S Seymour Thomas 1868 1956:

S. Seymour Thomas, 1868-1956 Cecilia Steinfeldt, 2005 In depth study of the life and work Texas artist S Seymour Thomas who was born in San Augustine Texas Showcases numerous paintings on permanent display at the Ezekiel Cullen House in San Augustine *S. Seymour Thomas* Hazel T. Thomas, 1981 Photographic copies of paintings inserted Information on the artist s family childhood in Texas studies with William M Chase and James C Beckwith in New York later studies in Paris marriage with artist Helen Haskell and work as portrait painter in Paris New York and from 1916 in California At the Heart of Texas Richard B. McCaslin, 2014-04-01 History like that of Texas is rare Is it not discreditable to the people of Texas that they should leave the collection of material for the history of the State to the great endowed Northern libraries Let Texas arouse herself for very shame and begin at once the discharge of her filial duty So wrote George Pierce Garrison in the first issue of the Quarterly of the Texas State Historical Association published in July 1897 just months after the establishment of the organization on March 2 The state of Texas was just half a century old the city of Austin going back to the days of the Republic was a little older a few years past its half century and the University of Texas where Garrison was the history professor was not yet fourteen Earlier attempts to organize historical societies in Texas traced in the opening chapter illuminate the factors that came ultimately to be decisive in the success of the Association the wisdom in linking the organization with the University of Texas the inclusion of lay historians and the continued insistence on high academic standards And from the beginning the Association has established a tradition for publishing in the Quarterly in addition to the Anglo story the stories of the Indians the Spanish and the French According to author Richard B McCaslin It may be that the Association survived where its predecessors had not because Garrison who was as much a Progressive historian as any of his contemporaries understood the value of inclusiveness The text is organized in chronological chapters by the tenures of the seven directors George Garrison to Ron Tyler all of whom were professors in the UT history department Within the larger framework of the directors the programs and the publications McCaslin gives shape to the unique interaction of forces university political and the academic lay membership that has accorded the Association a character and suppleness that continues to ensure its long endurance The book is profusely illustrated and sidebars culled from past issues of the Quarterly complement the text Winner of the Award of Merit from the Philosophical Society of Texas **Houston's Hermann Park** Alice (Barrie) M. Scardino Bradley, 2013-11-08 Richly illustrated with rare period photographs Houston s Hermann Park A Century of Community provides a vivid history of Houston s oldest and most important urban park Author and historian Barrie Scardino Bradley sets Hermann Park in both a local and a national context as this grand park celebrates its centennial at the culmination of a remarkable twenty year rejuvenation As Bradley shows Houston s development as a major American city may be traced in the outlines of the park s history During the early nineteenth century Houston leaders were most interested in commercial development and connecting the city via water and rail to markets beyond its immediate area They

apparently felt no need to set aside public recreational space nor was there any city owned property that could be so developed By 1910 however Houston leaders were well aware that almost every major American city had an urban park patterned after New York s Central Park By the time the City Beautiful Movement and its overarching Progressive Movement reached the consciousness of Houstonians Central Park s designer Frederick Law Olmsted had died but his ideals had not Local advocates of the City Beautiful Movement like their counterparts elsewhere hoped to utilize political and economic power to create a beautiful spacious and orderly city Subsequent planning by the renowned landscape architect and planner George Kessler envisioned a park that would anchor a system of open spaces in Houston From that groundwork in May 1914 George Hermann publicly announced his donation of 285 acres to the City of Houston for a municipal park Bradley develops the events leading up to the establishment of Hermann Park then charts how and why the park developed including a discussion of institutions within the park such as the Houston Zoo the Japanese Garden and the Houston Museum of Natural Science The book s illustrations include plans maps and photographs both historic and recent that document the accomplishments of the Hermann Park Conservancy since its founding in 1992 Royalties from sales will go to the Hermann Park Conservancy for stewardship of the park on behalf of the community

Julian Onderdonk in New York James Graham Baker,2014-04-25 Famed for his bluebonnet landscapes San Antonio native Julian Onderdonk may be the most well known artist Texas has ever produced Onderdonk spent several years outside the state though seeking to make a name for himself in New York City He spent much of his time in New York as the very definition of a starving artist In *Julian Onderdonk The Lost Years* the Lost

Paintings James Graham Baker explores the artist's New York years so often neglected by previous scholars Through painstaking research Baker reveals that Onderdonk painted hundreds of images under pseudonyms during his time in New York These images not only reveal the means by which the artist struggled to make ends meet but add another dimension to our understanding of the artist's oeuvre It is not possible to appreciate and understand Julian Onderdonk and his art without including these works Largely composed of landscapes and marine scenes depicting the vanishing rural areas and shorelines around New York City they show that Onderdonk was more than simply a bluebonnet painter
