## **Russian Advocate Of Peace:**

**A Russian Advocate of Peace: Vasilii Malinovskii (1765-1814)** P. Ferretti, 2012-12-06 Vasilii Fedorovich Malinovskii 1765 1814 is a name which has hitherto lacked true resonance in the history of Russian culture It is of course a name known to all students of Alexander Pushkin's biography for Malinovskii was the first Director of the new Tsarskoe Selo Lyceum if sadly for only the first three of the young poet's years at the school For those scholars conversant with the intellectual and literary life of the beautiful beginning of the reign of Alexander I's reign Malinovskii has his little niche for his remarkable *Rassuzhdenie o mire i voine* 1803 and less for his *Osennie vechera* 1803 a little known journal limited to a mere eight weekly issues and written entirely by the editor As regards the of his eighteenth century Malinovskii who lived the first thirty five years of his life predominantly in the reign of the great Catherine little information encumbers the memory of even specialists of the period Indeed his elder brother Aleksei Fedorovich 1762 1840 is the more likely to be remembered for his literary and translating work as well for his later position as Head of the Moscow Archive of the Ministry of Foreign Affairs which brought him into contact with Pushkin and not unexpectedly with Karamzin Karamzin referred to him as one of my few old and genuine friends but one searches in vain for a similar accolade for Vasilii Fedorovich **The Advocate of Peace** ,1900

**Advocate of Peace Through Justice** ,1920 *Advocate of Peace* ,1857 *Advocate of Peace and Universal Brotherhood* ,1893 **Advocate of Peace and Universal Brotherhood** ,1854 **American Advocate of Peace** ,1893

**The Holy Alliance** Isaac Nakhimovsky, 2024-05-28 A major new account of the post Napoleonic Holy Alliance and the promise it held for liberals The Holy Alliance is now most familiar as a label for conspiratorial reaction In this book Isaac Nakhimovsky reveals the Enlightenment origins of this post Napoleonic initiative explaining why it was embraced at first by many contemporary liberals as the birth of a federal Europe and the dawning of a peaceful and prosperous age of global progress Examining how the Holy Alliance could figure as both an idea of progress and an emblem of reaction Nakhimovsky offers a novel vantage point on the history of federative alternatives to the nation state The result is a clearer understanding of the recurring appeal of such alternatives and the reasons why the politics of federation has also come to be associated with entrenched resistance to liberalism's emancipatory aims Nakhimovsky connects the history of the Holy Alliance with the better known transatlantic history of eighteenth century constitutionalism and nineteenth century efforts to abolish slavery and war He also shows how the Holy Alliance was integrated into a variety of liberal narratives of progress From the League of Nations to the Cold War historical analogies to the Holy Alliance continued to be drawn throughout the twentieth century and Nakhimovsky maps how some of the fundamental political problems raised by the Holy Alliance have continued to reappear in new forms under new circumstances Time will tell whether current assessments of contemporary federal systems seem less implausible to future generations than initial liberal expectations of the Holy Alliance do to us today *The European Idea in History in the Nineteenth and Twentieth Centuries* Alexander Tchoubarian, 2014-04-08 First Published in

1995 One of the principal inferences of this book is that Russia was and remains an inalienable part of European civilization and culture After the French Revolution and the Napoleonic Wars Russian society was quick to grasp ideas of Enlightenment liberty equality and fraternity while other thinkers rejected this and insisted on Russian exclusivity The book concludes with a view of the future of Europe as the twenty first century approached **The Russian Quest for Peace and Democracy** Metta Spencer,2012-07-10 In *The Russian Quest for Peace and Democracy* Metta Spencer recounts the political and military changes that have occurred in Russia up to mid 2010 Using hundreds of interviews she conducted with officials dissidents and liberal intellectuals she describes the various groups forces and individuals that worked to liberalize the totalitarian Soviet Union and its fellow nations behind the Iron Curtain and which ultimately brought about the dissolution of those repressive governments Spencer identifies four political orientations to describe Soviet society Sheep ordinary citizens who accepted the undemocratic regime they lived in without challenging it Dinosaurs hard line Communist officials Termites including Mikhail Gorbachev and his advisers and government and Barking Dogs a few hundred dissidents who made a lot of noise protesting hoping to awaken a grass roots demand for democracy The strange rivalry between the Termites and Barking Dogs would ultimately doom perestroika Spencer's research dispels the widely held perception that US President Ronald Reagan won the Cold War by standing firm until the Soviet Union blinked first There are vitally important lessons to be learned from the Soviet period about how to assist citizens of totalitarian and authoritarian regimes around the world The irony is that transnational civil society organizations major sources of the progress in Soviet Russia are still needed today in authoritarian Russia under Vladimir Putin and Dmitry Medvedev for totalitarianism remains a potential social trap In *The Russian Quest for Peace and Democracy* Metta Spencer suggests new ways of building urgently needed social capital in today's Russia where democracy has yet to flourish **Law and the Christian Tradition in Modern Russia** Paul Valliere,Randall Poole,2021-09-15 This book authored by an international group of scholars focuses on a vibrant central current within the history of Russian legal thought how Christianity and theistic belief generally has inspired the aspiration to the rule of law in Russia informed Russian philosophies of law and shaped legal practices Following a substantial introduction to the phenomenon of Russian legal consciousness the volume presents twelve concise non technical portraits of modern Russian jurists and philosophers of law whose thought was shaped significantly by Orthodox Christian faith or theistic belief Also included are chapters on the role the Orthodox Church has played in the legal culture of Russia and on the contribution of modern Russian scholars to the critical investigation of Orthodox canon law The collection embraces the most creative period of Russian legal thought the century and a half from the later Enlightenment to the Russian emigration following the Bolshevik Revolution This book will merit the attention of anyone interested in the connections between law and religion in modern times **Peace Studies** Matthew Evangelista,2005 The academic field of Peace Studies emerged during the Cold War to address the nature and sources of interstate and internal conflict and methods to prevent it and deal

