Russian Revolution And Civil War 1917 1921 An Annotated Bibliography

Kevin McNamara

Russian Revolution And Civil War 1917 1921 An Annotated Bibliography:

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15 Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia's involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution **1917: Stories and Poems from the Russian Revolution**, 2016-12-13 1917 Stories and Poems from the Russian Revolution is a collection of literary responses to one of the most cataclysmic events in modern world history which exposes the immense conflictedness and doubt conviction and hope pessimism and optimism which political events provoked among contemporary writers sometimes at the same time even in the same person This dazzling panorama of thought language and form includes work by authors who are already well known to the English speaking world Bulgakov Pasternak Akhmatova Mayakovsky as well as others whose work we have the pleasure of encountering here for the very first time in English Edited by Boris Dralyuk the acclaimed translator of Isaac Babel's Red Cavalry also published by Pushkin Press 1917 includes works by some of the best Russian writers some already famous in the English speaking world some published here for the very first time It is an anthology for everyone those who are coming to Russian literature for the first time those who are already experienced students of it and those who simply want to know how it felt to live through this extreme period in history POETRY Marina Tsvetaeva You stepped from a stately cathedral Night Northeaster Roar of soldiers Roar of waves Zinaida Gippius Now What have we done to it 14 December 1917 Osip

Mandelstam In public and behind closed doors Osip Mandelstam Let's praise O brothers liberty's dim light Anna Akhmatova When the nation suicidal Boris Pasternak Spring Rain Mikhail Kuzmin Russian Revolution Sergey Esenin Wake me tomorrow at break of day Mikhail Gerasimov I forged my iron flowers Vladimir Kirillov We Aleksey Kravsky Decrees Andrey Bely Russia Alexander Blok The Twelve Tsvetan Todorov Petersburg Pavlo Tychyna Golden Humming Vladimir Mayakovsky Revolution A Poem Chronicle To Russia Our March PROSE Alexander Kuprin Sashka and Yashka Valentin Kataev The Drum Aleksandr Serafimovich How He Died David Bergelson Pictures of the Revolution Teffi A Few Words About Lenin The Guillotine Vasily Rozanov from Apocalypse of Our Time Aleksey Remizov The Lay of the Ruin of Rus Yefim Zozulya The Dictator A Story of Ak and Humanity Yevgeny Zamyatin The Dragon Aleksandr Grin Uprising Mikhail Prishvin Blue Banner Mikhail Zoshchenko A Wonderful Audacity Mikhail Bulgakov Future Prospects *The Russian Revolution, 1917* Rex A. Wade, 2005-04-21 Rex Wade presents an account of one of the pivotal events of modern history combining his own long study of the revolution with the best of contemporary scholarship Within an overall narrative that provides a clear description of the 1917 revolution he introduces several new approaches on its political history and the complexity of the October Revolution Wade clears away many of the myths and misconceptions that have clouded studies of the period He also gives due space to the social history of the revolution and incorporates people and places too often left out of the story including women national minority peoples and peasantry front soldiers enabling a more complete history to emerge The 2005 second edition of this highly readable book has been thoroughly revised and expanded It will prove invaluable reading to anyone interested in Russian history

Russian Revolution of 1917 Sean N. Kalic, Gates M. Brown, 2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia's revolutions and Civil War These documents give readers a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research **The "Russian" Civil Wars, 1916-1926** Jonathan

Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele,2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world s first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War

Caught in the Revolution Helen Rappaport,2017-02-07 From the New York Times bestselling author of The Romanov Sisters comes a gripping portrait of a St Petersburg then named Petrograd at the outbreak of the Russian revolution

European Elites and Ideas of Empire, 1917-1957 Dina Gusejnova,2016-06-16 Who thought of Europe as a community before its economic integration in 1957 Dina Gusejnova illustrates how a supranational European mentality was forged from depleted imperial identities In the revolutions of 1917 to 1920 the power of the Hohenzollern Habsburg and Romanoff dynasties over their subjects expired Even though Germany lost its credit as a world power twice in that century in the global cultural memory the old Germanic families remained associated with the idea of Europe in areas reaching from Mexico to the Baltic region and India Gusejnova s book sheds light on a group of German speaking intellectuals of aristocratic origin who became pioneers of Europe s future regeneration In the minds of

