Cosmic Connection Carole Lynne,2009-03-24 In a bold departure from her earlier books medium and psychic Carole Lynne shares the story of her own growing revelation of the interconnected interplanetary cosmic energy that flows around and through us all that is indeed the stuff we are made of Experience Carole Lynne s journey of a lifetime as she goes into an altered state of consciousness and brings messages from My Guidance and The Energy Receive a glimpse into the nature of the spiritual forces that have created us and continue to manifest life Evolution is not over The future of our world depends on our abilities to evolve in a positive way to let go of our egos to realize that we are not separate beings and to evolve to a consciousness that finds poverty pollution and war unthinkable We are responsible for the future But how can we change in order to have better personal lives and to make better choices for our world As we approach 2012 and a seeming meltdown of economic and societal infrastructures more and more people are turning to other realms for solace advice and the tools they need to live every day In the past when this has happened during the Great Depression or WWI for example a great deal of material from other realms was given to us Carole Lynne s work joins that of her predecessors and her contemporaries in providing that information for tomorrow s world *Religion and Society* ,1997 [The Handbook of Religion and Communication](#) Yoel Cohen,Paul A. Soukup,2023-02-22 Provides a contemporary view of the intertwined relationship of communication and religion The Handbook of Religion and Communication presents a detailed investigation of the complex interaction between media and religion offering diverse perspectives on how both traditional and new media sources

continue to impact religious belief and practice across multiple faiths around the globe Contributions from leading international scholars address key themes such as the changing role of religious authority in the digital age the role of media in cultural shifts away from religious institutions and the ways modern technologies have transformed how religion is communicated and portrayed Divided into five parts the Handbook opens with a state of the art overview of the subject s intellectual landscape introducing the historical background theoretical foundations and major academic approaches to communication media and religion Subsequent sections focus on institutional and functional perspectives theological and cultural approaches and new approaches in digital technologies The essays provide insight into a wide range of topics including religious use of media religious identity audience gratification religious broadcasting religious content in entertainment films and religion news reporting about religion race and gender the sex religion matrix religious crisis communication public relations and advertising televangelism pastoral ministry death and the media online religion future directions in religious communication and more Explores the increasing role of media in creating religious identity and communicating religious experience Discusses the development and evolution of the communication practices of various religious bodies Covers all major media sources including radio television film press digital online content and social media platforms Presents key empirical research real world case studies and illustrative examples throughout Encompasses a variety of perspectives including individual and institutional actors academic and theoretical areas and different forms of communication media Explores media and religion in Judeo Christian traditions Islam Buddhism Hinduism religions of Africa Atheism and others The Handbook of Religion and Communication is an essential resource for scholars academic researchers practical theologians seminarians mass communication researchers and undergraduate and graduate students taking courses on media and religion [Journal of Dharma](#) ,1996 **52 Ways to Connect as a Couple** Jay Payleitner,2016-02-01 Popular author and speaker Jay Payleitner shows that becoming one includes more than just staying married It s not just about compromise And it s not just about sacrifice and mutual submission And it s not just about sex It s about unity Solidarity Integrity But how do you nurture oneness in the real world In these 52 short readings you ll find fun creative ways you and your spouse can embrace a common purpose and shared dreams Jay addresses head on some of the obstacles to oneness and suggests out of the box solutions for overcoming them Share dreams Never compromise Hit bottom together Pay off the credit cards Kiss in the kitchen Laugh together Cry together Serve Be served Sometimes spiritual sometimes silly but always practical winsome and wise these ideas for drawing closer to each other and enjoying your unique connection will inspire and equip you to make your marriage better than ever [Archetypal Echoes: The Dialogue Between Body and Psyche](#) Pasquale De Marco,2025-03-09 In a world where we are constantly bombarded with images of perfection it can be easy to lose touch with the wisdom and beauty of our own bodies We may strive to change our appearance to fit in or to meet societal expectations but in doing so we may be denying the true essence of who we are This book offers a profound and

transformative perspective on the body inviting readers to explore the deep connection between body and psyche Drawing on Jungian psychology and archetypal imagery the book reveals how our bodies hold the keys to our deepest healing and transformation Through a series of insightful chapters the book delves into the various ways in which the body communicates with us It explores the language of psychosomatic symptoms the wisdom of intuition and gut feelings and the hidden messages revealed in dreams It examines the impact of early experiences on the developing body and the role of the body in relationships and social interactions The book also explores the body's journey through the seasons of life from infancy to adolescence adulthood and old age It examines the unique challenges and opportunities that each stage presents and offers guidance on how to navigate these transitions with grace and acceptance With warmth compassion and deep understanding this book invites readers to embark on a journey of self discovery and self acceptance It is a call to reconnect with the wisdom of the body to honor its needs and to cultivate a profound sense of embodiment This book is essential reading for anyone who is interested in exploring the connection between body and mind for those who are seeking to heal from trauma or illness and for those who simply want to live a more authentic and fulfilling life If you like this book write a review

