Tour Guides at Memorial Sites and Holocaust Museums Anja Ballis, 2022-05-23 In this volume contributors reflect on how to teach and mediate difficult history from the perspectives of guides Too often their activities are undervalued and taken for granted Guides represent an important often forgotten group of educators This volume takes a global view on guiding at memorial sites and museums in Europe North America and South Africa The contributors to this volume show from different research traditions that it is worth understanding more about the guides personal interests their motivations and their concept of guiding Authors apply methodologies from the social sciences to describe the guides point of view Complementing the various approaches in tour guide research a detailed linguistic analysis sheds light on a survivor s testimony echoed in the guides language The studies gathered in this volume open up an orientation for further approaches to tour guiding based on and centered around authentic materials from guides

Dun-Camp's Tour Manual ... ,1929 **So, How Long Have You Been Native?** Alexis C. Bunten, 2015-03 So How Long Have You Been Native is Alexis C Bunten s firsthand account of what it is like to work in the Alaska cultural tourism industry An Alaska Native and anthropologist she spent two seasons working for a tribally owned tourism business that markets the Tlingit culture in Sitka Bunten s narrative takes readers through the summer tour season as she is hired and trained and eventually becomes a guide A multibillion dollar worldwide industry cultural tourism provides one of the most ubiquitous face to face interactions between peoples of different cultures and is arguably one of the primary means by which knowledge about other cultures is disseminated Bunten goes beyond debates about who owns Native culture and has the

right to sell it to tourists Through a series of anecdotes she examines issues such as how and why Natives choose to sell their culture the cutthroat politics of business in a small town how the cruise industry maintains its bottom line the impact of colonization on contemporary Native peoples the ways that traditional cultural values play a role in everyday life for contemporary Alaska Natives and how Indigenous peoples are engaging in global enterprises on their own terms Bunten's bottom up approach provides a fascinating and informative look at the cultural tourism industry in Alaska

Internationalizing Teacher Education in the United States Beverly D. Shaklee, Supriya Baily, 2012-03-08 As countries become increasingly interdependent student populations in the United States are becoming more culturally diverse These students transnational perspectives present significant challenges to teachers but a disconnect exists between the skills teachers need and those provided to them by colleges of education As teacher preparation programs continue to cater to historic models of diversity the programs show a glaring lack of recognition for the recent changes in school and community populations *Internationalizing Teacher Education in the United States* examines the impact of globalization on teacher education in the United States explains the current barriers to teacher education becoming more internationally minded and presents possible solutions for teacher education programs to consider Other books address the multi national challenges faced by American education in the 21st century but this book takes it one step further offering teacher educators practical and theoretical explorations of their vital role in the education of contemporary student populations in the United States

Hearings United States. Congress. House. Committee on Interstate and Foreign Commerce, 1961 *Annual Report, Special International Exhibitions* United States Information Agency, 1963 **Waiting For America** Maxim D. Shrayer, 2012-04-30 In 1987 a young Jewish man the central figure in this captivating book leaves Moscow for good with his parents They celebrate their freedom in opulent Vienna and spend two months in Rome and the coastal resort of Ladispoli While waiting in Europe for a U S refugee visa the book's twenty year old poet quenches his thirst for sexual and cultural discovery Through his colorful Austrian and Italian misadventures he experiences the shock thrill and anonymity of encountering Western democracies running into European roadblocks while shedding Soviet social taboos As he anticipates entering a new life in America he movingly describes the baggage that exiles bring with them from the inescapable family traps and ties to the sweet cargo of memory An emigration story *Waiting for America* explores the rapid expansion of identity at the cusp of a new American life Told in a revelatory first person narrative *Waiting for America* is also a vibrant love story in which the romantic main character is torn between Russian and Western women Filled with poignant humor and reinforced by hope and idealism the author's confessional voice carries the reader in the same way one is carried through literary memoirs like Tolstoy's *Childhood* *Boyhood* *Youth* Hemingway's *A Moveable Feast* or Nabokov's *Invitation of a Beethoven* *Invitation of a Beethoven* Sebald and Singer all transcultural masters of identity writing are the coordinates that help to locate *Waiting for America* on the greater map of literature
