Red Badge Of Courage And Other Writings:

The Red Badge of Courage and Other Writings Stephen Crane, 1960 The Red Badge of Courage and Other Stories Stephen Crane, 1998-09-10 The Red Badge of Courage 1895 is a vivid psychological account of a young man's experience of fighting in the American Civil War based on Crane's reading of popular descriptions of battle. The intensity of its narrative and its naturalistic power earned Crane instant success and led to his spending most of his brief remaining life war reporting. The other stories collected in this volume draw on this experience. The Open Boat 1898 was inspired by his fifty-hour struggle with waves after his ship was sunk during an expedition to Cuba. The Monster 1899 is a bitterly ironic commentary on the ostracization of a doctor for harbouring the servant who was disfigured and lost his sanity rescuing his son. As a rare example of Crane working in a vein of American Gothic it is particularly striking for its treatment of race and social injustice. The Blue Hotel traces the events that lead to a murder at a bar in a small Nebraska town. This edition is the most generously annotated edition of Crane's work exploring it from a fresh critical perspective and focusing on his place as an experimental writer, his modernist legacy and his social as well as literary revisionism.

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study and much more.

The Red Badge of Courage Stephen Crane, 2002 In the spring of 1863 as he faces battle for the first time at Chancellorsville, Virginia, a young Union soldier matures to manhood and finds peace of mind as he comes to grips with his conflicting emotions about war.

The Red Badge of Courage Stephen Crane, 1993 The Red Badge of Courage was published in 1895 when its author, an impoverished writer living a bohemian life in New York, was only twenty-three. It immediately became a bestseller and Stephen Crane became famous. Crane set out to create a psychological portrayal of fear. Henry Fleming, a Union Army volunteer in the Civil War, thinks that perhaps in a battle he might run. As far as war was concerned, he knew nothing of himself. And he does run in his first battle, full of fear and then remorse. He encounters a grotesquely rotting corpse propped against a tree and a column of wounded men, one of whom is a friend who dies horribly in front of him. Fleming receives his own red badge when a fellow soldier hits him in the head with a gun. The idea of falling like heroes on ceremonial battlefields is gone forever. Shelby Foote, author of *The Civil War*, The Modern Library has played a significant role in American cultural life for the better part of a century. The series was founded in 1917 by the publishers Boni and Liveright and eight years later acquired by Bennett Cerf and Donald Klopfer. It provided the foundation for their next publishing venture, Random House. The Modern Library has been a staple of the American book trade, providing readers with affordable hardbound editions of important works of literature and thought. For the Modern Library's seventy-fifth anniversary, Random House redesigned the series, restoring as its emblem the running torch bearer.

created by Lucian Bernhard in 1925 and refurbishing jackets bindings and type as well as inaugurating a new program of selecting titles The Modern Library continues to provide the world's best books at the best prices

The Red Badge of Courage: Large Print Stephen Crane, 2018-08-05 The Red Badge of Courage Stephen Crane Following the experiences of 19 year old Henry Fleming a recruit in the American Civil War the story is about the meaning of courage One of the most influential American anti war stories ever written We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The Red Badge of Courage Stephen Crane, 2020-07-07 We are delighted to publish this classic book as part of our extensive classic literature collection This book is a reproduction of an important historical work Unlike some other reproductions of classic texts We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos Also in books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy We use state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Red Badge of Courage is considered one of the most influential works in American literature The novel a depiction on the cruelty of the American Civil War features a young recruit who overcomes initial fears to become a hero on the battlefield The book made Crane an international success Although he was born after the war and had not at the time experienced battle firsthand the novel is considered an example of Realism

At War with The Red Badge of Courage Kevin J. Hayes, 2021 The story of the critical reception of Crane's great Civil War novel from its publication to the present with particular attention to the effects of later wars on that reception

Ebk Red Badge of Courage and Selected S Stephen Crane, Richard Fusco, 2009-06-01 The Red Badge of Courage and Selected Short Fiction by Stephen Crane is part of the Barnes some include illustrations of historical interest Barnes Noble Classics pulls together a constellation of influences biographical historical and literary to enrich each reader's understanding of these enduring works Young Henry Fleming

