Russia Under Yeltsin And Putin Neo Liberal Autocracy:

Russia Under Yeltsin and Putin Boris Kagarlitsky, 2002-01-20 Russia has undergone more seismic changes over the last 100 years than almost any other country The 1917 Revolution the rapid industrialisation of the 1930s the following devastation of the Second World War and the present return to Capitalism has seen the deep impoverishment of the entire population Kagarlitsky shows how to understand these changes and how to characterise the complex process of reform revolution and counter revolution Looking in detail at the nature of Russian society and politics since 1990 Kagarlitsky offers an introductory political analysis of the major political and economic developments that have taken place under President Yeltsin and the legacy he bequeathed so unexpectedly to his successor Putin He focuses on the role of the media in post Soviet Russia corporate structures and their influence on social conflict the formation of the oligarchy and the role of the left in modern Russia *Russia Under Yeltsin And Putin* Boris Kagarlitsky, 2002-01-20 Leading Marxist thinkers re evaluate Trotsky's key theories an ideal introduction for students **Market Civilizations** Quinn Slobodian, Dieter Plehwe, Esra Elif Nartok, Aditya Balasubramanian, Tobias Rupperecht, Isabella M. Weber, Antina von Schnitzler, Jeremy Walker, Paulo Chamon, Karin Fischer, Mila Jonjic, Nenad Pantelic, Lars Mjøset, Reto Hofmann, Jimmy Casas Klausen, 2022-05-24 A deep investigation of neoliberalism's proselytizers in Eastern Europe and the Global South Where does free market ideology come from Recent work on the neoliberal intellectual movement around the Mont Pelerin Society has allowed for closer study of the relationship between ideas interests and institutions Yet even as this literature brought neoliberalism down to earth it tended to reproduce a European and American perspective on the world With the notable exception of Augusto Pinochet's Chile long seen as a laboratory of neoliberalism the new literature followed a story of diffusion as ideas migrated outward from the Global North Even in the most innovative work the cast of characters remains surprisingly limited clustering around famous intellectuals like Milton Friedman and Friedrich Hayek *Market Civilizations* redresses this absence by introducing a range of characters and voices active in the transnational neoliberal movement from the Global South and Eastern Europe This includes B R Shenoy an early member of the Mont Pelerin Society from India who has been canonized in some circles since the Singh reforms Manuel Ayau another MPS president and founder of the Marroqu n University an underappreciated Latin American node in the neoliberal network Chinese intellectuals who read Hayek and Mises through local circumstances and many others Seeing neoliberalism from beyond the industrial core helps us understand what made radical capitalism attractive to diverse populations and how often disruptive policy ideas went local *Good Governance in the Era of Global Neoliberalism* Jolle Demmers, Alex E. Fernández Jilberto, Barbara Hogenboom, 2004-08-02 This new collection critically examines the new global policy of good governance This catchphrase of aid policy and development thinking has been the subject of too little analysis to date This book redresses the balance It places the prefix good and exactly what that means under the microscope and examines the impact of neoliberal governance in a wide range of countries and territories

including Chile Russia Argentina and Indonesia *Historical Dictionary of the Russian Federation* Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of *Historical Dictionary of the Russian Federation* provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of *Historical Dictionary of the Russian Federation* contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

Russian Leaders Alexander Dragomiroff, 2002 *Russian Leaders A Bibliography With Indexes* **The State and Big Business in Russia** Tina Jennings, 2021-12-28 This book presents a study of the complex relationship between the Russian state and big business during Vladimir Putin's first two presidential terms 2000 2008 Based on extensive original research it focuses on the interaction of Russia's political executive with the oligarchs It shows how Putin's crackdown on this elite group led big business to accept new rules of the game and how this was accompanied by the involvement of big business in policy formulation particularly through the organisational vehicle of the Russian Union of Industrialists and Entrepreneurs RSPF It goes on to discuss why Yukos and its CEO Mikhail Khodorkovsky were targeted by Russia's political authorities and the resultant consequences namely the end of the relatively successful framework via which state business relations had been managed and its replacement by fear and mutual distrust along with a vastly expanded role for the state and state related actors in the Russian corporate sector The book explores all these developments in detail and sets them against the context of continued trends towards greater authoritarianism in Russia *Russia in the Twentieth Century* David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example *Creating Russophobia* Guy Mettan, 2017-06-29 Why do the USA UK and Europe so hate Russia How is it that Western antipathy once thought due to anti Communism could be so easily revived over a crisis in distant Ukraine against a Russia no longer communist Why does the West accuse Russia of empire building when 15 states once part of the defunct Warsaw Pact are now part of NATO and NATO troops now flank the Russian border These are only some of the questions *Creating Russophobia* investigates Mettan begins by showing the strength of the prejudice against Russia through the Western response to a series of events the Uberlingen mid air collision the Beslan hostage taking the Ossetia War the Sochi Olympics

