T. Forsyth, 1996-12-02 To be a Christian is not to attach one's salvation to a grand individual but it is to enter Christ and to enter Christ is the same act to enter the Church which is in Christ P T Forsyth **The "Supernatural Powers" in the Marriage Sacrament: Christ's Unique Saving Gift to Husband and Wife** Jeff Edward Poulin, 2023-04-10 Entrenched in the teachings of the Church and enriched by the Bible is an untapped wealth of truth and what Pope Pius XI in his encyclical *Casti Connubii* calls supernatural powers concerning sacramental marriage that awaits those willing to undergo the journey In this book *The Supernatural Powers in the Marriage Sacrament* those who seek will indeed find that through a systematic and tenable development of marriage its mystery is not only illustrated and unveiled but perpetuated in the supernatural gifts that Christ has embedded in this vocational Sacrament Throughout these pages as the marital union unfolds through the lens of Christ across the Old and New Testaments Christian spouses will be moved by the depth of their own calling and inspired with renewed vigor to pick up the torch and to live out that life a life which has been ordained by God in holiness as a truly unique and efficacious revelation of the redeeming power of Christ In Part I of *The Supernatural Powers in the Marriage Sacrament* the first seven chapters are specifically designed to lead deacons catechists and lay Catholics especially husbands and wives to learn through a gradual yet intensively

biblical and theological journey towards the unveiling of the unique redeeming gift to spouses that which is seen established and empowered through Christ at the Cross Here one finds the specific dynamics of that Sacramental gift unpacked and the sound spiritual evidence laid out for why there is such an absence of this marital fruit in our modern era In Part II Poulin then unpacks in greater detail how marriage and the gender of husband and wife serve as a revelation about man salvation and the Blessed Trinity and just how the religious life falls within that plan without contradiction or constraint Lastly in Part III Jeff Poulin puts under the microscope through the lens of the Church the powerful words of St Paul in 1 Corinthians 7 14 and defends the charge that the simplest Catholic explanation that which is often dismissed merits a serious second look

How Marriage Became One of the Sacraments Philip L. Reynolds, 2016-06-30 An indispensable guide to how marriage acquired the status of a sacrament This book analyzes in detail how medieval theologians explained the place of matrimony in the church and her law and how the bitter debates of the sixteenth century elevated the doctrine to a dogma of the Catholic faith **Christ the Sacrament of the Encounter with God** Edward Schillebeeckx, 1987-06 A reprinting of Schillebeeckx's classic work A standard in understanding the relationship between Christ Sacrament and the Church A positive and constructive ecclesial theology **Religious Values in the Sacraments** Henry Johnstone Wotherspoon, 1928

Lectures on the Church and the Sacraments Peter Taylor Forsyth, 1917 Sacramental Forgiveness as a Gift of God Eric Luijten, 2003 What is the theological place of the Holy Spirit with respect to the forgiveness of sins in the sacrament of penance This study examines the role of the Spirit in the theology of sacramental forgiveness of Thomas Aquinas 1224-5-1274 who is often blamed for the *Geistverگessenheit* of Western theology In the first part of this study it is shown that in Thomas theology notions like guilt and forgiveness function within the context of a relationship of friendship between God and human beings Constitutive for this relationship is the indwelling of God which is appropriated to the Holy Spirit It is explained that Thomas understands appropriation i e the practice of ascribing to divine Persons individually what belongs to the divine essence in general as a part of proper God talk which takes into account the limitations of our language vis a vis God In the second part of this study it is argued that the notion of the causality of the sacrament of penance i e that it effects the forgiveness of sins that it signifies can only be evaluated properly if the sacrament of penance is not only seen as prolongation of the incarnation i e the visible mission of the Son but also as accompanied by the continuous invisible mission of the Holy Spirit Eric Luijten 1964 has been a research fellow of the Catholic Theological University at Utrecht the Netherlands and at present is rector of studies of the Arienskonvikt the priest seminary of the archdiocese Utrecht and the diocese Groningen **Trinitarian Ecclesiology** John F. O'Neill, 2023-10-27 Revision of the author's thesis doctoral Ave Maria University 2019 under the title Trinitarian ecclesiology of Charles Cardinal Journet the great mystery of Christ and the Church as the visible missions of the Son and the Holy Spirit **The Plan of Salvation** Benjamin Breckinridge Warfield, 1915 Gift and Promise Peter Schmiechen, 2016-12-09 What would happen if the liturgy for the Lord's Supper

