Rapture River Robert Edward Smith,2024-11-08 Rapture River Robert Edward Smith's first novel tracks the relationship of two lovers who are as unpredictable as Michigan's weather Josh a Catholic priest and Joyce a Native American meet at St Peter The Fisherman Catholic Church on the banks of the Black River a premier brook trout stream for fly fishing Each embraces their own spiritual heritage but struggles with an inner sensual demon They must prove strong enough to bridge that spiritual gap and assuage his guilt and her anguish over their coupling Their relationship is facilitated by Josh's 89 year old fly fishing mentor Ted and his Labrador Retriever Molly The Black River is the mainstream in their story but the novel is not mainstream The River and wilderness are presented as seen through the eyes of Joyce and Josh whose emotional attachment to their environs pulls the reader into their quest The author describes the wrenching action they encounter with captivating prose as this example when they are in the middle of the river in their waders For a long time they were alone until startled by a swish and loud flapping A hawk angled down directly above and dove with its wings held tight piercing the water like an arrow and disappearing under the surface then bursting up in a gush of spray with a large trout hooked in its talons The trout thrashed about fiercely slapping the river with its tail splashing a shower of water The hawk twisting to shake off the droplets let out a shrill scream and hovered momentarily just above water pounding its drenched wings and rising the trout clamped in its black claws The novel slips into fantasy fable and the enchantment of nature A murder a gambling casino a mission church of serpent handlers and accidental oil spills steal into the story seamlessly The author deftly manipulates these genres He inserts the thoughts of his characters through italicized stream of consciousness paragraphs and introduces each by a black

silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true Rapture River is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times Tears of a Dragon Anna Clark,2020-02-12 In a world marked by an ancient never ending war two boys live very different lives Good hearted Oren Raevin with his mother dead and his father missing is an outcast in his village In contrast Syris Ulzary is the pride of his people although his heart is corrupted As tensions rise in their homes a talking bear named Ral appears to each one and spirits them away Where the bear plans to lead them however is far more dangerous than they could have anticipated Monsters demons and magical entities all block the way on the frightful path to their goal to find the Goddess of Origin the creator of the universe before Tora the God of Rage breaks free of his prison and destroys everything As Ral struggles to keep Oren and Syris alive the secrets surrounding them threaten to pull their fragile bond apart Events reveal both the lies and truths that have defined the boys lives and they find themselves questioning their own realities If this unlikely trio of heroes isn't strong enough to withstand the danger the journey could end them In this fantasy novel two boys join forces with a talking bear in an attempt to save their world from destruction at the hands of the God of Rage **Black Bear** Houghton Mifflin Company,1990-06 Discusses the black bear North America's smallest bear the research being done on it and our responsibility for ensuring its future **Multicultural Resources for Children** Margaret S. Nichols,Margaret N. O'Neill,1977
