Feminist Issues in Literary Scholarship Shari Benstock, 1987 an important and valuable collection the essays are at the cutting edge of post modernism Maggie Humm Women s Studies International Forum This well written carefully edited anthology provides an excellent overview of the thicket of contemporary feminist literary theory No library should be without it Kathryn Allen Rabuzzi Syracuse University Religious Studies Review In all this is a rich and varied collection Journal of Modern Literature Explores the aesthetic and political issues inherent in feminist critical theory and practice Contributors include Shari Benstock Elaine Showalter Nina Baym Paula A Treichler Jane Marcus Josephine Donovan Judith Kegan Gardiner Judith Newton Lillian S Robinson Nina Auerbach Elizabeth Fox Genovese Hortense J Spillers and Susan Stanford Friedman Feminist Theory, Fourth Edition Josephine Donovan, 2012-03-08 This first major study of feminist theory revised and updated here in its fourth edition now takes the reader into the twenty first century It addresses the basic question What is feminism by outlining the various strands of feminist theory liberal cultural Marxist socialist Freudian and radical This fourth edition brings the discussion up to date integrating the developments in feminist theory that have emerged in the last two decades such as ecofeminism multiculturalism postmodernism and global feminism including new material since the publication of the third edition 2000 **The Sacred and the Feminine** Kathryn Allen Rabuzzi, 1982

**Fantasies of the Feminine** Patricia Nisbet Klingenberg, 1999 In order to address these questions and to better understand Ocampo s work the analysis sustains an extended dialogue between her short fiction and current Euro American feminist theory While the analysis is intended primarily for scholars interested in Latin American authors every effort has been made to facilitate a reading by the non specialist BOOK JACKET *Religion, Feminism, and Idoloclasm* Melissa Raphael, 2019-01-22 Religion Feminism and Idoloclasm identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women s being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for

scholars in theology religious studies gender studies visual studies and philosophy     Episcopal Women Catherine M. Prelinger,1996 The opening of the ministry to women has created a new situation within Protestant denominations This work studies the impact of these gender changes and includes essays on Episcopal theology and women s spirituality the urban church ageing and the church women s organizations     **Imitating Abraham** ,2025-03-27 Imitating Abraham provides exciting glimpses into the reception history of the character Abraham in Judaism Christianity and Islam illuminating the manifold ways in which interpreters draw upon his legacy to authorize practices like sacrifice circumcision hospitality feasting prayer and personal and corporate piety Abraham holds surprises his name is used in magical amulets some published here for the first time to ward off demons protect cattle from illness and even to round up runaway slaves Researchers students and all interested in Biblical Jewish Christian and Islamic Studies as well as ritual and exemplarity will want to read this book     **The Aesthetics of Care** Josephine Donovan,2016-06-02 In this important new book from a distinguished scholar Josephine Donovan develops a new aesthetics of care which she establishes as the basis for a critical approach to the representation of animals in literature The Aesthetics of Care begins with a guide to the relationship between ethics and aesthetics leading to a reconceptualization of key literary critical terms such as mimesis and catharsis before moving on to an applied section with interpretations of the specific treatment of animals handled by a wide range of authors including Willa Cather Leo Tolstoy George Sand and J M Coetzee The book closes with three concluding theoretical chapters Clear original and provocative The Aesthetics of Care introduces and makes new contributions to a number of burgeoning areas of study and debate aesthetics and ethics critical theory animal ethics and ecofeminist criticism     *Family Theories* James M. White,David M. Klein,2002-06-27 Praise for the First Edition This is an admirable text and sourcebook but also achieves the status of an intellectually challenging confrontation with the reader It is in many ways a model which many of us would be well advised to follow I wish I could have written it British Journal of Developmental Psychology This revision of a best seller remains the only single volume book to present family theory in a clear and approachable manner providing a thorough introduction to current theories about the family for both advanced undergraduate and beginning graduate students The authors incorporate a broad scope of work from different perspectives in surveying seven major theoretical frameworks developed by key social scientists to explain variation in family life This incisive New Edition examines the exchange symbolic interaction family developmental systems conflict feminist and ecological theoretical frameworks and presents a typology for analyzing and comparing the seven frameworks while providing direction for future theory development     Made from Scratch Jean Zimmerman,2012-11-13 A stunning celebration and reappraisal of the importance of women s work Made from Scratch addresses the tug that many Americans feel between our professional and private lives In this stunning celebration and reappraisal of the importance of women s work acclaimed journalist Jean Zimmerman poignantly addresses the tug that many Americans of the twenty first century feel between our professional and private lives

With sharp wit and intelligence she offers evidence that in the current domestic vacuum we still long for a richer home life a paradox visible in the Martha Stewart phenomenon in the continuing popularity of women's service magazines such as *Better Homes and Gardens* *Family Circle* and *Ladies Home Journal* whose combined circulation of over 17 million is nearly twice the combined circulation of *Time* *Newsweek* and *U S News World Report* and the booming business of restorations where onlookers get a hands on view of domestic life as it flourished in past centuries This book is about the ways home traditions passed from one generation to the next baking a birthday cake from scratch cherishing family heirlooms or discovering the satisfaction of piecing a quilt sustain our souls especially in our ever more processed synthetic world where we buy homemade goods and fail to see the irony in that *Made from Scratch* tells the story of the unsung heroines of the hearth investigating the history of female domesticity and charting its cultural changes over centuries Zimmerman traces the lives of her own family's homemakers from her tiny but indomitable grandmother who managed a farm strangled chickens with her bare hands and sewed all the family clothing to her mother who rejected her country upbringing yet kept a fastidious suburban home where the gender divide stayed firmly in place to her own experiences as a wife and mother weaned on the Women's Movement of the 1970s with its emphatic view that housework was a dirty word and that the domestic sphere was to be fled rather than cherished In this book Zimmerman questions the unexamined trade off we have made in a shockingly brief time span as we've progressed from home raised chickens to frozen TV dinners to McNuggets from the food court at the mall What is lost when we no longer engage as individuals and as a community in the ancient rituals of food craft and shelter

**Women in the Presence** Jody Shapiro Davie, 1995-08 A beautifully written ethnography that provides new insight into the functioning of congregations and the meaning of spirituality at the end of the twentieth century Robert Wuthnow Princeton University

**Haunted Bodies** Anne Goodwyn Jones, Susan Van D'Elden Donaldson, 1997 In *Haunted Bodies* Anne Goodwyn Jones and Susan V Donaldson have brought together some of our most highly regarded southern historians and literary critics to consider race gender and texts through three centuries and from a wealth of vantage points Works as diverse as eighteenth century court petitions and lyrics of 1970s rock music demonstrate how definitions of southern masculinity and femininity have been subject to bewildering shifts and disabling contradictions for centuries
