Rust On The Razor A Tom And Scott Mystery:

Rust On The Razor Mark Richard Zubro, 1997-06-15 A Tom Scott Mystery Trapped in a small Georgia town Tom and Scott are framed for the murder of the local sheriff The latest in the Tom Scott mystery series by a Lambda Award winning author *The Gay Detective Novel* Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes *Bowker's Guide to Characters in Fiction* 2007 , 2008-02 *File Under Dead* Mark Richard Zubro, 2004-08 After years of avoiding volunteer organizations Chicago high school teacher Tom Mason is finally guilted into volunteering a few hours a week at a local gay services clinic Since he finds the bitter in fighting at the organization to be intolerable and the head of the clinic to be downright poisonous Tom does his hours on early Saturday morning before anyone else arrives and avoids most of the office politics But his quiet Saturday goes quickly awry when two gay teens in a particularly difficult situation seek him out for counseling early to avoid being seen by anyone else After they leave Tom decides to tidy up the cramped disordered office and file some of the tettering piles that are practically everywhere Filing turns out to be a surprisingly gruesome task however when in one of the filing cabinet drawers Tom finds the severed head of the director of the clinic The director called Snarly Bitch behind his back because of his unpleasant demeanor had a particularly long enemies list and Tom himself is not particularly choked up about his untimely demise But with a long suspect list a fairly indifferent police force and the welfare of some of the clinic's youthful charges on the line Tom himself must sort out the murder before an innocent takes the fall for this very unusual crime **Schooled in Murder** Mark Richard Zubro, 2008-07-08 Tom Mason Chicago area high school teacher has been teaching at Grover Cleveland High School for a while long enough to loathe the faculty meetings and long enough to know that as bad as they are they aren't fatal Usually Having had all he can take of the endless bickering picking and factional disputes he sneaks out

of the meeting for a short break only to find the meeting over when he returns the usual suspects having departed to the four winds Having decided that this was a sign of his good fortune he decides to see if the stockroom actually has the supplies he needs What he finds there however is a trysting couple in the dark one married the other not and once the light is turned on a dead body in the corner The body is that of one of his colleagues who stormed out of the faculty meeting earlier a blackboard eraser stuffed into her lifeless mouth Having disappeared from the meeting at roughly the same time Tom finds himself in the unwelcome position of prime suspect and with the help of his husband former baseball player Scott Carpenter he ll have to figure out who really killed the other teacher before the crime is pinned on him **Feminist Bookstore News**

The Truth Can Get You Killed Mark Richard Zubro, 2011-04-01 The last thing that Chicago Police Detective Paul

Turner wants to do on New Year's Day is investigate a murder. But when the body is that of a conservative homophobic judge and it is found outside a popular gay nightclub, the task takes on a new urgency for him. Now Turner must unravel the threads connecting the unlikely victim to his unsuspected murder scene and look for answers in the most unusual places. Mark Richard Zubro's *The Truth Can Get You Killed* is full of non-stop action and the author's signature humor, another stellar mystery for Detective Paul Turner. *Hook, Line & Homicide* Mark Zubro, 2025-05-21. Since when are vacations ever relaxing? All Chicago police Detective Paul Turner is hoping for on his annual retreat from the city and his job is a little peace and quiet. This time he's headed to the Canadian Great North Woods for a couple of weeks with family and friends, his two teenaged sons, his lover Ben, neighborhood pals, and his long-term police partner Detective Buck Fenwick along with his wife. But hopes of tranquility are soon crushed when Turner intervenes in a scuffle between a group of First Nations teens and a local bully and his cohorts. In the days following the incident, Turner and company find themselves the object of a series of attacks, break-ins, and sabotage of their equipment. Unable to get the attention of the local police, the events continue to escalate, culminating in the local bully's dead body being found floating in the water near the dock of their houseboat. In Mark Richard Zubro's *Hook, Line and Homicide*, things are turning out to be not only one of the least relaxing vacations ever but one of the deadliest.
