Sacred Chaos And The Quest For Spiritual Intimacy:

Sacred Chaos and the Quest for Spiritual Intimacy James R. Newby, 1998 Sacred Chaos James Newby, 1998-04-02

Pain and loss are not only the products of chaos. They produce chaos. Chaos can have gentle beginnings such as an inner tug within our souls that awakens us to the realization that the life we are leading is not fulfilling. Chaos can also begin in more dramatic ways: the death of a loved one, a divorce, the loss of a job. Whatever the impetus, chaos is uncomfortable. It moves us out of familiar patterns and known ways and causes us to reevaluate what is important and if we heed the signs it sets us on a journey of seeking more of what is missing. In this extraordinary book James R. Newby tells us of his own spiritual journey and emotional chaos of the death of his father, the breakdown of his marriage and his own bouts with debilitating depression. He shows how chaos such as this or chaos that simply whirls around inside us becomes sacred when it pushes us on the quest for spiritual intimacy. What that quest looks like says Newby very much depends on how willing we are to let go of the past behaviors that have tied us down and follow wherever the chaos of our spiritual quest leads us.

Leadership Wisdom from Unlikely Voices Dave Fleming, 2004

For leaders who've read every leadership book or just feel like they have. Most leaders feel like they've read all there is to read about leadership but are still frustrated when the tools of professionals fail to work. *Leadership Wisdom from Unlikely Voices* takes leaders off the frustrating path of doing leadership and into the more meaningful place of being a leader. Rather than focusing on new tools or techniques, author Dave Fleming draws on the voices of contemplative thinkers and their views on issues that affect leaders today. Nouwen, Augustine, Underhill, Benedict and others offer readers insight from outside the world of leadership on how to regain the humanity of being a leader. Each chapter includes interactive exercises that allow readers to reflect on what they're learning, evaluate ideas and then implement those ideas that resonate most.

Rhodes offers a fresh view of connecting to God, one that focuses on quality time and frees people from the rigidity of a devotional life that may feel stifled, grow stagnant or bring about guilt.
