## **Sabbath And Jubilee:**

**Sabbath and Jubilee** Richard H. Lowery,2012-11 Each book in this series provides an in depth look at a major recurring theme in the Bible and its lasting theological influence The series is designed to enhance the reader s understanding of our biblical heritage and its relevance to faithful life today This book examines the biblical sabbath sabbath year and jubilee traditions as part of a broader effort to reflect theologically on these challenges and points to ways we might build a global ethic of economic and environmental justice

A New Heaven and a New Earth J. Richard Middleton,2014-11-25 In recent years more and more Christians have come to appreciate the Bible s teaching that the ultimate blessed hope for the believer is not an otherworldly heaven instead it is full bodied participation in a new heaven and a new earth brought into fullness through the coming of God s kingdom Drawing on the full sweep of the biblical narrative J Richard Middleton unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope He suggests its ethical and ecclesial implications exploring the difference a holistic eschatology can make for living in a broken world

**The Holy Bible "Chronicle" of Sequential Biblical Events** Robert Killian,2012-09 Most of us have wondered sometime during our lifetime about when Adam and Eve were really expelled from paradise in the Garden of Eden Can we find a verifiable and replicable answer to this question Most of us have questioned sometime during our lifetime the accepted sequential biblical timeline of Archbishop James Ussher who claimed that 4004 BC was the actual date for that initial biblical event in our current holy scriptures Was he right Most of us have questioned sometime in our lifetime how the Hebrew s accepted claim that 3761 BC could be the actual date for Adam s expulsion Were they right Can we find a way to reconstruct the complete Hebrew Bible timeline from Adam s expulsion from paradise to our day Is this possible Who believes that it can

be done Well it has been done Here is how it is done To reconstruct the Hebrew Bible timeline we need to know only the simple math formula that they used The employment of this simple formula shall enable us to rebuild that same sequential biblical timeline block by block in the exact same fashion that the Jewish people use from the beginning at Adam s expulsion from paradise in the Garden of Eden The formula used in reconstructing an actual count of the Hebrew Bible is found below  
 7 7 49 10 4 900 solar years 7 7 49 1 50 10 500 10 5 000 lunar years Since both of these 49 solar and 50 lunar periods of time contain 18 200 days approx we can then post the number of any given sequential biblical event in its designated year position on a side by side comparison chart If we post the number in this fashion it will show us exactly when and where on the timeline chart there is an error in the sequential computations of any sequential biblical event that is propounded by any biblical chronologist past or present In this present book we find that the Ussher biblical timeline is 112 years too early And the Hebrew biblical timeline of Codex Judaica is 131 years too late Obviously 3892 BC is the only year number that can work for a verifiable timeline This book The Holy Bible Chronicle of Sequential Biblical Events by Robert P Killian is the fruit of over seventy year search for that verifiable and replicable answer to the long sought question Can the Ussher biblical timeline be trusted

**Proclaim Jubilee!** Maria Harris,1996-01-01 The biblical Jubilee that was celebrated once every fifty years is referred to in Leviticus 25 as the Sabbath of Sabbaths Its requirements included that the land lie fallow all debts be forgiven captives be freed and a celebration held Maria Harris considers the implications of a living Jubilee for today and for the next century She offers a compelling argument that a living Jubilee is a comprehensive spirituality that would have a positive political economic and moral impact on individuals families religious congregations institutions and nations

*Human Significance in Theology and the Natural Sciences* Christopher L. Fisher,2010-02-03 The medieval worldview that regarded human beings as at the center of God s plans for His universe has long been regarded as obsolete its synthesis of Christian theology and Greek philosophy having collapsed under the weight of Copernicus Galileo and Darwin The popular stereotype is that Science both in the Copernican revolution that dethroned the earth centered view of the cosmos and in subsequent developments in evolutionary theory and general relativity has marginalized and trivialized human existence revealing humanity s place in the cosmos to be accidental peripheral and ultimately meaningless However an investigation into both modern Christian theology and contemporary twenty first century Science reveals just the opposite providing solid evidence in the interdisciplinary dialogue concerning the significance of humanity within the universe In this important study Christopher Fisher analyzes several modern theologians including Wolfhart Pannenberg Karl Rahner and John Zizioulas to reveal how contemporary ecumenical theology is deeply and intrinsically committed to a high view of human cosmic significance as a consequence of Christianity s indelible Trinitarian and incarnational faith Fisher then demonstrates how research in contemporary natural Science confirms this finding in its own way as recent primate intelligence studies artificial intelligence research and even the quest for extra terrestrial intelligence reveal the wonder of human uniqueness A contemporary version of the teleological argument also resurfaces in consideration of cosmic evolutionary perspectives on human existence Even ecological concerns take on a new poignancy with the realization that among material creatures only human beings are capable of addressing the world s situation This interdisciplinary study uncovers the surprising coherence and convergence of Christian Theology and Natural Science on the subject of human existence and significance here at the beginning of the twenty first century and it highlights the very unique role of humanity in global and cosmic history

**Studies in the Book of Jubilees** Matthias Albani,Jörg Frey,Armin Lange,1997

The Davidic Messiah in Luke-Acts Mark L. Strauss,1995-03-01 The nature of Lukan christology

has been much debated in recent years with scholars claiming the pre eminence of such categories as Lord Prophet Christ or Isaianic Servant In the present work the author examines one major theme within Luke s christology that of the coming king from the line of David A study of the Lukan birth narrative and the speeches in Acts reveals that Luke shows a strong interest in this royal messianic theme introducing it into passages which are introductory and programmatic for his christology as a sermon portraying Jesus in strongly prophetic terms The author seeks a synthesis of these seemingly conflicting royal and prophetic portraits in Luke s interpretation of the Old Testament book of Isaiah When Isaiah is read as a unity the eschatological deliverer is at the same time Davidic king Isa 9 11 suffering servant of Yahweh Isa 42 53 and prophet herald of salvation Isa 61 leading God s people on an eschatological new exodus On the basis of this synthesis the christology of Luke Acts is seen to be both consistent and unified forming an integral part of Luke s wider purpose in his two volume work

Gunjević,2017-10-02 The biblical message of Jubilee is becoming more credible in our days in dealing with the socio economic and moral spiritual issues of today s world It continues to exercise a powerful influence on the religious thoughts and actions of God s people In addition to that this book reveals a new hermeneutical code of reading and interpreting the message of Jubilee The synthesis of the exegetical analysis of the biblical texts regarding the Jubilee and Sabbath Sabbath year and Moltmann s understanding of this subject reveals the meaning and significance of the topic how it is recognized as well as its implications in today s world This synthesis reveals a new vision and starting point for socio economic and moral spiritual reform in our time The biblical Sabbat Jubilee traditions are much richer than we thought This book shows it Theologically often neglected they are a source of new ideas to solve problems of human community and the ecology of the earth That my theological works can be used to apply them today is a surprise to me a happy surprise J rgen Moltmann

Three Important Questions Considered William Carr Thurman,1873 NLT Parallel Study Bible Tyndale,2011-08-31 Discovery and Application on the Same Page for the First Time Now you don t have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living