with its consequences *Communist Activities in the Peace Movement* United States. Congress. House. Committee on Un-American Activities, 1963 Includes discussion of Yuri V Mishukovi alleged espionage activities while working for the Soviet U N Mission *The Political Economy of War, Peace, and the Military-Industrial Complex* Raffaele Giammetti, Thomas Palley, 2025-01-10 This volume contains a collection of articles by leading thinkers in economics political economy and history They explore the enduring challenges of avoiding war and ensuring peace **19Th Century Russian Literature by Leo Tolstoy : War and Peace/Childhood/Boyhood/Anna Karenina** Leo Tolstoy, 2022-08-30 19th Century Russian Literature by Leo Tolstoy War and Peace Childhood Boyhood Anna Karenina by Leo Tolstoy This collection features some of the most significant works of 19th century Russian literature by Leo Tolstoy one of the greatest novelists of all time War and Peace is an epic historical novel that spans a vast canvas depicting the lives of multiple characters against the backdrop of the Napoleonic era Childhood and Boyhood are the first two parts of Tolstoy s autobiographical trilogy offering intimate insights into the author s early years and his coming of age experiences Anna Karenina is a masterful portrayal of love society and moral dilemmas revolving around the complex relationships of the titular character These timeless classics by Tolstoy explore themes of love war family society and the human condition solidifying his place as one of the giants of world literature Key Aspects of the Book 19th Century Russian Literature by Leo Tolstoy War and Peace Childhood Boyhood Anna Karenina 1 Epic Historical Novel War and Peace offers a sweeping narrative set during the tumultuous times of the Napoleonic Wars delving into the lives of diverse characters 2 Autobiographical Insights Childhood and Boyhood provide readers with autobiographical glimpses of Tolstoy s early life and his personal growth 3 Complex Exploration of Love and Society Anna Karenina is a profound study of human relationships love and the moral dilemmas faced by the characters in the context of Russian high society Leo Tolstoy was a Russian novelist and philosopher born in 1828 He is widely regarded as one of the greatest literary figures in world literature Tolstoy s works including novels like War and Peace and Anna Karenina and his numerous short stories are celebrated for their profound insights into human nature and society His literary contributions have had a significant impact on the development of realist fiction and the modern novel Beyond his literary achievements Tolstoy also explored philosophical and moral questions advocating for nonviolent resistance and a simple agrarian lifestyle His legacy continues to influence writers and thinkers around the world **For Security and For Peace** Jolanta Itrich-Drabarek, Marzena Cichosz, Danuta Plecka, Anna Jach, 2024-11-22 This book formulates a conceptual framework to analyse the Russian Ukrainian conflict It examines the strategies of the Baltic states and the attitudes of the societies of the Baltic Sea basin directed not only towards limiting the consequences of the Russian Ukrainian war but also towards restoring peace and ensuring future security in the region It assesses the Baltic states during and after the conflict discussing the problem of managing a coherent policy towards Russia and Ukraine the challenges faced by states during and after the conflict analysing the attitudes of societies and their evolution during and after the conflict The volume will be of

interest to scholars and researchers of European studies and war international relations political science peace and conflict studies

**Peace Advocacy in the Shadow of War** Francis Shor, 2024-01-05 For peace advocates a corollary to Clausewitz's dictum that war is politics by other means might be that other politics could prevent war By highlighting both individual peace advocates and antiwar peace organizations from World War I through the wars of the 21st century the chapters will provide insights into how these individuals and organizations articulated their opposition to and mobilized against specific wars and international regional conflicts Organized roughly in chronological order each chapter will illuminate the socio historical conditions under which such peace advocacy contested state aggression and armed combat at the national and or transnational levels Beyond understanding the specific socio historical circumstances within which these antiwar and peace advocates and organizations operated and their resultant achievements and failures the book as a whole will examine the kind of politics that perpetuate war and those that offer a challenge to that perpetuation Scholars students and the general public interested in the history of modern and contemporary wars peace and conflict studies and ethical political perspectives in the 20th and 21st centuries should find much to reflect upon in this book

**Russian Memories** Ol'ga Alekseevna Novikova, 1917 Washington and the Hope of Peace; Or, Washington and the Riddle of Peace H. G. Wells, 2017-02-17 This volume contains a collection of twenty nine papers written by H G Wells The essays first appeared in the New York World the Chicago Tribune and many other American and European papers They primarily concern post war international politics and would be of considerable utility to those with an interest in the subject The essays include The Immensity of the Issue Armaments The futility of Mere Limitation The Trail of Versailles Two Great Powers are Silent and Absent The Unknown Soldier of the Great War The President at Arlington The First Meeting and more Herbert George Wells 1866 1946 was a seminal English writer whose notable works include The War of the Worlds 1897 and The Time Machine 1895 Many vintage texts such as this are increasingly scarce and expensive and it is with this in mind that we are republishing this book now in an affordable high quality modern edition It comes complete with a specially commissioned biography of the author

*Washington and the Hope of Peace* Herbert George Wells, Charles Evans Hughes, Aristide Briand, 1922
