The relationship between Islam and feminism is complex There are many Muslim scholars who fervently promote women s equality At the same time there is ambivalence regarding the general norms terminology and approaches of feminism and feminist theology This ambivalence is in large part a product of various hegemonic androcentric and patriarchal discourses that seek to dictate legitimate and authoritative interpretations These discourses not only fuel ambivalence they also effectively obscure valuable possibilities related to interreligious feminist engagement Divine Words Female Voices is the follow up to Jerusha Lamptey s 2014 book Never Wholly Other in which she introduced the idea of Muslima theology and applied it to the topic of religious diversity In this new book she extends her earlier arguments to contend that interreligious feminist engagement is both a theologically valid endeavor and a vital resource for Muslim women scholars She introduces comparative feminist theology as a method for overcoming challenges associated with interreligious feminist engagement reorients comparative discussions to focus on the two Divine Words the Qur an and Jesus and feminist theology and uses this reorientation to examine intersections discontinuities and insights related to diverse theological topics This book is distinctive in its responsiveness to calls for new approaches in Islamic feminist theology its use of the method of comparative theology its focus on Muslim and Christian feminist theology in comparative analysis and its constructive articulation of Muslima theological perspectives Sacred Words: Orality, Literacy and Religion André Lardinois,Josine Blok,M.G.M. van

power of Naam Yoga and the wisdom of Universal Kabbalah This book tells her rags to riches story and the wisdom teachings that made both her life successful and her body whole The Temple Masters of Egypt Asher Benowitz,2022-04-27 Many Egyptologists believe that most religious ceremonies and magical rituals preserved in Temple and tomb reliefs were observed initially in dramatic form to convey a transcendental ambiance to the teaching Edfu s sacred drama inscribed on the inner west wall of the temple precinct was not the least revered of its literary traditions It tells how the Neter confronts Set in eleven reliefs after attaining the majority and claiming Asar s throne each featuring a theatrical scene and dialogue Dramatis personae in The Mystery Play appear to have been members of the Royal House the audience included nomarchs and the general populace and the priests served as both theatrical directors and commentators In Edfu the play was performed annually on the 21st of Menhir the second month of winter and four days afterward the Festival of Victory This fell just before the spring equinox in 110 B C E when the walls at Edfu were engraved *Sri Sarada Devi The Holy Mother* Swami Tapasyananda,2020-03-07 This is one of the first comprehensive biographies of Holy Mother Sri Sarada Devi in English The author Swami Tapasyananda who was a scholar monk of great eminence and one of the vice presidents of the Ramakrishna Order has incorporated all relevant biographical materials from various literary sources in Bengali besides testimonials and first hand information gathered from monks and women disciples of the Holy Mother He has interpreted the life of the Holy Mother as the expression of the ideal of Divine Motherhood This book will help the readers and devotees acquaint themselves with her holy life The Book of Kadam ,2014-05-01 The Kadam school of Tibetan Buddhism emerged in the eleventh century from the teachings of the Indian master Atisa and his principal Tibetan student Dromtonpa Although it no longer exists as an independent school Kadam s teachings were incorporated into the four major schools of Tibetan Buddhism and are still prized today for their unique practical application of the bodhisattva s altruistic ideal in everyday life One of the most cherished teachings stemming from Atisa and Dromtonpa is the collection of esoteric oral transmissions enshrined in The Book of Kadam This volume includes the core texts of the Book of Kadam notably the twenty three chapter dialogue between Atisa and Dromtonpa that is woven around Atisa s Bodhisattva s Jewel Garland as well as complementary texts that illuminate the history and practices of the Kadam tradition **Rāmakṛṣṇa Paramahansa** Narasingha Sil,2024-07-08 In the entire corpus of R mak a research carried out mostly by his disciples devotees and admirers only a handful have attempted to analyze his divine reputation Yet none has examined the R mak a phenomenon fully This is the first comprehensive psychoanalysis of R mak a s sexuality in general and his androgyny in particular as well as a critical examination of his sermons sam dhis Instead of the popular paramaha sa there now emerges the less attractive but more authentic profile of an utterly selfish capricious but highly intelligent spiritual master who elicited awed submission from everybody by his unpredictable and frenzied behaviour The author asserts that R mak a s spiritual odyssey is better explained as his desperate but successful effort to deal with his emotional and sexual crisis rather than as the universally acknowledged outcome of a

divine teleology Attempting to distinguish the historical R m a k s a from the godhead of hagiography this study offers a challenging debate on mystic phenomenon **Praise to God. Oratorio** George Frederick Bristow,1860 *Wayside words [formerly Gilead] ed. by F. Harper* Frederick Harper,1877 The Ancient Allan H. Rider Haggard,2012-06-01 Allan Quatermain the swashbuckling adventurer who is H Rider Haggard s best remembered character often faced down formidable adversaries in exotic lands around the globe But in The Ancient Allan the perilous journey that Quatermain undertakes is one that leads him into the murky depths of his own distant past where he learns more about his adventures in a previous existence that took place long ago **The Secret Societies of All Ages and Countries** Charles William Heckerthon,1897