and the crisis in Ukraine He then delves into the historical religious ideological and geopolitical roots of the detestation of Russia in various European nations over thirteen centuries since Charlemagne competed with Byzantium for the title of heir to the Roman Empire Mettan examines the geopolitical machinations expressed in those times through the medium of religion leading to the great Christian schism between Germanic Rome and Byzantium and the European Crusades against Russian Orthodoxy This history of taboos prejudices and propaganda directed against the Orthodox Church provides the mythic foundations that shaped Western disdain for contemporary Russia From the religious and imperial rivalry created by Charlemagne and the papacy to the genesis of French English German and then American Russophobia the West has been engaged in more or less violent hostilities against Russia for a thousand years Contemporary Russophobia is manufactured through the construction of an anti Russian discourse in the media and the diplomatic world and the fabrication and demonization of The Bad Guy now personified by Vladimir Putin Both feature in the meta narrative the mythical framework of the ferocious Russian bear ruled with a rod of iron by a vicious president A synthetic reading of all these elements is presented in the light of recent events and in particular of the Ukrainian crisis and the recent American elections showing how all the resources of the West's soft power have been mobilized to impose the tale of bad Russia dreaming of global conquest

Protest in Putin's Russia Mischa Gabowitsch, 2016-12-27 The Russian protests sparked by the 2011 Duma election have been widely portrayed as a colourful but inconsequential middle class rebellion confined to Moscow and organized by an unpopular opposition In this sweeping new account of the protests Mischa Gabowitsch challenges these journalistic clichés showing that they stem from wishful thinking and media bias rather than from accurate empirical analysis Drawing on a rich body of material he analyses the biggest wave of demonstrations since the end of the Soviet Union situating them in the context of protest and social movements across Russia as a whole He also explores the legacy of the protests in the new era after Ukraine's much larger Maidan protests the crises in Crimea and the Donbass and Putin's ultra conservative turn As the first full length study of the Russian protests this book will be of great value to students and scholars of Russia and to anyone interested in contemporary social movements and political protest

Vodka Politics Mark Lawrence Schrad, 2014-02-05 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In Vodka Politics Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians' genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin Vodka Politics presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself from palace intrigues under the tsars to the drunken antics of Soviet and post Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival

evidence to answer provocative historical questions How have Russia's rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas II's ill-fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodka's hurdles to produce greater social well-being prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue had been put to bed in most every other modern state Indeed recognizing and confronting vodka's devastating political legacies may be the greatest political challenge for this generation of Russia's leadership as well as the next

Historical Dictionary of the Chechen Conflict Ali Askarov, 2015-04-22 Since the escalation of the war in the North Caucasus in the eighteenth century the political map of the world has changed repeatedly and dramatically and many major wars and bloody revolutions ripped through the world But the nature of the struggle between Russia and Chechnya is still the same The former wants to dominate Chechnya coercively while the latter wants to win its freedom from Russia by force Due to the power asymmetry of the sides to the violent conflicts history has witnessed splendid tactics of guerrilla warfare developed by the fighting people of the region The *Historical Dictionary of the Chechen Conflict* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross-referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Chechen conflict

