Sola Scriptura Sacramentaque Charles Meeks, 2021-03-29 The practice of the sacraments of baptism and the Eucharist allow Christians to read Scripture in the context of the church and in unity with the Trinity Charles Meeks argues here however that over the centuries since the Reformation Protestant expressions of the church have often allowed the sacraments to assume a minor role that has led to a weakening of Protestant ecclesiology and a disconnection of these ancient rituals from the gospel To unpack this reality Meeks relies on the work of fourth century bishop Hilary of Poitiers and modern theologian Robert W Jenson to examine the relationship between the sacraments and Scripture the Trinity and the church With Hilary he retrieves a hermeneutic that starts from the interdependence of the sacraments with all aspects of Christian life especially the way one reads Scripture formulates theology and understands what the church is and is not With Jenson Meeks applies this hermeneutic to the modern church in an appeal to recover a premodern sense of God's relationship to time and thus how the church relates to God through Word and Sacrament

Eucharist Shaping and Hebert's Liturgy and Society Andrew Bishop, 2016-03-31 The contemporary Church of England is wrestling with issues around the relationship between its worship and mission and relating both to wider society Much of this hinges on an understanding of the nature of the Church Gabriel Hebert's seminal book *Liturgy and Society* 1935 took as its subtitle *The Function of the Church in the Modern World* For many this book inspired engagement with Eucharistic worship with new patterns emerging paving the way for further liturgical reform in the second half of the twentieth century *Eucharist Shaping and Hebert's Liturgy and Society* re-examines Hebert's work doing so uniquely in the light of the current dialogue about Church liturgy and mission Andrew Bishop argues that Hebert's

contribution has been overlooked latterly and that a re appreciation opens up fruitful ways of thinking and acting making this book a distinctive contribution to a lively debate If the options are reaction or novelty Eucharist Shaping and Hebert s Liturgy and Society shows how Hebert s thinking subtly undermines both Eucharist Ola Tjørhom,2023-07-14 The Eucharist is the sacrament of Christ s presence his real presence Here he comes to us in bread and wine through outward and material signs that are accessible to all This is an expression of infinite grace However when Jesus gives himself to us we are called to share ourselves and what we have with others Thus the Eucharist also becomes the sacrament of fellowship and unity It is a sacrament in and for our wounded world a sacrament of life in the widest sense The reflections in this book are grounded in the Lutheran tradition combined with an open ecumenical approach They aim at unfolding some of the wealth of the Lord s Supper in a concise and accessible way **Introduction to Christian Doctrine** John Lawson,1999-10-14 Includes Belief in God The Jesus of History The Word of the Cross The Power and the Wisdom The Spirit of the Lord The People of God The Means of Grace The Written Word The Double Cure and The Hope of Glory *Nature, Grace, and Secular Culture* Christian C. Irdi,2024-09-13 The relationship between nature and grace is a key debate in Fundamental theology The understanding of how nature and grace relate to each other is also a critically important part in comprehending the underpinnings of Western secular culture and therefore how best to evangelise it This book compares John Milbank and Joseph Ratzinger two relatively recent theologians who have both drawn from the insights of Henri de Lubac and have attempted to address the challenge that secular culture presents to the mission of the church In demonstrating and comparing how each author s approach to the nature grace couplet consequently determines their respective approach to secular culture it is hoped that responses to the challenge of secular culture might be more comprehensively considered