Preaching Through Holy Days and Holidays ,2003-02-01 Preaching Through Holy Days and Holidays is the eleventh in a series of books devoted to presenting examples of preaching excellence from parishes in the Episcopal Church These sermons collected from clergy around the country focus on preaching the Holy Days and Holidays of the church and secular calendar Contents include sermons for The High Holy Days Christmas Eve Ash Wednesday Maundy Thursday Easter Evening and Pentecost major festivals The Presentation of Our Lord Ascension Day The Transfiguration of Our Lord All Saints Day Feasts of various saints Celebrations of ministerial vocation The Baptism of Our Lord The Nativity of John the Baptist the ordination of a bishop the renewal of ordination vows Civic holidays Mother's Day Memorial Day Fourth of July Thanksgiving and more The Geography of Religion Roger W. Stump,2008-04-04 The only book of its kind this balanced and accessibly written text explores the geographical study of religion Roger W Stump presents a clear and meticulous examination of the intersection of religious belief and practice with the concepts of place and space He begins by analyzing the factors that have shaped the spatial distributions of religious groups including the seminal events that have fostered the organization of religions in diverse hearths and the subsequent processes of migration and conversion that have spread religious beliefs The author then assesses how major religions have diversified as they have become established in disparate places producing a variety of religious systems from a common tradition Stump explores the efforts of religious groups to control secular space at various scales relating their own uses of particular spaces and the meanings they attribute to space beyond the boundaries of their own communities Examining sacred space as a diverse but recurring theme in religious belief the book considers its role in religious forms of spatial behavior and as a source of conflict within and between religious groups Refreshingly jargon free and impartial this text provides a broad comparative view of religion as a focus of geographical inquiry **An**

Takim,2012-02-01 2007 CHOICE Outstanding Academic Title After the death of the Prophet Muhammad different religious factions within the Muslim community laid claim to the Prophet s legacy Drawing on research from Sunni and Shi ite literature Liyakat N Takim explores how these various groups including the caliphs scholars Sufi holy men and the Shi ite imams and their disciples competed to be the Prophetic heirs The book also illustrates how the tradition of the heirs of the Prophet was often a polemical tool used by its bearers to demand obedience and loyalty from the Muslim community by imposing an authoritative rendition of texts beliefs and religious practices Those who did not obey were marginalized and demonized While examining the competition for Muhammad s charismatic authority Takim investigates the Shi ite self understanding of authority and argues that this was an important factor in the formation of a distinct Shi ite leadership The Heirs of the Prophet also provides a new understanding of textual authority in Islam by examining authority construction and the struggle for legitimacy evidenced in Islamic biographical dictionaries **Llewellyn's 2023 Magical Almanac** Llewellyn,2022-07-08 Breathe new life into your magical practice with Llewellyn s 2023 Magical Almanac For more than thirty years this almanac has provided useful spells rituals and ideas that inspire all levels of practitioners to improve their connection to magical energies and elements This year s edition features dozens of captivating articles grouped by element on coin magic Afro Caribbean Witchcraft the magic of scent nonverbal quarter calls fire dance magic nightmare protection palm tree magic sabbath guided meditation and more You ll also enjoy a fantastic coloring section with coloring pages color correspondences and two spells to be used with the coloring pages Forms of Experienced Environments Nathalie Blanc,Théa Manola,Patrick Degeorges,2020-02-26 This book explores environmental forms in terms of their relationships to the socio politico ecological transformations currently in progress Today the environment is a central theme in political discourse scientific work and everyday life It is multi dimensional it is a living space a socio ecological system and a field of research and action However despite the presence and diversity of existing approaches the ways in which policies address environmental issues remain mainly focused on control highlighting the techno ecological managerial and curative

dimensions of public actions Although public action tends to instrumentalise the environment the humanities and social sciences have initiated significant reflections in this field proposing alternative ways of thinking about the environment in its multiple aspects and scales As part of another approach to the environment that mirrors contemporary developments this book adopts a form based approach which has been largely neglected by previous studies dealing with environmental themes The analyses provided here will open up a new perspective on the relationships between people aesthetics and environments and are drawn from different schools of research highlighting the huge potential of reading the environment through forms or conversely a reading of environmental forms
