Gravano to Fat Vinnie Teresa of the lengths the program goes to to keep its charges safe and of cases that went very wrong and occasionally even protected those who went on to kill again He describes the agony endured by innocent people who found themselves in the wrong place at the wrong time and ended up in a program tailored to criminals And along with Shur s war stories WITSEC draws on the haunting words of one mob wife who vividly describes her life of lies secrecy and loss inside the program A powerful true story of the inner workings of one of the most effective and controversial weapons in the war against organized crime and the inner workings of organized crime itself and more recently against Colombian drug dealers outlaw motorcycle gang members white collar con men and international terrorists this book takes us into a tense dangerous twilight world carefully hidden in plain sight where the family living next door might not be who they say they are
