Russian Economic History The Nineteenth Century:

Russian Economic History Arcadius Kahan, 1989-06-15 Upon the foundation of his unique experience and education the late Arcadius Kahan 1920 1982 built a substantial body of scholarship on all aspects of the tsarist economy Yet some of his important contribution might well have been dissipated were it not for this collection since many of these essays were often available only in isolated obscure sources This posthumous volume makes readily available for the first time ten of Kahan s essays nine previously published in English and one in German which serve to integrate his carefully developed picture of nineteenth century Russian economic history Kahan s remarkable vision forms a complement to the thought of Gerschenkron and this volume is certain to become a valuable source for scholars and students of Russian and European economic and social history

Beginnings of Russian Industrialization, 1800-1860 William L. Blackwell, 2015-12-08 Since Russian tradition and institutions resemble those of Asia and Africa as much if not more than the patterns of Western societies the pre 1917 industrial history of Russia as the last part of the tsarist regime provides one of the most important examples of early industrialization in world history In this broad ambitious reconstruction of the early stages of Russia s industrial development English Professor Blackwell shows that the period from 1800 to 1860 was one of necessary preparation for the rapid industrialization of the later 19th century The book is based upon a wide variety of primary and secondary sources in the Russian language Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A History of Russian Economic Thought Vincent Barnett, 2013-03-07 The collapse of the Union of Soviet Socialist Republic at the end of the 1980 s was conceived as a victory for capitalist democracy Here Vincent Barnett provides the first comprehensive account of the historical development of Russian and Soviet economic thought across the nineteenth and twentieth centuries and considers its future in the twenty first century Utilizing an extensive range of historical sources Barnett examines the different strands of thought including classical neoclassical historical socialist liberal and Marxian schools He traces their influence and the impact their ideas had on shaping policies An excellent addition to the Routledge History of Economic Thought series this book covers pre 1870 Tsarist economics the late Tsarist period the impact of the war Bolshevik economics Stalinist economics Russian economics after 1940 Incorporating a detailed timeline of the most significant Russian economists work and analyzing the effects of historical discontinuities on the institutional structure of Russian economics as a discipline Barnett delivers an essential text for postgraduates and professionals interested in economic history and the evolution of Russian economic thought

The World of the Russian Peasant Ben Eklof,Stephen P. Frank,2023-10-13 First published in 1990 The World of the Russian Peasant is designed to provide a wide ranging survey of new developments in Russian peasant studies Editors Eklof and Frank paint a broad picture of what life was like for the vast majority of Russia s population before 1917 Individual authors treat the intricacies of the village community and peasant commune social structure the everyday life and labour of peasant women the impact of migration the spread of education and peasant art religion justice and politics The result is a portrait of a people greatly influenced by rapid and radical changes in the world yet seeking to maintain control over their lives and their communities This is a must read for students of Russian history Russian peasantry and rural sociology

The Russian Peasantry 1600-1930 David Moon,2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant s traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable

Russia in the Nineteenth Century A. I. U. Polunov,Thomas C. Owen,L. G Zakharova,2015-02-12 This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides

detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy **A Companion to Russian History** Abbott Gleason,2014-01-28

This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field **Russian Economic History** Daniel R. Kazmer,Vera

Kazmer,1977 A History of Russian Economic Thought in the 19th Century Joachim Zweynert,2012-02-15 Originally published in Germany in 2002 to excellent reviews with a Russian translation published early in 2008 and winning the book prize from the European Society of the History of Economic Thought in 2003 the English translation is eagerly anticipated Searching for basic socio philosophical patterns of thought behind the evolution of Russian economic ideas this book offers the most detailed and comprehensive account of a larger part of the history of Russian economic thought Zweynert s main thesis is that the legacy of Russian Orthodoxy is the all decisive tradition that set the country somewhat apart from the Western world in regard to economic reasoning The problems in establishing a functioning market economy in today s Russia the author argues must at least partly be seen in this context Zweynert concludes the book analysing the recent debates in order to demonstrate path dependencies in Russian economic ideas Russia in the Nineteenth Century Polunov, This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy **Russian**

and Soviet History Steven A. Usitalo, William Benton Whisenhunt, 2008-01-28 An original and thought provoking text Russian and Soviet History uses noteworthy themes and important events from Russian history to spark classroom discussion Consisting of twenty essays written by experts in each area the book does not simply repeat the conventional themes found in nearly all Russian history texts anthologies and documentary compilations Rather it showcases current thinking on Russian cultural political economic and social history from the end of the sixteenth century to the demise of the Soviet experiment Informed by archival work in the former Soviet Union and a broad range of published sources this book is intended to introduce students to Russian history in an accessible and provocative format Its eclectic essays offer readers an incomparable taste of the complexity and richness of Russia as it has evolved from late Muscovy to the modern era This text is perfect for undergraduate and graduate students in Russian history and is a great resource for scholars in the field Contributions by Sergei Arutiunov Richard Bidlack Kees Boterbloem James Cracraft Chester S L Dunning Colum Leckey Alexander M Martin Susan P McCaffray Martha Merritt Patrick O Meara Scott W Palmer Jelena Pogosjan Thomas E Porter Ana Siljak Douglas Smith William Taubman Steven A Usitalo Jeffrey Veidlinger Rex A Wade and William Benton Whisenhunt

Europe in the Russian Mirror Alexander Gershenkron, 1970-03-27 First published in 1970 Professor Gershenkron's theme is the contribution which the study of Russian economic history can make to the problems which have preoccupied Western historians He first considers the way in which the case of the old Believers in Russia who refused to support the official church but played an important entrepreneurial role in nineteenth century economic development bears upon Max Weber's celebrated thesis on the relations between the Protestant ethic and the spirit of capitalism In the course of his discussion Professor Gershenkron provides important information on the doctrinal beliefs of this group their social status and the extent to which they were persecuted and discriminated against by the State His conclusion is that the persecution certainly afforded sufficient impulse to engage in profitable activities and to develop the traits Weber considered as specific features of the capitalist spirit

Bibliography of European Economic and Social History Derek Howard Aldcroft, Richard Rodger, 1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700 1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily

Great Russian Fair Anne L Fitzpatrick, 2016-02-24 **Russian Peasants and Tsarist Legislation on the Eve of Reform** David Moon, 1992-06-18 This study examines the interaction of peasant and official Russia in the period prior to the reforms of 1861 In a series of case studies the issues of communication and understanding between the peasantry and officialdom peasant aims and behavioural patterns are explored **Routledge Handbook of Global Economic History** Francesco Boldizzoni, Pat Hudson, 2015-12-22 The Routledge Handbook of Global

Economic History documents and interprets the development of economic history as a global discipline from the later nineteenth century to the present day Exploring the normative and relativistic nature of different schools and traditions of thought this handbook not only examines current paradigmatic western approaches but also those conceived in less open societies and in varied economic political and cultural contexts In doing so this book clears the way for greater critical understanding and a more genuinely global approach to economic history This handbook brings together leading international contributors in order to systematically address cultural and intellectual traditions around the globe Many of these are exposed for consideration for the first time in English The chapters explore dominant ideas and historiographical trends and open them up to critical transnational perspectives This volume is essential reading for both academics and students in economic and social history As this field of study is very much a bridge between the social sciences and humanities the issues examined in the book will also have relevance for those seeking to understand the evolution of other academic disciplines under the pressures of varied economic political and cultural circumstances on both national and global scales
