Red Gaze:

Expressionism Norbert Wolf, Uta Grosenick, 2004 Expressionism is a style of art in which the intention is not to reproduce a subject accurately but instead to portray it in such a way as to express the inner state of the artist. The movement is also associated with Germany in particular and was influenced by such emotionally charged styles as Symbolism, Fauvism, and Cubism. Leading Expressionists included Wassily Kandinsky, George Grosz, Franz Marc, and Amadeo Modigliani. Red Sabrina Voerman, 2020-12-09 Red is a page-turning historical fantasy that invokes the fairy tale Little Red Riding Hood and the horror of the Brothers Grimm. The year is 1891, the place Bezidu Nou, Romania. For four hundred years, the townsfolk have been telling the tale of a wicked wolf, a beast created by evil that prowls the forest at the town's border, waiting to be summoned, waiting for a daughter to be sacrificed. Ever since she was a small child, Rose has suffered terrible abuse at the hands of her father and grandmother. She dreams of escape but doesn't know it's possible until she meets Alina and a coven of witches. With them, for the first time, she is loved and empowered, and when she discovers that she is going to be sacrificed to summon the Wolf rather than succumb to her fate, she wields it. Asserting the strength in sisterhood, the coven helps her fight the curse, and as they do, they uncover the twisted truth of who the Wolf really is. Disturbing, cleverly engaging, and dripping with mystery, Red breaks away from the binary of good versus evil. *Working Bullocks* Katharine Susannah Prichard, 1927 Red Jordan Summers, 2008-11-04 Gina Santiago is a member of an elite tactical team in charge of protecting the world. She's devoted her life to apprehending the most heinous criminals that prey on society, and now she's after the worst one yet. On her own, with no backup, the trail takes her to a dusty, tight-knit town on the fringes of society where everyone's a suspect. Even the sexy sheriff, Morgan Hunter, isn't telling her everything. Gina knows he's trouble, but she's inexorably drawn to him. The closer Gina comes to finding out the secret of this sleepy little town and its big bad sheriff, the closer she comes to catching the predator, the more scared she gets because she's beginning to realize that she has a secret too. A secret that will change Gina's life and make her the killer's prey. *High-Tech Trash* Carolyn L. Kane, 2019-12-17 A free ebook version of this title will be available through Luminos University of California Press Open Access publishing program for monographs. Visit www.luminosoa.org to learn more. High Tech Trash analyzes creative strategies in glitch, noise, and error to chart the development of an aesthetic paradigm rooted in failure. Carolyn L. Kane explores how technologically influenced creative practices, primarily from the second half of the twentieth and first quarter of the twenty-first centuries, critically offset a broader culture of pervasive risk and discontent. In so doing, she questions how we continue onward, striving to do better and acquire more, despite inevitable disappointment. High Tech Trash speaks to a paradox in contemporary society in which failure is disavowed yet necessary for technological innovation. **The Red Veld** Nicholas Rinh, 2018-11-27 With the Drowned Tower in shambles and its practitioners left to wander the foreign lands of Ferus Terria, Sylvie and Jack set out to learn more about the stone's history.
