Sacred Rage The Wrath Of Militant Islam:

Sacred Rage Robin Wright, 2001-12-04 For a generation Muslim extremists have targeted Americans in an escalation of terror that culminated in the September 11 attacks Our shared confusion Who are the attackers Why are we targets is cleared away in a book as dramatic as it is authoritative Updated with new chapters on Afghanistan and the the broader Islamic movement *Sacred Rage* combines Robin Wright s extraordinary reportage on the Islamic world with an historian s grasp of context to explain the roots the motives and the goals of the Islamic resurgence Wright talked to terrorists militant religious leaders and fighters from Beirut to Islamabad and Kabul Their voices of rage reverberate here right up to the attacks in New York and Washington Across continents extends a challenge we fail to understand at our peril *Sacred Rage* now casts light on the war being fought in the shadows 'Militant Islam' vs. 'Islamic Militancy'? Klaus Hock, Nina Käsehage, 2020 Discourses on radical Islam on Islamic extremism or on religious violence in Islamic contexts are en vogue in and beyond academia But in view of the highly contested topic of political Islam the challenge starts already with the preferred terminology What actually are we talking about when we talk about salafism jihadism Islamic terrorism etc This edited volume provides a collection of contributions that due to their respective academic cultures and disciplinary locations display a multifaceted variety of approaches to the research field and its subject **Sacred Rage** ,1986 **America and Political Islam** Fawaz A. Gerges, 1999 This book chronicles the policy debates on Islamism in the United States over the course of time providing a comprehensive account of the origins of policy followed by a balanced critique and recommendations for change It then delves deeper into the US political scene to analyze the historical political cultural and security issues that might help explain America s preoccupation with Islam and Muslims Furthermore the author sheds much light on the multiplicity of regional and international factors such as the political decay of the Middle Eastern state and the end of the Cold War that shape the thinking of US officials about the contemporary Islamist phenomenon In addition to examining the domestic regional and international context of US Islam policy the book applies and tests the pronouncements of US officials in four representative case studies Iran Algeria Egypt and Turkey Finally Gerges addresses the clash of civilizations debate and assesses the relative weight of culture and values in US officials words and deeds on Islamism

Major Issues in Islam Harvey J. Sindima, 2017-11-02 This book explores matters that have negatively affected the public image and led to distorted depictions of Islam from the late nineteenth century to the present The areas of uneasiness and debate among Muslims and non Muslims alike include Islamic values and identity in the post caliphate era after colonialism and now under Western hegemony There is anxiety about the place of Shari a in the light of Western law and the state secularism democracy human rights the equality of women and the place of Islamic education in transmitting Islamic values as secular education dominates societies There are apprehensions over the relation between religion and politics as in the rise of Muslim Brotherhoods Wahhabism Islamism al Qaeda and Islamic State In non Muslim countries concerns are about

the status of Muslim marriage polygamy divorce and interest in business Every topic is examined through the Noble Qur'an and the Hadith classical writings and linguistic analysis

Historical Dictionary of Arab and Islamic Organizations

Sarah Tenney, 2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

Islam and Democracy Timothy D. Sisk, 1992 This volume explores the relationship between religion and politics generally as well as the global wave of democratization in the late twentieth century as background to different interpretations of political Islam It analyzes the role of these movements in Iran Algeria Egypt Jordan the Persian Gulf especially Saudi Arabia and the Palestinian community

Mirror of the Arab World: Lebanon in Conflict Sandra Mackey, 2009-03-16 How the recent history of Lebanon provides insight into the many trials currently facing the larger Arab community It is crucial to the interests of the West to grasp the complexities of the Arab world In this clear concise volume Sandra Mackey provides a unique view of this tortured and tortuous region through the lens of Lebanon A small fractured country at the gateway of the Arab east Lebanon signals the challenges that the Arab world poses to itself and to the West As Mackey vividly demonstrates the Lebanese have experienced every issue currently roiling the Middle East borders contrived by others a weak state housing weak institutions a Palestinian presence civil war resistance to societal and political change Sunni Shia sectarianism occupation militant Islam as a political ideology conflict over the common identity essential to turning a fragile state into a viable nation a troubled democratic tradition and war perpetrated by forces inside and outside its borders Lessons learned from these conflicts will ease understanding and resolution elsewhere

Political Islam, Justice and Governance Mbaye

Lo, 2018-11-08 This book argues that political Islam represented by its moderate and militant forms has failed to govern effectively or successfully due to its inability to reconcile its discursive understanding of Islam centered on literal justice with the dominant neo liberal value of freedom Consequently Islamists polities have largely been abject often tragic failures in providing a viable collective life and sound governance This argument is developed theoretically and supported through a set of case studies represented by the Muslim Brotherhood in Egypt under President Muhammad Morsi's tenure Hassan Turabi's National Islamic Front in Sudan and The Islamic State in Iraq and Syria ISIS It is ideal for audiences interested in Regional Politics Islamic Studies and Middle Eastern Studies
