K. Olson,2024-01-16

*John Wesley's Doctrine of Justification* provides updated scholarship on this pivotal doctrine of Methodism providing a deeper understanding of a major tenet of the Christian faith Mark Olson offers a comprehensive treatment of the development and exposition of Wesley's doctrine of justification and how it changed throughout Wesley's life including his early views rooted in Anglican heritage the significant developments in Wesley's career and contributions from notable figures like John Fletcher to his doctrine of general justification The doctrine of justification was pivotal to John Wesley's understanding of a person's relationship with God In Wesley's view it defined one of the two general parts of salvation It touched every aspect of the spiritual journey from birth general justification to conversion present justification to final judgment and glory final justification To properly understand Wesley's *via salutis* and theology one needs to grasp the particulars of his doctrine of justification The best way to do this is to tell the story of how he came to understand the doctrine over the course of his life It is a complex story with many twists and turns that deserves to be fully told [The New American Church Monthly ...](#)

McLeod-Harrison, 2011-03-31 If radical postmodernism offers nothing more than arbitrary fictions and modernism is coldly but meaninglessly objective where is reality Apologizing for God argues that reality rests in the lives we live in history In other words it argues that living as understood on the basis of the incarnational nature of Christianity is an appropriate response to our current cultural situation Partly philosophical partly theological and deeply Christian Apologizing for God explores the importance of living in the presence of God as revealed in the autobiographies of our lives Although not autobiographical in the strict sense this book is an apologetic for the truth of Christianity explained through one Christian philosopher s understanding of our relationship to history in which God is revealed      A. J. Appasamy and his Reading of Rāmānuja Brian Philip Dunn, 2016-12-01 In this work Brian Philip Dunn focuses on the embodiment theology of the South Indian theologian A J Appasamy 1891 1975 Appasamy developed what he called a bhakti devotional approach to Christian theology bringing his own primary text the Gospel of John into comparative interaction with the writings of the Hindu philosopher and theologian R m nuja Dunn s exposition here is of Appasamy s distinctive adaptation of R m nuja s Body of God analogy and its application to a bhakti reading of John s Gospel He argues throughout for the need to locate and understand theological language as embedded and embodied within the narrative and praxis of tradition and for Appasamy and R m nuja in their respective Anglican and rivai ava settings Responding to Appasamy Dunn proposes that the primary Johannine referent for divine embodiment is the temple and considers recent scholarship on Johannine temple Christology in light of rivai ava conceptions of the temple and the temple deity He then offers a constructive reading of the text as a temple procession a heuristic device that can be newly considered in both comparative and devotional contexts today      **The Christian observer [afterw.] The Christian observer and advocate** ,1846      *The Christian Observer* ,1872      *Christ Unabridged* George Westhaver ,Rebekah Vince, 2020-02-28 The title the Son of Man evokes the different aspects of the whole Christ the humanity and divinity of Christ his earthly ministry his sacramental presence and the eschatological consummation of his work It is also a term of relationship suggestive of both the relations constitutive of the life of the Holy Trinity and also of the way that our knowing and loving the Son of Man is always an invitation to communion with the Triune God as the Body of Christ and for the life of the world Contributors to this collection explore some of the many registers of the mystery of Christ both historically and thematically Contributors include some of today s leading theological thinkers including N T Wright Rowan Williams Lydia Schumacher Kallistos Ware and Oliver O Donovan With poetic reflections from Malcolm Guite Chapters include Son of Man and the New Creation N T Wright The Son of Man in the Gospel of John John Behr Sound and Silence in Augustine s Christological Exegesis Carol Harrison According to the Flesh The Problem of Knowing Christ in Chalcedonian Perspective Ian Mcfarland Christ and the Moral Life Oliver O Donovan Christ and the Poetic Imagination Malcolm Guite
