Russias Second Revolution The February 1917 Uprising In Petrograd

Matthew Rendle

Russias Second Revolution The February 1917 Uprising In Petrograd:

Russia's Second Revolution Édouard Nikolaevich Burdzhakov, 1987 This beautifully written serious work is of value to all who are interested in our country's Russia's past Genrikh Ioffe Moscow News This is a serious and mature book on a key event History The book in question is of exceptional value to anyone who cannot read Russian and wishes to know just what happened in the first months of 1917 Scottish Slavonic Review a classic of Soviet historical writing Problems of Communism Capturing the drama and human side of the revolution Burdzhakov's comprehensive and meticulously researched history of the social and political course of the February 1917 uprising in Petrograd challenged Stalinist orthodoxy in Soviet historical scholarship when it was published in Moscow in 1967 and Western historians have since characterized this as a landmark book

The Russian Revolution, 1917 Rex A. Wade, 2017-02-02 This book explores the 1917 Russian Revolution from its February Revolution beginning to the victory of Lenin and the Bolsheviks in October *Critical Companion to the Russian Revolution, 1914-1921* Edward Acton, V. I. Cherniiaev, V. I. Cherniiaev, William G. Rosenberg, 1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted by Book News Inc Portland OR *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Leaflets of the Russian Revolution, 2018-11-27 When workers and peasants rose up across Russia and smashed the centuries old Tsarist autocracy their actions reverberated across the world and continue to inspire activists to this day This carefully assembled and expertly translated collection of documents from the Petrograd socialist movement in 1917 provides contemporary readers with a firsthand glimpse into the revolutionary ferment as it unfolds In Leaflets of the Russian Revolution Barbara Allen selects and introduces the pamphlets and other agitational material that give life to the debates disagreements and perspectives that animated the masses during the revolution *Redefining Stalinism* Harold Shukman, 2004-11-23 Born in 1879 in Georgia

Stalin joined the Bolsheviks under Lenin in 1903 and became General Secretary of the Communist Party in 1922 These edited papers reassess the deeds policies and legacy of a man who was responsible for innumerable deaths and untold human misery

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Women and Work in Russia, 1880-1930 Jane Mcdermid,Anna Hillyar,2014-09-19 This study considers the impact of industrialisation revolution and world war on women s working lives in Russia Unlike existing studies this new text looks at women from all social classes In the process the authors reveal how the stereotypical portrayal of Russian women s work as a struggle of endurance and sacrifice distorts and oversimplifies the reality of their experience between 1880 and 1930

Defenders of the Motherland Matthew Rendle,2010 Matthew Rendle studies how the most powerful social groups in tsarist Russia reacted to the challenges of 1917 He argues that the alienation of elites from the tsar and their support for the Provisional Government secured the initial success of the revolution but the threat they posed laid the foundations of the repressive Soviet regime

Adventures in Russian Historical Research Samuel H. Baron,Cathy Frierson,2015-04-08 American historians of Russia have always been an intrepid lot Their research trips were spent not in Cambridge or Paris Rome or Berlin but in Soviet dormitories with official monitors They were seeking access to a historical record that was purposefully shrouded in secrecy boxed up and locked away in closed archives Their efforts indeed their curiosity itself sometimes raised suspicion at home as well as in a Soviet Union that did not want to be known even while it felt misunderstood This lively volume brings together the reflections of twenty leading specialists on Russian history representing four generations They relate their experiences as historians and researchers in Russia from the first academic exchanges in the 1950s through the Cold War years detente glasnost and the first post Soviet decade Their often moving acutely observed stories of Russian academic life record dramatic change both in the historical profession and in the society that they have devoted their careers to understanding

Seven Myths of the Russian Revolution Jonathan Daly,Leonid Trofimov,2023-02-09 This fascinating volume is a major contribution to our understanding of the Russian Revolution from World War I to consolidation of the Bolshevik regime The seven myths include the exaggeration of Rasputin s influence a purported conspiracy behind the February Revolution the treasonous Bolshevik dependence on German support the multiple Anastasia pretenders to the royal inheritance the antisemitic claims about Judeo Bolsheviks distortions about America s intervention in the civil war and the inevitability of Bolshevism In each case the authors analyze the facts uncover the origins of the myth and trace its later perseverance even in contemporary Russia To assist readers the volume includes three reference guides people terms dates nine maps and twenty nine illustrations The

result is immensely valuable for undergraduate courses in Russian history Gregory L Freeze Raymond Ginger Professor of History Brandeis University **Midwives of the Revolution** Jane McDermid, Anna Hillyar, 2024-11-01 The Bolshevik seizure of power in 1917 and the ensuing communist regime have often been portrayed as a man's revolution with women as bystanders or even victims *Midwives of the Revolution* examines the powerful contribution made by women to the overthrow of tsarism in 1917 and their importance in the formative years of communism in Russia Focusing on the masses as well as the high ranking intelligentsia *Midwives of the Revolution* is the first sustained analysis of female involvement in the revolutionary era of Russian history The authors investigate the role of Bolshevik women and the various forms their participation took Drawing on the experiences of representative individuals the authors discuss the important relationship between Bolshevik women and the workers in the turbulent months of 1917 The authors demonstrate that women were an integral part of the revolutionary process and challenge assumptions that they served merely to ignite an essentially masculine revolt By placing women center stage without exaggerating their roles this study enriches our understanding of a momentous event in twentieth century history **The "Russian" Civil Wars, 1916-1926** Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow **The Workers' Opposition in the Russian Communist Party**, 2021-09-27 The Russian Workers Opposition in 1919-21 advocated trade union management of the Soviet economy and worker dominance of the Russian Communist Party's leading bodies *The Workers Opposition in the Russian Communist Party Documents 1919-30* comprises articles speeches theses memoranda protocols resolutions letters diary entries and other documents pertaining to the activity of the Workers Opposition group during its existence and of its individual former members after the group dissolved and until its key members ceased their participation in dissenting political activities by 1930 Most of the documents in the collection have never before been published in English and many have not been published in Russian It will appeal to those who study Marxism trade unions and Soviet history **Historical Dictionary of the Russian Revolution** Jonathan Davis, 2020-05-15

Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia s involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution **Lenin**

Lives? Christopher Read,2023-12-12 Lenin lived a controversial life and has had a deeply controversial reputation in the centenary since his death 21 January 1924 His rise from a conventional educated provincial and middle class background to become not only the leader even dictator over the largest country on earth is dramatic and vital in itself But it is only part of the story Even after his death he was unchallenged as the chief inspirer of a disparate world revolutionary movement which rocked the dominant capitalist world for most of the twentieth century His admirers and disciples included major intellectual and cultural figures such as Brecht Picasso Sartre Franz Fanon and Pablo Neruda disparate radical activists and revolutionaries such as Ho Chi Minh Joseph Stalin Mao Ze dong Fidel Castro Che Guevara Josip Broz Tito terrorist groups such as the Red Brigades and Baader Meinhof and many liberation movements Despite this his work and influence have often been written off as no longer relevant and many today consider this to be so Lenin has they claim had his day even though he is still revered in China the world s most populous country However Lenin like his mentor Marx has had a tendency to rise from apparent decline and oblivion to renewed force and influence This study examines the key elements of Lenin s life and career the consolidation of his ideas into the doctrines of Leninism the influence of Leninism in promoting revolutionary movements around the globe and the currently disputed issue of whether his ideas still have any relevance today In particular while considering his views on the role of the revolutionary party often seen as the centrepiece of his theory and practice this account identifies the root of Lenin s global influence in his opposition to capitalist imperialism and as a bedrock foundation for the opposition of many to fascism and associated ideologies While recognizing that Lenin s reputation has reached its lowest point not least in his home country where his legacy is reviled by Vladimir Putin and other contemporary leaders the book concludes by weighing up the contemporary arguments of those who believe that Lenin still lives Citizen Countess Adele Lindenmeyr,2019-11-12 Countess Sofia Panina lived a remarkable life Born into an aristocratic family in imperial Russia she found her true calling in improving the lives of urban workers Her passion for social service and reputation as the Red Countess led her to political prominence after the fall of the Romanovs She became the first woman to

hold a cabinet position and the first political prisoner tried by the Bolsheviks The upheavals of the 1917 Revolution forced her to flee her beloved country but instead of living a quiet life in exile she devoted the rest of her long life to humanitarian efforts on behalf of fellow refugees Based on Adele Lindenmeyr's detailed research in dozens of archival collections Citizen Countess establishes Sofia Panina as an astute eyewitness to and passionate participant in the historical events that shaped her life Her experiences shed light on the evolution of the European nobility women's emancipation and political influence of the time and the fate of Russian liberalism Revolutions Paul Caringella, Glenn Hughes, 2013-02-21 Revolutions Finished and Unfinished From Primal to Final is an important philosophical contribution to the study of revolution It not only makes new contributions to the study of particular revolutions but to developing a philosophy of revolution itself Many of the contributors have been inspired by the philosophical approaches of Eric Voegelin or Eugen Rosenstock Huessey and the tension between these two social philosophies adds to the philosophical uniqueness and richness of the work Rewriting History in Soviet Russia R. Markwick, 2001-02-01 This book explores the political significance of the development of historical revisionism in the USSR under Khrushchev in the wake of the Twentieth Congress of the CPSU and its demise with the onset of the period of stagnation under Brezhnev On the basis of intensive interviews and original manuscript material the book demonstrates that the vigorous rejuvenation of historiography undertaken by Soviet historians in the 1960s conceptually cleared the way for and fomented the dramatic upheaval in Soviet historical writing occasioned by the advent of perestroika The Russian Revolution, 1917-1921 Ronald I. Kowalski, 1997 The collapse of the Soviet Union in 1991 has provided fresh perspectives from which to view the Revolution out of which it grew The Russian Revolution 1917 1921 by Ronald Kowalski reviews the ever changing debate on the nature of the Russian Revolution This collection of documents and sources includes newspapers memoirs and literature commentary and background information of each source a narrative of the major events of the period new material made available since the policy of glasnost a re examination of World War One and the Revolution focus on thematic issues such as the actions of peasants and workers For students of European history this will provide interesting and informative reading on this major event in Russia's turbulent past

Russias Second Revolution The February 1917 Uprising In Petrograd Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russias Second Revolution The February 1917 Uprising In Petrograd free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russias Second Revolution The February 1917 Uprising In Petrograd free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russias Second Revolution The February 1917 Uprising In Petrograd free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russias Second Revolution The February 1917 Uprising In Petrograd. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russias Second Revolution The February 1917 Uprising In Petrograd any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russias Second Revolution The February 1917 Uprising In Petrograd Books