dreams of finding glory and honor as a Union soldier in the American Civil War Yet he also harbors a hidden fear about how he may react when the horror and bloodshed of battle begin Fighting the enemy without and the terror within Fleming must prove himself and find his own meaning of valor Unbelievable as it may seem Stephen Crane had never been a member of any army nor had taken part in any battle when he wrote *The Red Badge of Courage* But upon its publication in 1895 when Crane was only twenty four *Red Badge* was heralded as a new kind of war novel marked by astonishing insight into the true psychology of men under fire Along with the seminal short stories included in this volume *The Open Boat* *The Veteran* and *The Men in the Storm* *The Red Badge of Courage* unleashed Crane's deeply influential impressionistic style Richard Fusco has been an Assistant Professor of English at Saint Joseph's University in Philadelphia since 1997 A specialist in nineteenth century American literature and in short story narrative theory he has published on a variety of American British and Continental literary figures *The Red Badge of Courage and Selected Short Fiction* Stephen Crane, 2003 *The Red Badge of Courage and Selected Short Fiction* by Stephen Crane is part of the Barnes some include illustrations of historical interest Barnes Noble Classics pulls together a constellation of influences biographical historical and literary to enrich each reader's understanding of these enduring works Young Henry Fleming dreams of finding glory and honor as a Union soldier in the American Civil War Yet he also harbors a hidden fear about how he may react when the horror and bloodshed of battle begin Fighting the enemy without and the terror within Fleming must prove himself and find his own meaning of valor Unbelievable as it may seem Stephen Crane had never been a member of any army nor had taken part in any battle when he wrote *The Red Badge of Courage* But upon its publication in 1895 when Crane was only twenty four *Red Badge* was heralded as a new kind of war novel marked by astonishing insight into the true psychology of men under fire Along with the seminal short stories included in this volume *The Open Boat* *The Veteran* and *The Men in the Storm* *The Red Badge of Courage* unleashed Crane's deeply influential impressionistic style Richard Fusco has been an Assistant Professor of English at Saint Joseph's University in Philadelphia since 1997 A specialist in nineteenth century American literature and in short story narrative theory he has published on a variety of American British and Continental literary figures *The Virtues of the Vicious* Keith Gandal, 1997-10-23 In this compelling work Keith Gandal reveals how the slum in nineteenth century America long a topic for sober moral analysis became in the 1890s an unprecedented source of spectacle captured in novels newspapers documentary accounts and photographs Reflecting a change in the middle class vision of the poor the slum no longer drew attention simply as a problem of social conditions and vice but emerged as a subject for aesthetic ethnographic and psychological description From this period dates the fascination with the colorful alternative customs and ethics of slum residents and an emphasis on nurturing their self esteem Middle class portrayals of slum life as strange and dangerous formed part of a broad turn of the century quest for masculinity Gandal argues a response to a sentimental Victorian respectability perceived as stifling These changes in middle class styles for representing the urban poor signalled a

transformation in middle class ethics and a reconception of subjectivity Developing a broad cultural context for the 1890s interest in the poor Gandal also offers close groundbreaking analysis of two of the period s crucial texts Looking at Jacob Riis s *How the Other Half Lives* 1890 Gandal documents how Riis s use of ethnographic and psychological details challenged traditional moralist accounts and helped to invent a spectacular style of documentation that still frames our approach as well as our solutions to urban problems Stephen Crane s *Maggie A Girl of the Streets* 1893 pushed ethnographic and psychological analysis even farther representing a human interiority centered around self image as opposed to character and exploring not only different customs but a radically different ethics in New York s Bowery what we would call today a culture of poverty Gandal meanwhile demonstrates how both Riis s innovative touristic approach and Crane s bohemianism bespeak a romanticization of slum life and an emerging middle class unease with its own values and virility With framing discussion that relates slum representations of the 1890s to those of today and featuring a new account of the Progressive Era response to slum life *The Virtues of the Vicious* makes fresh provocative reading for Americanists and those interested in the 1890s issues of urban representation and reform and the history of New York City

The Red Badge of Courage (Warbler Classics Annotated Edition) Stephen Crane,2024-03-06 An instant international bestseller when first published in 1895 Stephen Crane s fictional narrative recounts one soldier s experiences during the American Civil War 1860 1865 *The Red Badge of Courage* is a psychological portrait of fear By turns gripping lyrical and deeply sensitive the book chronicles the repercussions of war on the individual and collective psyche Rather than describing battles and military campaigns or settling the true cause of this devastating conflict Crane brings to life the unimaginable for today s readers Written before Crane had become a celebrity war correspondent and seen battle firsthand the book set the standard for realistic war literature for a century to come This literary tour de force exposes the tragic irony of war as experienced by common soldiers rather than generals and bystanders Includes an afterword by Amy Kaplan and a detail biographical timeline

The Red Badge of Courage Stephen Crane,George Abbot James,2017-12-29 *The Red Badge of Courage* An episode of the American civil war is an unchanged high quality reprint of the original edition of 1895 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future

The Red Badge of Courage Illustrated Stephen Crane,2021-02-04

The Red Badge of Courage tells the story of Henry Fleming a young recruit who's gearing up for his first battle in the Union army. Over the next two days he flees, then returns, then fights, and by the end is raising the flag and leading his regiment in victory. On one level it's a traditional hero's journey that had been told for thousands of years. But that traditional arc is subverted throughout this story. Most of the action takes place in Henry's mind, so we see him in all of his flaws. He is hopelessly naive at the beginning of the book. At his first taste of battle, his cowardice causes him not only to flee but later to abandon an injured comrade. The fighting itself is presented as chaotic, with the characters and the reader generally in the dark about how the battle is progressing. Finally, the soldiers don't talk about grand causes or motivations for fighting like preserving the Union or ending slavery; they simply fight for each other.

[Reader's Guide to Literature in English](#) Mark Hawkins-Dady, 2012-12-06. Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo-Saxon times to the current American, British, and Commonwealth scene. It is designed to help students, teachers, and librarians choose the most appropriate books for research and study.

Determined Fictions Lee Clark Mitchell, 1989. Available for the first time in English, this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities. The large-scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Tokyo District Court stating that they had been forced into sexual servitude and demanding compensation. Since then, the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan, much inspired by Yoshimi's investigations. How large a role did the military and by extension the government play in setting up and administering these camps? What type of compensation, if any, are the victimized women due? These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war. Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2,000 centers where as many as 200,000 Korean, Filipina, Taiwanese, Indonesian, Burmese, Dutch, Australian, and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel. Many of the women were teenagers, some as young as fourteen. To date, the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women. This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator, placing the story in context for American readers.

Stephen Crane Jean Cazemajou, 1969. Surveys the life and literary career of the American author, focusing on his religious imagery, linguistic styles, and thematic innovations.