Fragile Empire Ben Judah, 2013-04-15 A beautifully written and very lively study of Russia that argues that the political order created by Vladimir Putin is stagnating *Financial Times* From Kaliningrad on the Baltic to the Russian Far East journalist Ben Judah has traveled throughout Russia and the former Soviet republics conducting extensive interviews with President Vladimir Putin's friends foes and colleagues government officials business tycoons mobsters and ordinary Russian citizens *Fragile Empire* is the fruit of Judah's thorough research A probing assessment of Putin's rise to power and what it has meant for Russia and her people Despite a propaganda program intent on maintaining the cliché of stability Putin's regime was suddenly confronted in December 2011 by a highly public protest movement that told a different side of the story Judah argues that Putinism has brought economic growth to Russia but also weaker institutions and this contradiction leads to instability The author explores both Putin's successes and his failed promises taking into account the impact of a new middle class and a new generation the Internet social activism and globalization on the president's impending leadership crisis Can Russia avoid the crisis of Putinism Judah offers original and up to the minute answers A dynamic account of the rise and fall in progress of Russian President Vladimir Putin *Publishers Weekly* Judah shuttles to and fro across Russia's vast terrain finding criminals liars fascists and crooked politicians as well as the occasional saintly figure *The Economist* His lively account of his remote

adventures forms the most enjoyable part of *Fragile Empire* and puts me in mind of Chekhov's famous 1890 journey to Sakhalin Island *The Guardian* *Russian Politics and Society* Richard Sakwa, 2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade the fifth edition of this classic text builds on the strengths of previous editions to provide a comprehensive and sophisticated analysis of Russian politics and society The new edition incorporates the latest debates about Russian politics analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process New to this edition an evaluation of Putin's leadership and the country's political performance under him updated election results and demographic social ethnic national statistics to include results of the 2010 census changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature coverage of the constitutional changes and governmental appointments under the various prime ministers more analysis of economic performance including discussion of the energy sector and pipeline politics changes in Russian foreign policy since EU enlargement its relationship with NATO since the reset as well as its relations with post Soviet states assessment of the military reforms and security and defence policy debates over the question of democracy in Russia today the nature of the system and its future prospects Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation An unrivalled textbook on the subject it is essential reading for all those concerned with the fate of Russia and with the future of international society *The Politics of Nuclear Disarmament* Tim Street, 2021-04-21 This book explores what political conditions must be established and what obstacles overcome for the five official Nuclear Weapon States NWS China France Russia the UK and US to eliminate their nuclear weapons The different views and positions of a range of actors concerning nuclear weapons issues including elite perspectives and public opinion and the political assumptions underpinning them are discussed to develop a more democratic approach to disarmament Addressing the lack of detailed analysis concerning the meaning of nuclear disarmament for the domestic political orders of NWS the book critically explores different approaches to and theories of disarmament within legal political and technical literatures and orthodox and critical theory It also builds on previous discussions of nuclear possession restraint arms control and disarmament concerning both nuclear possessor and non possessor states identifying the insights these works provide regarding how NWS disarmament may be advanced Contributing to theoretical debates concerning how domestic politics interacts with and determines states international behaviour the book will be of interest to all scholars and students of history politics international relations security studies military history war studies peace studies conflict democracy and global governance **History for the IB Diploma Paper 3 The Soviet Union and Post-Soviet Russia (1924-2000)** Allan Todd, 2016-04-14 Comprehensive books to support study of History for the IB Diploma Paper 3 revised for first assessment in 2017 This coursebook covers Paper 3 History of Europe Topic 16 The Soviet Union and post Soviet Russia