started with the images in the New Testament rather than the divisions of our past It would be like going through an open door into a new world There we would find a new Passover celebration a new covenant and remembrance and proclamation of Jesus death and resurrection all in the context of the kingdom of God It would be an evangelical Lord s Supper This is a high risk operation given the reliance by many on transactional sacrifice and the tendency to reduce the Supper to a sacrament of penance for individuals Ideas rejected by Luther and Calvin now reappear even among Protestants The goal cannot be reached by subtracting a few things and adding references to eschatology and joy The good news is that many churches have already taken steps to reform their liturgies To support that process here is a clear and consistent evangelical perspective based on the theology and biblical considerations that have formed our faith and practice *Fowre Bookes, of the Institution, Use and Doctrine of the Holy Sacrament of the Eucharist in the old Church. As likewise how ... the Masse is brought in, in place thereof ... The second edition, reviewed by the author. [Translated by R. S.] Philippe de Mornay (seigneur du Plessis-Marly),1600* *The Gift of Confession* Michael De Stoop,2007 The best way to help people to appreciate this Sacrament is to elucidate the many benefits we receive from it This book focuses on 25 striking things that Confession affords It demonstrates that Confession gives us much more than it takes away Taking negative things sin away is one thing for which this Sacrament is well known but how many people think of the Sacrament of Reconciliation in terms of the positive things it provides for us This positive approach is a welcome alternative to viewing this Sacrament simply in relation to sin It is informative and entertaining as it is illustrated with interesting analogies true stories Church teaching quotations from the saints and answers to popular questions This book will touch the hearts and enlighten the minds of many saints and sinners teachers and witnesses George Cardinal Pell Archbishop of Sydney Fr Michael de Stoop is Director of Vocations Sydney Australia

Christ's Gift, Our Response Benjamin Durham,2015-09-28 Sacramental theology has often been a challenging area of conversation between Catholics and Protestants In *Christ s Gift Our Response* Benjamin Durham envisions a collaborative way forward forging a conversation between two contemporary approaches to the connection between sacraments and ethics Drawing primarily from Louis Marie Chauvet and the Finnish school of Luther interpretation Durham constructs a mutually enriching theological dialogue Beyond comparison and contrast this is an attempt to draw these theologies together as sources for each other rather than as competitors *The gift of Pentecost, meditations on the Holy Ghost, tr. by lady A. Efficacious Engagement Kimberly Hope Belcher,2011 The long standing tradition of baptizing infants suggests that the sacraments plunge our bodies into salvation so the revelation of God s love in the sacraments addresses the whole person not the mind alone In this work the contemporary Roman Catholic rite of baptism for infants becomes a case study manifesting the connections between the human body the ecclesial body and the Body of Christ The sacramental life for children as for adults is an ongoing journey deeper into the life of the Father the Son and the Holy Spirit By examining the church s practice of infant baptism Kimberly Hope Belcher asks how human beings

participate in God's life through the sacraments Christian sacraments are embodied cultural rituals performed by and for human beings At the same time the sacraments are God's gifts of grace by which human beings enter into God's own life In this study contemporary ritual studies sacramental theology and trinitarian theology are used to explore how participation in the sacraments can be an efficacious engagement in God's life of love Kimberly Hope Belcher is an assistant professor of theology at Saint John's University where she teaches sacramental theology and ritual studies She is a member of the North American Academy of Liturgy and writes for the liturgical blog Pray Tell
