Burns,2015-01-28 Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad s allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source s merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O Connor and Ellen Glasgow Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title

Authentic Tale of the Old Sioux World John G. Neihardt,2024-01-05 Excerpt A one room log cabin with an indolently smoking chimney squatted in sullen destitution a hundred yards away Before the door a ramshackle wagon stood waiting for nothing with its load of snow Down yonder in the brushy draw an all but roofless shed stared listlessly upon the dull February sky With a man denying look the empty reservation landscape round about lay hushed and bluing in the cold Raising the flap of the tepee with its rusty stovepipe thrust through its much patched canvas I stooped in a puff of pleasant warmth and entered placing my last armload of cottonwood chunks behind the sheet iron stove The old man threw back his blankets and sat up cross legged upon the cowhide robes that served for bed his gray hair straggling thinly to his shoulders about an aquiline face that had been handsome surely before time carved it to the bone **The American Humanities Index** Stephen H.