1924 2000 of the History for the IB Diploma syllabus for first assessment in 2017 Tailored to the Higher Level requirements of the IB syllabus and written by experienced IB History examiners and teachers it offers authoritative and engaging guidance through the topic **The Liberal Script at the Beginning of the 21st Century** Tanja A. Börzel, Johannes Gerschewski, Michael Zürn, 2024-10-10 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations 21st century liberalism is being contested on multiple fronts and by a wide range of actors To understand these challengers it is important to have a better grasp of their common target This book introduces the liberal script as an analytical concept that allows us to analyze and problematize liberal thinking as well as its different components and linkages and the tensions that they produce What happens when the pursuit of market efficiency is incompatible with social justice It is these tensions between the different components of the liberal script that are at the heart of the challenges against it Different societies have resolved these tensions in different ways leading to a variety of liberal subscripts and their contestations The volume integrates theoretical and methodological perspectives from different disciplines including political science sociology law history philosophy post colonial studies and educational science In demonstrating the theoretical and empirical added value of using the concept of liberal script the volume presents a multifaceted and nuanced picture of what is at stake in the challenges to liberalism in the early 21st century This volume has emerged from research carried out as part of the Cluster of Excellence Contestations of the Liberal Script SCRIPTS which analyzes the contemporary controversies about liberal ideas institutions and practices on the national and international level from a historical global and comparative perspective It connects academic expertise in the social sciences and area studies and collaborates with research institutions in all world regions Operating since 2019 and funded by the German Research Foundation DFG SCRIPTS unites eight major Berlin based research institutions Freie Universität Berlin the Humboldt Universität zu Berlin the Berlin Social Science Center WZB the Hertie School the German Institute for Economic Research DIW the Berlin branch of the German Institute of Global and Area Studies GIGA the Centre for East European and International Studies ZOiS and the Leibniz Zentrum Moderner Orient ZMO *Flawed Succession* Uri Ra'anan, 2006-01-01 This authoritative study examines Russia's four key succession crises after Stalin's death throughout Khrushchev's primacy during the implosion of the USSR and with Putin's ascent to power The distinguished authors argue that the common denominator has been the absence of a transparent non arbitrary and lawful mechanism for the transfer of political power Consequently contenders for leadership have engaged in vicious power struggles followed by pseudo legitimization of the victor As Moscow reemerges as a major international actor its unpredictability domestically triggers after shocks well beyond Russia's borders Drawing on newly available primary sources this book provides essential insights for practitioners and students of policy alike *Marx, Lenin, and the Revolutionary Experience* Paul LeBlanc, 2014-06-03 Marx Lenin and the Revolutionary Experience offers a fresh look at Communism both

the bad and good and also touches on anarchism Christian theory conservatism liberalism Marxism and more to argue for the enduring relevance of Karl Marx and V I Lenin as democratic revolutionaries It examines the Red Decade of the 1930s and the civil rights movement and the New Left of the 1960s in the United States as well Studying the past to grapple with issues of war and terrorism exploitation hunger ecological crisis and trends toward deadening de spiritualization the book shows how the revolutionaries of the past are still relevant to today s struggles It offers a clearly written and carefully reasoned thematic discussion of globalization Marxism Christianity and religion in general Communism the history of the USSR and US radical and social movements

Misinterpreting Modern Russia Bruno S. Sergi, 2011-10-27 When President Vladimir Putin ascended to the Kremlin at the end of the 1990s he had to struggle with the after effects of Boris Yeltsin s political agenda outrageous corruption endless social injustice and deeply entrenched interests dating back to Gorbachev and beyond From the outset Putin saw his task as leveling out the political scenery Discontent had been building up among ordinary Russians on these consequences of the dramatically unstable 1990s Stabilization of the political system and cleaning up the widespread corruption were Putin s aims and the Russian people supported him wholeheartedly Many observers in the West were quick to condemn Putin and depict him as an authoritarian dishonest leader who was still linked to the KGB When asked why Russians were supporting the new Kremlin many experts explained that it was a paradox that combined the country s supposed history of tyranny and its people s inclination towards it These explanations shaped the West s understanding of modern Russia and they appear to be unshakeable in cultural circles today Bruno Sergi argues in this new study that the way to know the complete story behind how Putin s presidency has been viewed in Russia is to examine closely the hard realities that conditioned Putin s policies and responses Misinterpreting Modern Russia Western Views of Putin and his Presidency looks beyond the stereotypes to the hard logic of the 1990s and asks a range of provocative questions about the disintegration of the old Soviet empire and the extraordinary riches that have caused so much opportunity and turmoil in recent years

Russia Under Yeltsin And Putin Neo Liberal Autocracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia Under Yeltsin And Putin Neo Liberal Autocracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia Under Yeltsin And Putin Neo Liberal Autocracy has opened up a world of possibilities.

Downloading Russia Under Yeltsin And Putin Neo Liberal Autocracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia Under Yeltsin And Putin Neo Liberal Autocracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia Under Yeltsin And Putin Neo Liberal Autocracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia Under Yeltsin And Putin Neo Liberal Autocracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia Under Yeltsin And Putin Neo Liberal Autocracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia Under Yeltsin And Putin Neo Liberal Autocracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia Under Yeltsin And Putin Neo Liberal Autocracy Books

1. Where can I buy Russia Under Yeltsin And Putin Neo Liberal Autocracy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
