historical study of the art song enterprise in Russia's Golden Age A Double Garland investigates the interrelationship of poetry and music in Russia specifically the relations between poets and composers from 1800 to 1850 Hodge focuses on three major composers of art songs Alyab'ev Verstovskii and Glinka He surveys their choices of text and after some preliminary metrical and structural analysis proceeds to a detailed consideration of the dynamics of poet composer interaction from various points of view Hodge presents both the major and minor poets of this period in the context of Russian musical life Based on extensive archival research this study will appeal to specialists in Russian poetry and musicologists

Rereading Russian Poetry Stephanie Sandler, 1999-01-01 Russia's poets hold a special place in Russian culture perhaps revealing more about their country than poets within any other nation In this unique and wide ranging collection of writings on poets and poetic trends in Russia contributors from the United States Britain and Russia examine the place of poetry in Russian culture Through a variety of critical approaches these scholars translators and poets consider a broad cross section of Russian poets from Pushkin to Brodsky Shvarts and Kibirov

European Romanticism Stephen Prickett, 2014-04-14 Romanticism was always culturally diverse Though English language anthologies have previously tended to see Romanticism as predominantly British the term itself actually originated in Germany where it became the banner of a Europe wide movement involving the profound intellectual and aesthetic changes which we now associate with modernity This anthology is the first to place British Romanticism within a comprehensive and multi lingual European context showing how ideas and writers interconnected across national and linguistic boundaries By reprinting everything in the original languages together with an English translation of all non English material in parallel on the opposite page it offers a new intellectual map of Romanticism Material is thematically arranged as follows Art Aesthetics The Self History Language Hermeneutics Theology Nature The Exotic Science While focusing on European texts the inclusion of essays on their North American and Japanese reception means that Romanticism can be seen as a global phenomenon influencing a surprising number of the ways in which the modern world sees itself

The Selected Poems of Osip Mandelstam Osip Mandelstam, 2004-08-31 Osip Mandelstam is a central figure not only in modern Russian but in world poetry the author of some of the most haunting and memorable poems of the twentieth century A contemporary of Anna Akhmatova Marina Tsvetayeva and Boris Pasternak a touchstone for later masters such as Paul Celan and Robert Lowell Mandelstam was a crucial instigator of the revolution of the word that took place in St Petersburg only to be crushed by the Bolshevik Revolution Mandelstam's last poems written in the interval between his exile to the provinces by Stalin and his death in the Gulag are an extraordinary testament to the endurance of art in the presence of terror This book represents a collaboration between the scholar Clarence Brown and W S Merwin one of contemporary America's finest poets and translators It also includes Mandelstam's Conversation on Dante an uncategorizable work of genius containing the poet's deepest reflections on the nature of the poetic process

P-Z Library of Congress. Office for Subject Cataloging Policy, 1990 Fedorov's

Introduction to Translation Theory Brian James Baer, 2021-03-18 This is the first English translation of Andrei V Fedorov's classic 1953 text *Vvedenie v teoriyu perevoda* Introduction to Translation Theory Fedorov was the first to argue that translation theorizing should be based on linguistics due to the fact that language is the common denominator of all translation In addition this text offers a concise but thorough comparative overview of thinking on translation in Western Europe and Russia The detailed annotations and substantial introduction by the leading scholar and award winning translator Brian James Baer inscribe Fedorov's work in the political and cultural context of the Soviet Union highlighting the early influence of Russian Formalism on Fedorov's thinking This volume is a model of scholarly translation that fills a major gap in our understanding of Soviet translation theory which will compel a rethinking of current histories of the field Contributing to the important work of internationalizing and generating new histories of translation studies this volume is key reading for scholars and researchers of the history theory and politics of translation studies comparative literature and Russian and Slavic studies

Stalking Nabokov Brian Boyd, 2013-06-25 In this book Brian Boyd surveys Vladimir Nabokov's life career and legacy his art science and thought his subtle humor and puzzle like storytelling his complex psychological portraits and his inheritance from reworking of and affinities with Shakespeare Pushkin Tolstoy and Machado de Assis Boyd also offers new ways of reading *Lolita* *Pale Fire* *Invitation of a Small Creature* and the unparalleled autobiography *Invitation of a Small Creature* disclosing otherwise unknown information about the author's world Sharing his personal reflections as he recounts the adventures hardships and revelations of researching Nabokov's life oeuvre he cautions against using Nabokov's metaphysics as the key to unlocking all of the enigmatic author's secrets Assessing and appreciating Nabokov as novelist memoirist poet translator scientist and individual Boyd helps us understand more than ever Nabokov's multifaceted genius

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e

g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators Bilingual Games D. Sommer,2003-11-21 These essays bring home the most challenging observations of postmodernism multiple identities the fragility of meaning the risks of communication Sommer asserts that many people normally live that is think feel create reason persuade laugh in more than one language She claims that traditional scholarship aesthetics language and philosophy psychoanalysis and politics cannot see or hear more than one language at a time The goal of these essays is to create a new field bilingual arts aesthetics which examine the aesthetic product produced by bilingual diasporic communities The focus of this volume is the Americas but examples and theoretical proposals come from Europe as well In both areas the issue offers another level of complexity to the migrant and cosmopolitan character of local societies in a global economy **A Companion to Victorian Poetry** Ciaran Cronin,2008-04-15 This Companion brings together specially commissioned essays by distinguished international scholars that reflect both the diversity of Victorian poetry and the variety of critical approaches that illuminate it Approaches Victorian poetry by way of genre production and cultural context rather than through individual poets or poems Demonstrates how a particular poet or poem emerges from a number of overlapping cultural contexts Explores the relationships between work by different poets Recalls attention to a considerable body of poetry that has fallen into neglect Essays are informed by recent developments in textual and cultural theory Considers Victorian women poets in every chapter
