Russia Kingdom Come A Novel:

Russia Kingdom Come Lynn R. Eliason, 1993 How Russia Learned to Talk Stephen Lovell, 2020-02-27 Russia in the late nineteenth century may have been an autocracy but it was far from silent In the 1860s new venues for public speech sprang up local and municipal assemblies the courtroom and universities and learned societies Theatre became more lively and vernacular while the Orthodox Church exhorted its priests to become better preachers Although the tsarist government attempted to restrain Russia's emerging orators the empire was entering an era of vigorous modern politics All the while the spoken word was amplified by the written the new institutions of the 1860s brought with them the adoption of stenography Russian political culture reached a new peak of intensity with the 1905 revolution and the creation of a parliament the State Duma whose debates were printed in the major newspapers Sometimes considered a failure as a legislative body the Duma was a formidable school of modern political rhetoric It was followed by the cacophonous freedom of 1917 when Aleksandr Kerensky dubbed Russia's persuader in chief emerged as Russia's leading orator only to see his charisma wane The Bolsheviks could boast charismatic orators of their own but after the October Revolution they also turned public speaking into a core ritual of Soviet democracy The Party's own gatherings remained vigorous if also sometimes vicious throughout the 1920s and here again the stenographer was in attendance to disseminate proceedings to a public of newspaper readers or Party functionaries *How Russia Learned to Talk* offers an entirely new perspective on Russian political culture showing that the era from Alexander II's Great Reforms to early Stalinism can usefully be seen as a single stenographic age All Russia's rulers whether tsars or Bolsheviks were grappling with the challenges and opportunities of mass politics and modern communications In the process they gave a new lease of life to the age old rhetorical technique of oratory **An**

Introduction to the Russian Novel Janko Lavrin, 2015-07-30 In this book first published in 1943 Janko Lavrin provides an overview of the development of the Russian novel by placing the great Russian novelists Tolstoy Dostoevsky Turgenev Gorky Gogol in relation to their native literature and their social political and cultural backgrounds *An Introduction to the Russian Novel* will appeal particularly to students of Russian literature and culture as well as those interested in the development of the novel in general **A Dictionary of Writers and their Works** Christopher Riches, Michael Cox, 2015-01-29 Over 3 200

entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication **The Bookman** , 1905 **Russia's Rome** Judith E.

Kalb, 2010-07-15 The first examination of Russia's self identification with Rome during a period that encompassed the

revolutions of 1905 and 1917 and the rise of the Soviet state *Novel and Short Story Writer's Market, 1995* Robin
 Gee,1994-12 119 Canadian Markets for writers publishing information magazines and small presses *Athenaeum and
 Literary Chronicle* ,1905 **The Athenaeum** ,1913 **The Family Novel in Russia and England, 1800-1880** Anna A.
 Berman,2022 An in depth comparative analysis of the family novel as it developed as a genre in Russia and England during
 the course of the nineteenth century Ministries of Compassion among Russian Evangelicals, 1905-1929 Mary
 Raber,2016-05-13 The present study fills a gap in the study of the evangelical movement in Russia by presenting a
 comprehensive picture of their compassionate ministry during their longest stretch of relative freedom before the 1980s
 Better known for their energetic preaching and literature work Russian evangelicals also gave attention to compassionate
 ministry although it was never extensive because of their marginal status They established assistance funds organized
 charitable institutions practiced urban rescue ministry participated in the Russian temperance movement and established
 economic communities Each area is distinct yet all were supported by the same set of theological convictions The Russian
 evangelicals were convinced that their witness should consist of good works as well as words and that the gospel had the
 power to undo human suffering While intentionally cultivating an attitude of concern for the needs of others they taught that
 compassion was the concern of all members of the community regardless of economic status or age In their publications
 evangelicals devoted a good deal of teaching to the proper Christian attitude toward money and giving They drew on Western
 models but also their indigenous sectarian roots **Saturday Review of Politics, Literature, Science and Art** ,1905
 The Saturday Review of Politics, Literature, Science and Art ,1905 **The Athenaeum** James Silk
 Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble
