event in American history the desperate flight of Chief Dull Knife s Northern Cheyenne Indians from imprisonment at Fort Robinson Nebraska In the wake of the Great Sioux War of 1876 77 the U S government expelled most Northern Cheyennes from their northern plains homeland to Indian Territory in present day Oklahoma Following mounting hardships many of those people under Chiefs Dull Knife and Little Wolf broke away seeking to return north While Little Wolf s band managed initially to elude pursuing U S troops Dull Knife s people were captured in 1878 and ushered into a makeshift barrack prison at Camp later Fort Robinson where they spent months waiting for government officials to decide their fate It is here that Greene s riveting narrative edges toward its climax On the night of January 9 1879 in a bloody struggle with troops Dull Knife s people staged a massive breakout from their barrack prison in a last ditch bid for freedom Greene paints a vivid picture of their frantic escape which took place under an unusually brilliant moon that doomed many of those fleeing by silhouetting them against the snow A climactic engagement at Antelope Creek proved especially devastating and the helpless people were nearly annihilated In gripping detail Greene follows the survivors dreadful experiences into their aftermath including creation of the Northern Cheyenne Reservation Carrying the story to the present day he describes Cheyenne tribal events commemorating the breakout all designed to ensure that the injustices of nineteenth century U S government policy will never be forgotten
