Red Arrow:

The Red Arrow William Brewer, 2022-05-17 When a once promising young writer agrees to ghostwrite a famous physicist's memoir his livelihood is already in jeopardy Plagued by debt he's grown distant from his wife and is haunted by an overwhelming sense of dread he describes as The Mist Then things get worse The physicist vanishes leaving everything in limbo including our narrator's sanity Among the most accurate and insightful depictions of depression I've ever read Los Angeles Times Brewer's earnest description of psilocybin therapy turns a bravura comic novel into something deeper and stranger an account of unexpected hard won joy Vogue In an attempt to rid himself of The Mist the young writer undergoes an experimental psychedelic treatment and finds his world completely transformed Joy suffuses every moment For the first time he understands himself in a larger universal context and feels his life shift refract and crack open to reveal his past and future alike Moving swiftly from a chemical spill in West Virginia to Silicon Valley from a Brooklyn art studio to a high speed train racing across the Italian countryside The Red Arrow wades into the shadowy depths of the human psyche only to emerge as if speeding through a mile long tunnel into a world that is so bright and wondrous it almost feels completely new

Red Arrow Books. [A Series of Novels.]. RED ARROW BOOKS., 1949 [More Good News about Red Arrow](#) Red Arrow Mines, Inc, 1934 *Gynecological Imaging* Jean Noel Buy, Michel Ghossain, 2013-07-03 This book provides a detailed guide to the use and interpretation of color Doppler ultrasound CT and MR imaging in patients with gynecological disorders The advantages and limitations of each modality in imaging different pathologies are clearly presented and advice is provided on the most appropriate option when ultrasound does not permit a definite diagnosis or fails to determine the precise extension of a lesion Throughout emphasis is placed on the importance of microscopic and macroscopic findings for a full understanding of the radiological appearances and relevant points from the basic sciences are also highlighted Special attention is paid to issues of differential diagnosis and imaging results that are characteristic of a particular type of lesion The authors are recognized experts in the field who draw upon their considerable experience to provide an up to date reference book highly relevant to everyday clinical practice **Big Brown** Greg Niemann, 2010-12-08 Although its brown vans are on every block and its delivery service reaches more than 200 countries UPS is among the world's most underestimated and misunderstood companies For the first time a UPS lifer tells the behind the scenes story of how a small messenger service became a business giant Big Brown reveals the remarkable 100 year history of UPS and the life of its founder Jim Casey one of the greatest unknown capitalists of the twentieth century Casey pursued a Spartan business philosophy that emphasized military discipline drab uniforms and reliability over flash a model that is still reflected in UPS culture today Big Brown examines all the seeming paradoxes about UPS from its traditional management style and strict policies coupled with high employee loyalty and strong labor relations from its historical anti marketing bias why brown to its sterling brand loyalty and reputation for quality [Running the Rails](#) James Wolfinger, 2016-05-12 Philadelphia exploded in

violence in 1910 The general strike that year was a notable point but not a unique one in a generations long history of conflict between the workers and management at one of the nation s largest privately owned transit systems In *Running the Rails* James Wolfinger uses the history of Philadelphia s sprawling public transportation system to explore how labor relations shifted from the 1880s to the 1960s As transit workers adapted to fast paced technological innovation to keep the city s people and commerce on the move management sought to limit its employees rights Raw violence welfare capitalism race baiting and smear campaigns against unions were among the strategies managers used to control the company s labor force and enhance corporate profits often at the expense of the workers and the city s well being Public service workers and their unions come under frequent attack for being a special interest or a hindrance to the smooth functioning of society This book offers readers a different historically grounded way of thinking about the people who keep their cities running Working in public transit is a difficult job now as it was a century ago The benefits and decent wages Philadelphia public transit workers secured advances that were hard won and well deserved came as a result of fighting for decades against their exploitation Given capital s great power in American society and management s enduring quest to control its workforce it is remarkable to see how much Philadelphia s transit workers achieved
