Margaret Sullavan Michael D. Rinella, 2019-08-12 In 1933 Margaret Sullavan made her film debut and was an overnight sensation. For the next three decades she enchanted audiences and critics in any medium she chose: film, theater, television, and was regarded as one of the foremost dramatic actresses. Off screen, she epitomized the Southern Belle: beauty, hospitality, and flirtatiousness. Deep down, she suffered from crippling insecurity, especially as a mother, a feeling exacerbated by progressive hearing loss. By age 50, she could no longer cope and took an overdose of sleeping pills. This biography covers her film career with insightful criticism from the period and details her personal life, including her marriage to Henry Fonda, her special friendship with James Stewart, and her bitter rivalry with Katharine Hepburn.

What is the urban and domestic impact of large-scale office building? Are there alternatives to the planner's city of object and Why does your flat leak? This book uniquely brings to bear questions of urgent cultural relevance on critical design decisions. As such, it is of as much importance to architects, planners, and students of design as to students of cultural history, geography, and all enthusiasts of cities and of film.
