Guenther, Xiaolan Li, Michelle A. Scheidt, 2025-08-30

Emerging technologies are entering every aspect of human life including the spiritual realm. At the same time, spirituality has entered mainstream environments including business, education, health, and healing, and tech design. This provides an opportunity for technology and wisdom traditions to evolve together due to the widening audiences and worldviews. In this open access volume, an assembly of experts explores the intersection of spirituality and technology as they are emerging in a variety of contexts in our world. Through a mixture of philosophy, advocacy, presentation of research findings, and sharing of practices, this book illustrates technology's influence on spirituality and vice versa and its applications to management strategy and leadership. At the same time, contributing authors identify the surfacing pitfalls, shadow material, and areas that must be attended to during this time of evolving landscapes. Additionally, two of the chapters highlight virtual practices that focus on racial healing, which are of crucial import at this time in our collective history, and another two explore healing, justice, and liberation through the uses of technology. Written in a think piece style, this book is accessible to those within and outside of academia. This is an open access book.

*Forthcoming Books* Rose Arny, 2004      *Keys to Holiness: Meditations on the First Letter of Peter* Joyce Pranger Venaglia, 2016-08-08

Growing in a life of holiness in a fast-paced technical world means first and foremost to keep our minds and hearts focused on the living word Jesus. This is exactly what the apostle Peter gives us in his two short but often overlooked letters. In *Keys to Holiness*, Dr. Joyce Venaglia unlocks for us in her own unique, simple style a rich treasure from her years living a life of silence, prayer, and meditation. Dr. Joyce found each chapter, each verse, and each word to be a goldmine of spiritual inspiration leading to a life lived in deep union with God, which is possible for everyone seeking a deep love relationship with God. This volume does not cover all of Joyce's meditations on First Peter but is like a glimpse of the best that is yet to come. The book is not meant to be read as a novel but slowly and prayerfully with a resolution to allow maybe just one key to penetrate deeply into one's heart and mind. In the process, one is transformed as Peter was into a living replica of the word Jesus. Dr. Joyce is a member of the third order of Franciscans. She founded the Hermitage Ministries in 1974 while living as a hermitess in West Virginia. In 1981, she was commissioned as a lay Catholic.

evangelist She is the author of four other inspirational books and many published articles Dr Joyce has traveled extensively giving teaching seminars retreats and parish missions on healing and prayer Besides sharing from her love for writing she is also a poetess and an artist all born from her life of prayer Dr Joyce Venaglia known to the world as Sister Joyce and a noted spiritual writer and director leads the way once again in this powerful message for all Christians to lead a life of deep holiness following in the steps of our beloved Apostle Peter Information on Dr Joyce s other books can be obtained by e mailing Jvendija Dc rr com
