Keefer, John George Hodgins, Charles Robb, Moses Henry Perley, William Murray, 1864 **Protestant Liberty** James M. Forbes, 2022-08-15

Tensions between Protestantism and Catholicism dominated politics in nineteenth century Canada occasionally erupting into violence While some liberal politicians and community leaders believed that equal treatment of Protestants and Catholics would defuse these ancient quarrels other Protestant liberals perceived a battle for the soul of the nation Protestant Liberty offers a new interpretation of nineteenth century liberalism by re examining the role of religion in Canadian politics While this era s liberal thought is often characterized as being neutral toward religion James Forbes argues that the origins of Canadian liberalism were firmly rooted in the British tradition of Protestantism and were based on the premise of guarding against the advance of supposedly illiberal faiths especially Catholicism After the union of Upper Canada with predominantly French Catholic Lower Canada in 1840 this Protestant ideal of liberty came into conflict with a more neutral alternative that sought to strip liberalism of its religious associations in order to appeal to Catholic voters and allies In a decisive break from their Protestant heritage these liberals redefined their ideology in secular materialist terms by emphasizing free trade and private property over faith and culture In tracing how the Confederation generation competed to establish a unifying vision for the nation Protestant Liberty reveals religion and religious differences at the centre of this story *The Oxford Encyclopædia of Canadian History* Lawrence Johnstone Burpee,1926 *Schooling and Scholars in Nineteenth-century Ontario* Susan E. Houston, Alison L. Prentice, 1988-01-01

Nineteenth century educational reformers were fond of an agricultural metaphor when it came to the provision of more and better schooling even good land they argued had to be cultivated othersie noxious weeds sprang up In this study of education in Ontario from the establishment of Upper Canada to the end of Egerton Ryerson s career as chief superintendent of schools in 1876 Susan Houston and Alison Prentice explore the roots of the provincial public school system set up to instill a work ethic and moral discipline appropriate to the new society as well as the beginnings of separate schools today the Ontario school system is once again the subject of intense and often bitter debate Many of the most contentious issues have deep and complex roots that go back to this era Houston and Prentice tell the story of how Ontario came to have a universal school system of exceptional quality and shed valuable light on an area of current concern Sessional Papers of the Dominion of Canada Canada. Parliament, 1904 Report of the Dominion fishery commission on the fisheries of the province of Ontario 1893 issued as vol 26 no 7 supplement **The Makers of Canada** Various, 2023-10-04 The Makers of Canada is a significant historical compilation that sheds light on the

key figures who shaped Canada's history and identity. Written in a detailed and comprehensive manner, this book explores the lives and contributions of prominent individuals who played instrumental roles in Canada's development. The author utilizes a combination of primary sources, personal accounts, and historical analysis to provide readers with a thorough understanding of the impact these figures had on the country's evolution. The literary style of the book is informative and engaging, making it an essential read for those interested in Canadian history and biographies of influential personalities. *The Makers of Canada* not only presents a rich tapestry of narratives but also serves as a valuable resource for academic research in the field of Canadian studies. Each chapter delves into the unique experiences and accomplishments of these makers, offering readers a glimpse into the diverse tapestry of Canada's history. Readers will appreciate the meticulous research and insightful commentary that defines this compelling work.

Canada's Origins Janet Ajzenstat, Peter J. Smith, 1995. Ajzenstat and Smith challenge the idea of Canada as a country whose liberal individualism, unlike that of the United States, is redeemed by a tradition of government intervention in economic and social life, the so-called tory touch. This ground-breaking book begins with the now classic article in which the red tory view was formulated. It then presents a new and illuminating picture of Canadian political life in which liberal individualism confronts not toryism but the participatory tradition of civic republicanism. In the final section, the two editors, one a liberal, the other a civic republican, debate the crucial questions dominating Canadian politics today, including Quebec's search for recognition from the perspective of their shared understanding of Canada's founding.

Free Books for All Lorne Bruce, 1994-01-09. Free Books for All provides a detailed and reflective account of the people, groups, communities, and ideas that shaped library development in the decades between 1850 and 1930, from Egerton Ryerson to George Locke, from Mechanics Institutes to renovated Carnegie libraries. A chronological narrative, lively writings by the people involved, tables, maps, graphs, and period photographs combine to tell the stories of the librarians, trustees, educators, politicians, and library users who contributed to Ontario's early public library system. The book brings to life a fascinating

period of library history The movement to use the power of local governments to furnish rate supported library service for citizens was a successful Victorian and Edwardian thrust Today more than 500 public libraries span the province serving as intermediary points between authors and readers and providing a wide scope of information and programming services for educational and recreational purposes The libraries themselves are in part a tribute to the men and women who worked tirelessly to promote library service before 1930 This new study will deepen our understanding of the people and processes that established the foundation for modern public library service in Ontario and Canada
