KISS and Philosophy Courtland Lewis, 2020-10-13 KISS is the most outrageous and yet the most enduring of rock bands with an unparalleled almost religious level of devotion from millions of die hard fans In KISS and Philosophy professional thinkers of diverse outlooks provide much needed insights into the motivating ideas and metaphysical foundations of the KISS take on life According to some the true message of KISS is self actualization through the hard work of following your dreams Others focus on the existential aspect of KISS thinking drawing upon Camus and Sartre to show that KISS is preoccupied with empowering the individual to achieve self greatness By contrast there is a view of KISS which identifies a destroyer attitude leading some listeners to reject KISS outright while encouraging others to become the most dedicated of followers Yet another view sees KISS s letting loose as essentially Dionysian Some chapters gain access to KISS thinking by tracing the band s cultural and historical impact finding meaning in the way generations of fans make sense of KISS s always evolving output the changing line up and the archetypal characters represented by the band s use of make up and presentation Other chapters look at the aesthetic quality of the band s output especially their most controversial album Music from The Elder Several chapters examine KISS s orientation to bodily pleasures notably sex extracting the band s philosophy of sex and love from different clues and indications How does KISS s unashamed indulgence relate to various pleasure governed ethical systems throughout history Is getting the most out of pleasure key to living the good life And does a life of gratifying one s body ultimately yield fulfillment What are the limitations and hazards of a pleasure oriented lifestyle The biography of band members also provides material for reflection looking at the nature of forgiveness through the lens of KISS s notorious feuds and determining how to reconcile the apparently conflicting accounts of some famous squabbles The changing line up of the band raises questions about the meaning of KISS and whether KISS could last forever

Wartime Kiss Alexander Nemerov, 2013 A deeply personal meditation on the haunting power of American photos and films of the 1940s Wartime Kiss is a personal meditation on the haunting power of American photographs and films from World War II and the later 1940s Starting with a stunning reinterpretation of one of the most famous photos of all time Alfred Eisenstaedt s image of a sailor kissing a nurse in Times Square on V J Day Alexander Nemerov goes on to examine an array of mostly forgotten images and movie episodes from a photo of Jimmy

Stewart and Olivia de Havilland lying on a picnic blanket in the Santa Barbara hills to scenes from such films as *Twelve O'Clock High* and *Hold Back the Dawn* Erotically charged and bearing traces of trauma even when they seem far removed from the war these photos and scenes seem to hold out the promise of a palpable and emotional connection to those years Through a series of fascinating stories Nemerov reveals the surprising background of these bits of film and discovers unexpected connections between the war and Hollywood from an obsession with aviation to Anne Frank's love of the movies Beautifully written and illustrated *Wartime Kiss* vividly evokes a world in which Margaret Bourke White could follow a heroic assignment photographing a B 17 bombing mission over Tunis with a job in Hollywood documenting the filming of a war movie Ultimately this is a book about history as a sensuous experience a work as mysterious indescribable and affecting as a novel by W G Sebald [Kiss Perfect Now: A Master's Guide to Powerful Kisses, Seductive Kissing Technique, Kiss Attraction Secrets, Ultimate Kissing Confidence, Kissing Success & Irresistible Kissing Tactics From All Over The World](#) C.J.

Kiss Me, Darling Alexis Anne, 2020-11-17 Lost one Hollywood bad boy Scott Kaine was once the quintessential Hollywood bad boy His smoldering perpetually unhappy gaze made women all over the world swoon He partied hard then turned his life around becoming an award winning actor and producer Until the headlines hit and he retreated to his childhood haven Calusa Key Found one man with a purpose Lucy Davis was too good for me Her brilliance and patience made her one of the most successful CEOs in Hollywood And for some reason she loved me So when my past came crashing down around us I knew I couldn't stay The only way I could be with Lucy is if I became the man she deserved Between the palm trees and sandy beaches I've found peace for the first time in my life I'm ready to start down the path

forward with Lucy by my side I just hope the island is as magical to her as it is to me Because I can't live without her love
