Divorce tends to rip away your facade and defenses and call into question what you know or believe. That vulnerability is painful but ultimately can bring you to a place where your spiritual life can gain strength and insight if you are open to it. In the midst of feeling lost, you can find a new path forward which brings you to a better place from the introduction. Divorce is never easy and almost always includes profound experiences of pain, isolation, anger, despair, and confusion. Here is a spiritual map for regaining your bearings, helping you move through the twists and turns of divorce in a spiritually healthy way.