transnational elites the continent's future horizons retained the contours of phantom empires This title is available as Open Access **The Routledge Companion to Women in Architecture** Anna Sokolina,2021-06-28 The Routledge Companion to Women in Architecture illuminates the names of pioneering women who over time continue to foster shape and build cultural spiritual and physical environments in diverse regions around the globe It uncovers the remarkable evolution of women's leadership professional perspectives craftsmanship and scholarship in architecture from the preindustrial age to the present The book is organized chronologically in five parts outlining the stages of women's expanding engagement leadership and contributions to architecture through the centuries It contains twenty nine chapters written by thirty three recognized scholars committed to probing broader topographies across time and place and presenting portraits of practicing architects leaders teachers writers critics and other kinds of professionals in the built environment The intertwined research sets out debates questions and projects around women in architecture stimulates broader studies and discussions in emerging areas and becomes a catalyst for academic programs and future publications on the subject The novelty of this volume is in presenting not only a collection of case studies but in broadening the discipline by advancing an incisive overview of the topic as a whole It is an invaluable resource for architectural historians academics students and professionals **A Rhetorical Crime** Anton Weiss-Wendt,2018-05-10 No detailed description available for A Rhetorical Crime **Red Fortress** Catherine Merridale,2013-11-12 A magisterial richly detailed history of the Kremlin and of the centuries of Russian elites who have shaped it and been shaped by it in turn The Moscow Kremlin is the heart of the Russian state a fortress whose blood red walls have witnessed more than eight hundred years of political drama and extraordinary violence It has been the seat of a priestly monarchy a worldly church and the Soviet Union it has served as a crossroads for diplomacy trade and espionage it has survived earthquakes devastating fires and at least three revolutions Its very name is a byword for enduring power From Ivan the Terrible to Vladimir Putin generations of Russian leaders have sought to use the Kremlin to legitimize their vision of statehood Drawing on a dazzling array of sources from hitherto unseen archives and rare collections renowned historian Catherine Merridale traces the full history of this enigmatic fortress The Kremlin has inspired innumerable myths but no invented tales could be more dramatic than the operatic successions and savage betrayals that took place within its vast compound of palaces and cathedrals Today its sumptuous golden crosses and huge electric red stars blaze side by side as the Kremlin fulfills its centuries old role linking the country's recent history to its distant past and proclaiming the eternal continuity of the Russian state More than an absorbing history of Russia's most famous landmark Red Fortress uses the Kremlin as a unique lens bringing into focus the evolution of Russia's culture and the meaning of its politics **Russia and the British Left** David Burke,2018-02-08 The study of Marxism in Britain throws light on what many historians have referred to as the enemy within In this book David Burke looks at the activities of Russian political emigres in Britain and in particular the role of one family the Rothsteins He looks at the contributions of Theodore and Andrew Rothstein to British

Marxism and the response of the intelligence services to what they regarded as a serious threat to security With access to recently released documents this book analyses the activities of early twentieth century British Marxists and brings to life the story of a remarkable family The Great War against Eastern European Jewry, 1914-1920 Giuseppe Motta,2018-06-11 This volume focuses on the consequences that the First World War had on the Jews living in the notorious Pale of Settlement within the frontiers of the Tsarist Empire The research is entirely based on a solid documentary study consisting of the documents of the Joint Distribution Committee and references to many historiographic works Rather than dealing with the military aspects of war the book focuses on the political consequences and in particular on the economic and social changes that the conflict generated The Jewish communities experienced a personal tragedy within the general tragedy of war as they were particularly damaged not only by violence and persecutions suffering from the pogroms of Cossacks and local populations but also by the evacuations and expulsions ordered by the military It meant that a great part of the Jewish population was forced to leave their residence and in many cases compelled to wander for several years or even to emigrate In addition to this after the outbreak of World War I the Russian Jews became hostile elements who were viewed as potential spies and traitors and were subsequently targeted by a new wave of discriminatory measures that were based on two myths of contemporary antisemitism the stab in the back and the conspiracy of Jewish Bolshevism From this perspective what happened during the Great War could be seen as an anticipation of the tragedy that affected Eastern European Jewry in the following decades *Dreams of a Great Small Nation* Kevin McNamara,2016-03-29 In 1917 two empires that had dominated much of Europe and Asia teetered on the edge of the abyss exhausted by the ruinous cost in blood and treasure of the First World War As Imperial Russia and Habsburg ruled Austria Hungary began to succumb a small group of Czech and Slovak combat veterans stranded in Siberia saw an opportunity to realize their long held dream of independence While their plan was audacious and complex and involved moving their 50 000 strong army by land and sea across three quarters of the earths expanse their commitment to fight for the Allies on the Western Front riveted the attention of Allied London Paris and Washington On their journey across Siberia a brawl erupted at a remote Trans Siberian rail station that sparked a wholesale rebellion The marauding Czecho Slovak Legion seized control of the Trans Siberian Railroad and with it Siberia In the end this small band of POWs and deserters whose strength was seen by Leon Trotsky as the chief threat to Soviet rule helped destroy the Austro Hungarian Empire and found Czecho Slovakia **The Russian Revolution** Abraham Ascher,2014-03-06 1917 the year a series of rebellions toppled three centuries of autocratic rule and placed a group of political radicals in charge of a world power Here suddenly was the first modern socialist state a kingdom more bright than any heaven had to offer But the dream was short lived bringing in its wake seventy years of conflict and instability that nearly ended in nuclear war How could such a revolution take place and what caused it to go so very wrong Presenting a uniquely long view of events Abraham Ascher takes readers from the seeds of revolution in the 1880s right through to Stalin s state terror and the power

