Corten, 1992 Irina H Corten s Vocabulary of Soviet Society and Culture is an experiment in what Soviet scholars call *lingvostranovedenie* the study of a country and its culture through the peculiarities of its language Not a conventional dictionary Corten s lexicon is selective offering a broad sampling of culturally significant words in the areas of politics ideology the economy education arts and letters social problems and everyday life as well as language associated with the personalities and activities of individual Soviet leaders The entries are listed alphabetically in English transliteration followed by the Cyrillic although readers familiar with Russian may prefer to use the Cyrillic alphabet listing included in this volume In each entry the author provides a succinct but full explanation of the term and whenever possible cross references to other entries authentic examples of its use and samples of relevant Soviet jokes A reader may approach the lexicon either sequentially or with the aid of a subject thesaurus that divides the material into specific topics A

listing of complementary sources of reference appears in a useful bibliography With this fascinating lexicon of Sovietisms Corten provides an invaluable and easily accessible medium for those general readers and scholars of the Russian language and Soviet culture interested in understanding contemporary Soviet life Selected entries from the Vocabulary of Soviet Society and Culture Anekdotichik Cyrillic spelling анекдотчик 1 A person who tells jokes анекдотчик 2 colloquial since the late Stalin era a person arrested and given a prison sentence for the telling of political jokes The phenomenon indicates the important role of the political joke in Soviet culture and specifically in the dissident movement See Iazychnik Sident The following jokes were popular during the Brezhnev era 1 Comrade Brezhnev what is your hobby Collecting jokes about myself And how many have you collected so far Two and a half labor camps 2 Question What is a marked down joke Answer A joke which under Stalin got you ten years in a labor camp and now gets you only five egoisticheskiy Cyrillic эгоистический Lit little egotists colloquial since the 1970s referring to headsets worn by music lovers especially teenage fans of rock music The idea is that by wearing headsets one shuts out the world and becomes indifferent to everything except oneself zhrozheniye Cyrillic жрозение Der zhrozheniye to gorge devour vulgar colloquial since the 1970s denoting an eating establishment with inexpensive and often bad tasting food In the late 1980s the term also has been applied to new fast food restaurants which have been built in Soviet cities by Western concerns for example McDonald's See amerikanka stekliashka stoiachka

"Proverbs Speak Louder Than Words" Wolfgang

Mieder, 2008 The ten chapters of Proverbs Speak Louder Than Words present a composite picture of the richness of proverbs as significant expressions of folk wisdom as is manifest from their appearance in art culture folklore history literature and the mass media The first chapter surveys the multifaceted aspects of paremiology the study of proverbs with the second chapter illustrating the paremiological work by the American folklorist Alan Dundes The next two chapters look at the effective role that proverbs play in the mass media where they are cited in their traditional wording or as innovative anti proverbs The fifth chapter discusses proverbs as expressions of the worldview of New England This is followed by two chapters on the proverbial prowess of American presidents to wit the proverbial style in the correspondence between John and Abigail Adams and a discussion of Abraham Lincoln's apocryphal proverb Don't swap horses in the middle of the stream The eighth chapter traces the tradition of proverb iconography from medieval woodcuts to Pieter Bruegel the Elder and on to modern caricatures cartoons and comic strips The last two chapters deal with the origin and history of the proverbial expression to tilt at windmills as an allusion to Cervantes Don Quixote and the many proverbial utterances in Mozart's letters The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role in oral and written communication Proverbs as so-called monumenta humana are omnipresent in all facets of life and while they are neither sacrosanct nor saccharine they usually offer much common sense or wisdom based on recurrent experiences and observations

The Soul in the Axiosphere from an Intercultural Perspective, Volume One Joanna Jurewicz, Ewa

Masłowska, Dorota Pazio-Wlazłowska, 2020-05-04 The essays collected in this volume form a multifaceted discourse on

religious philosophical historical ethnocultural and sociocultural literary and linguistic issues A multicultural approach to the problem of the soul allows the presentation of it on a microscale focused on national and regional specificity as well as on the macroscale oriented toward universal values which can be observed in the cultures of peoples distant from each other in both time and space The book consists of 28 chapters addressing the fundamental themes of human existence which find expression in cultural texts in both colloquial and artistic language and which have a prominent place in anthropological psychological metaphysical and theological debates *Proverbs Are Never Neutral* Marina Yu. Kotova, Outi

