The Red Pony John Steinbeck, 1939-02-01 Raised on a ranch in northern California Jody is well schooled in the hard work and demands of a rancher's life He is used to the way of horses too but nothing has prepared him for the special connection he will forge with Gabilan the hot tempered pony his father gives him With Billy Buck the hired hand Jody tends and trains his horse restlessly anticipating the moment he will sit high upon Gabilan's saddle But when Gabilan falls ill Jody discovers there are still lessons he must learn about the ways of nature and particularly the ways of man **John Steinbeck's "The Red Pony". The Moral Maturation of the Boy Jody** Ole Wagner, 2007-06-06 Seminar paper from the year 2005 in the subject English Language and Literature Studies Literature grade 1.0 University of Heidelberg language English abstract This essay will take a closer look on how the events of the stories change Jody's worldly and ethical knowledge This will be done story by story for Steinbeck uses a very subtle technique here the changes that take place in Jody because of the events of one story are always clearly visible in the one that follows Although it has to be kept in mind that the Red Pony stories are short stories that can stand alone this technique makes the cycle of stories resemble a novel with loosely connected chapters