of the communist legacy in Russia today Original and shrewd Ascher's analysis offers an unparalleled introduction to this watershed period in world history The Decline of Empires in South Asia Heather A. Campbell, 2022-04-21 The post First World War period was pivotal in global history international relations and geopolitics And no more than in South Asia where for decades the Great Game in geopolitical rivalry of the two greatest modern empires Britain and Russia had dominated international relations But with the advent of Communism in Russia and growing nationalism and pan Islamism in Afghanistan Persia and India Britain's imperial standing was under threat Faced with these problems some in the British government such as Lord Curzon the dominant imperialist in the British Foreign Office fell back on what they knew old patterns of rivalry and high handedness that characterised the Great Game Not all however agreed with Curzon and with war in Afghanistan civil unrest in India and rising tensions in Persia those who opposed this Great Game mindset advocated a new way forward for British foreign relations **The New Spymasters** Stephen Grey, 2015-07-14 The old world of spying dead letter boxes microfilm cameras an enemy reporting to the Moscow Center and a hint of sexual blackmail is history The spymaster's technique has changed and the enemy has too He or she now frequently comes from a culture far removed from Western understanding and is part of a less well organized group The new enemy is constantly evolving and prepared to kill the innocent In the face of this new threat the spymasters of the world shunned human intelligence as the primary way to glean clandestine information and replaced it with an obsession that focuses on the technical methods of spying ranging from the use of high definition satellite photography to the global interception of communications However this obsession with technology has failed most spectacularly with the devastation of the 9 11 attacks In this searing modern history of espionage Stephen Grey takes us from the CIA's Cold War legends to the agents who betrayed the IRA through to the spooks inside Al Qaeda and ISIS Techniques and technologies have evolved but the old motivations for betrayal patriotism greed revenge compromise endure Based on years of research and interviews with hundreds of secret sources Stephen Grey's *The New Spymasters* is an up to date exposé that shows how spycraft's human factor is once again being used to combat the world's deadliest enemies *The Jews in Poland and Russia* Antony Polonsky, 2012-02-09 A comprehensive socio political economic and religious history an important story whose relevance extends beyond the Jewish world or the bounds of east central Europe Civil War in Central Europe, 1918-1921 Jochen Böhrer, 2018 Civil War in Central Europe argues that Polish independence after the First World War was forged in the fires of the post war conflicts which should be collectively referred to as the Central European Civil War 1918 1921 The ensuing violence forced those living in European border regions to decide on their national identity German or Polish

Decoding **Russian Revolution And Civil War 1917 1921 An Annotated Bibliography**: Revealing the Captivating Potential of Verbal Expression

Russian Revolution And Civil War 1917 1921 An Annotated Bibliography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Revolution And Civil War 1917 1921 An Annotated Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Revolution And Civil War 1917 1921 An Annotated Bibliography has opened up a world of possibilities. Downloading Russian Revolution And Civil War 1917 1921 An Annotated Bibliography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Revolution And Civil War 1917 1921 An Annotated Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Revolution And Civil War 1917 1921 An Annotated Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Revolution And Civil War 1917 1921 An Annotated Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Russian Revolution And Civil War 1917 1921 An Annotated Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Revolution And Civil War 1917 1921 An Annotated Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