Lauhakangas, 2023-11-27 This book examines how proverbs can carry ethnonyms and contradictory oppositions in everyday speech and interrogates the belief that such nuances are national in nature by comparing across languages and cultures The authors bring together linguistic terms and typologies from Slavonic Germanic Romance Finno Ugric and Somali proverbs with their English parallels to enrich contrastive paremiology The book pushes the thematic boundaries of the paremiological minima of languages by drawing on fields including sociolinguistics and it will be of interest to students and scholars of cultural linguistics comparative cultural studies sociolinguistics social identity anthropology cognitive semiotics and the history of words and concepts Exploring the Eastern Frontiers of Turkic Marcel Erdal, Irina Nevskaya, 2006 The papers brought together in the present volume deal with grammatical lexical onomastic and historical issues of non Muslim Turkic languages and dialects spoken in South Siberia in Mongolia and in China and with the areal and genetic relationships between them All of these varieties are socially dominated by non Turkic languages many of them are acutely endangered and in general insufficiently described A number of the articles deal with the oral traditions i e epics proverbs of the peoples speaking these varieties Some typological issues concerning the Turkic languages of the area are also touched upon

Don't Be a Stranger Jason Galie, 2022-04-19 It is human nature to want to fit in The lengths people have gone to do so have provided creative minds with material for centuries This book explores the consequences of being marked an outsider in the Russian speaking world through a close study of several seminal works of Russian literature The author combines the fields of literary studies linguistics and sociology to illuminate what prompted Christof Ruhl an economist at the World Bank to comment about Russia On a very broad scale it s a country where people care about their family and friends Their clan But not their society **Literature, Language and Computing** Polina Eismont, Maria Khokhlova, Mikhail Koryshev, 2025-03-26

This book brings together the selected revised papers representing a multidisciplinary approach to language and literature The collection presents studies performed using the methods of computational linguistics in accordance with the traditions of Russian linguistic and literary studies primarily in line with the Leningrad Petersburg philological school The book comprises the papers allocated into two sections discussing the study of corpora in language translation and literary studies and the use of computing in language teaching and translation and in emotional text processing A unique feature of the presented collection is that the papers compiled in one volume allow readers to get an understanding of a wide range of research

conducted in Saint Petersburg State University and other Russian leading scientific institutions Both the classical tradition of Saint Petersburg philology and the results obtained with the help of new computer technologies as a sample of the symbiosis of technologies and traditions which bring research to a qualitatively new level to arouse interest Never Marry a Woman with Big Feet Mineke Schipper, Wilhelmina Janneke Josepha Schipper, 2003-01-01 In this study the author analyses similarities differences and contradictions in the cultural norms about gender expressed in proverbs she has found in oral and written sources from over 150 countries Grouping the proverbs into categories as the female body love sex childbirth and the female power the author examines shared patterns in ideas about women and how men see them *Issues and Trends in Interdisciplinary Behavior and Social Science* Ford Lumban Gaol, Fonny Hutagalung, Chew Peng, 2018-05-20 Issues and Trends in Interdisciplinary Behavior and Social Science contains papers presented at the 6th International Congress on Interdisciplinary Behavior and Social Science 2017 ICIBSoS 2017 held 16 17 December 2017 in Yogyakarta Indonesia The contributions cover every discipline in all fields of social science and discuss many current trends and issues being faced by 21st century society especially in Southeast Asia Topics include literature family culture studies behavior studies psychology and human development religion and values religious coping social issues such as urban poverty and juvenile crisis driving behavior well being of women career women career performance job stress happiness social adjustment quality of life among patients the cosmetics business etc The issues are discussed using scientific quantitative or qualitative methods from different academic viewpoints **Essays on Lexicon, Lexicography, Terminography in Russian, American and Other Cultures** Olga Karpova, Faina Kartashkova, 2009-03-26 The book contains a collection of works devoted to the most topical issues of modern linguistics including ross cultural communication various aspects of theoretical and practical lexicography terminology and terminography Papers contributed are divided into four major sections Cultural Aspects in Different Linguistic and Lexicographic Traditions deals with analysis of cultural aspects of language and lexicography with special reference to English Russian German French Arabic and other languages User s Perspective and Dictionary Use is devoted to discussion of research results in the field of user s needs and demands received during social surveys in different countries Terminology and Terminography reveals the latest tendencies in modern terminology formation scientific knowledge engineering in languages for special purposes and professional communication while New Dictionaries Projects presents models of new reference works All those and many other topics were discussed at the VI th International School Seminar Lexicon Lexicography Terminography in Russian American and Other Cultures held at Ivanovo State University Russia September 12 14 2005 The Russian Context Eloise M. und Kommunikationsfähigkeit fordert. Aus unterschiedlichen Perspektiven diskutieren die Autoren dieses Bandes die Bedeutung von interkultureller Kommunikation für ihre jeweiligen Disziplinen. Dem Leser wird so ein multiperspektivischer Einblick in den Diskurs um Interkulturalität ermöglicht. This anthology addresses the topic of interculturality and therefore includes articles in English, German and Russian. In the context of the ongoing globalization, intercultural communication becomes increasingly important. Global mobility and division of labour, free travelling combined with new communication technologies encourages exchange between people from different cultures. This requires intercultural competence and communication skills not only in private contexts but on the labour market as well. From different points of view, the authors of this book discuss the relevance of intercultural communication. By showing how different disciplines deal with this topic, the book gives the reader a multiperspective insight on the discourse of interculturality.
